

& Light Company that it was the wishes of said Court that the Company remove from the Highway Right of Way on Highway No. FM110 from Cleburne to Grandview, and Mr. L. D. Aston, a representative of said company being present, stated to the Court that the lines would be moved at an expense of, (not to exceed \$2018.00), the cost of material and labor; to the Said County; It is the opinion of the Court that the understanding and agreement with the said Mr. Aston, representative of said Company, should be carried out;

IT IS THEREFORE: The order of this Court that this order be passed agreeing to the re-location of the Texas Power & Light Company's Lines along the Highway Right of Way on Highway #FM110 from Cleburne to Grandview, and on privately owned property and on County owned property as covered by said County's Franchise with said Company with the understanding that all poles and lines will be moved without cost to the said County and those on private property on a time and material basis, the total cost to the County not to exceed \$2018.00.

Commissioners, J. R. Wyatt, H. O. Hadley, V. L. Maddox, M. W. Roland all being present.

Signed Roy Anderson, County Judge,  
Johnson County

All voted aye.

A motion was made by Commissioner Wyatt and seconded by Commissioner Roland that the following order be passed:

IN COMMISSIONER'S COURT, JOHNSON COUNTY, TEXAS.

This 8 day of April, 1946, the court being in session, and all members being present, came on to be heard the proposal of the Johnson County Electric Cooperative Association, to remove and relocate its distribution lines on the road from Cleburne to Grandview as follows:

March 18, 1946  
Cleburne, Texas.

To the Hon. Commissioners Court of Johnson Co. Cleburne, Texas.

Gentlemen:

We propose to remove and relocate our distribution lines on the road from Cleburne to Grandview, according to the attached specifications, and one extra pole in addition, and charge you therefor the actual expense, payable on completion.

This will include the staking of line by engineer, labor, use of trucks and other equipment, any additional materials, trimming of trees, procuring consent of landowners and overhead. We will keep an accurate record of the expense and submit the same to you.

Yours very truly,  
JOHNSON CO. ELECTRIC COOPERATIVE  
ASSOCIATION  
By "T. W. Bailey", Manager

After due consideration, a motion was made by Commissioner Wyatt, and seconded by Commissioner Rowland, that the proposal of the Johnson County Electric Cooperative Association be accepted, and the same was carried unanimously, all members voting therefor.

It is therefore ordered that the proposal of the Johnson County Electric Cooperative Association, as set out above, be and the same is hereby accepted, and the County Judge is authorized to endorse the acceptance on the proposal and the association to proceed with the work.

Roy Anderson, County Judge.

Attest: Att Griffin County Clerk Roy Anderson County Judge
