RE: 2015 Budget Request/ Board Members

Judge Harmon:

Please except this letter as the Johnson County Child Welfare Board's request for their 2015 first and second quarter budget draw. We will use these monies to provide for the children of Johnson County.

Linda Russell has resigned from the board after serving five years. We will miss her service to the board. Amanda Odiorne has cleared her background check and has been approved by the board to serve. We now have eight members but would like to have a full capacity of fifteen.

Thank you for caring for the children of Johnson County and for allowing us the privilege of serving.

Sincerely,

Barbara Fuller, Chair

Johnson County Child Welfare Board
