PERMIT IS SUBJECT TO THE FOLLOWING CONDITIONS:

1. **Applicable Laws and Regulations:** The permittee shall comply with all applicable Federal laws and regulations, lease conditions, and with all applicable laws, ordinances, and regulations of the state, county, and municipality wherein the event is located, including, but not limited to, those regarding construction, health, safety, food service, water supply, sanitation, use of pesticides, licenses or permits to do business.
2. **Health and Safety:** The permittee is responsible for taking all reasonable health and safety precautions for the protection of life and property, including participants and spectators. The permittee will also comply with such additional safety precautions as directed by the Operations Project Manager.
3. **Environmental and Cultural Impacts:** The permittee shall exercise due care in the use of the premises so as to minimize the impact on environmental and cultural resources.
4. **Public Use:** Private use of the project lands will not preempt public use of project recreational resources not exclusively covered under this permit.
5. **Non-Discrimination:** Admission to view the activity will be open to the general public without discrimination on the grounds of race, color, religion, national origin, sex or age. Participation in the activity may be limited to members of the sponsoring group provided that the group does not unlawfully discriminate against participation in the activity on grounds of race, color, religion, national origin, sex or age. Request for special activity permits citing "special circumstances" for participation requiring gender or age discrimination must be accompanied by an exceedingly persuasive justification. This may be appropriate for activities such as contact sports and sports such as tennis, golf, or competitive swimming. Fishing tournaments do not qualify for discrimination based on gender.

6. Insurance: The permittee shall meet bonding, insurance, and other requirements as determined by the Operations Project Manager.

7. Damages: The permittee shall repair or replace any property of the United States Government that is damaged or destroyed as a result of, or incidental to, the activity and shall restore the permitted area by 12:00 pm of the day after the completion of the activity. Repairs and restoration shall be completed to the satisfaction of the Operations Project Manager.

8. Government Liability: The United States Government is not responsible for damages to property or injuries to persons which arise from or are incident to the exercise of the privileges herein granted and shall be held harmless from any and all such claims.

9. Cancellation: The Government reserves the right to refuse or cancel any activity or program at any time before or during the activity as determined by the Operations Project Manager, without liability to the Government or its employees.

10. Special Conditions: Special conditions are attached if checked: [X]
