A motion was made by Commissioner Roland and seconded by Commissioner Atwood that the following Resolution be adopted.

February 17, 1969

Dear Friends:

At the "Bob-Tail Session" a resolution was adopted by the assembly to increase the fee for registering automobiles to 60¢ "across the board".

The following is a suggested resolution, which I hope you will have your Commissioners Court adopt, and you personally will mail it to your Senator and Representative.

R E S O L U T I O N

Whereas the problems and cost of registering motor vehicles has become more acute in the last twenty years.

Whereas no increase in fees for handling such motor vehicle registrations has been allowed since 1951.

Whereas the cost of employing help has increated tremendously, and the fees now allowed are inadequate to pay the cost of administration plus the storage space and office space used in this work.

Therefore, be it resolved by the Commissioners Court of Johnson County that a copy of this resolution be presented to the legislature, so that they may be aware of our needs.

Passed this the 3 day of March, 1969.

Thos. E. Ball, County Judge

C. W. Atwood, Commissioner

W. T. Boteler, Commissioner

W. R. Bryant, Commissioner
