Tom Lile and Otis J.L.T. Percifield appeared before the Court in regard to Chambers Creek Development Corp. not maintaining 9/10 of a mile of the main thoroughfare road in Lakewoodview 1 & 11 subdivision, and requested the county to take over maintenance of same. Since the Sub=division plat has never been approved by the court nor the road dedicated to the county, they were advised that the road must be brought up to sub-division specifications before the county will accept same. They were also advised to bring Mr. Snider, developer, to the next court meeting for a discussion with him.

The Court accepted the following petition presented by Roy Jones in regard to the Veterans Service Office. The request will be considered at the budget hearing.
