Re: West Bethesda Road from the Burleson City Limits to Tarver Road

It is our Petition that the posted speed limit for West Bethesda Road, between the Burleson City Limits to Tarver Road be reduced from 40 mph to 30 mph. The following owners of the land which abuts this county road have agreed, and have consented by their signature, to the speed reduction. We feel that this speed reduction is necessary for the health and safety of our residents, and the protection of our property, due to the large number of speeding vehicles observed in the area.
