- 12.6 The parties agree to continue performing their duties under this Contract, which are unaffected by the dispute, during the negotiation and mediation process.
- 12.7 If the parties are unable to settle their dispute by mediation, either party may request a contested case hearing under Texas Government Code Section 2260.102.
- 12.8 Nothing in this Article 12 shall be considered as a waiver of sovereign immunity.

representations, promises, agreements, conditions, or understandings, whether oral or written, in any way relating to the subject matter hereof.

13.8 Any alterations, additions, or deletions to the terms of this Contract, except as provided via an approved amendment to the RPC's strategic plan, shall be made by amendment hereto in writing and executed by both parties to this Contract.

Map Update Process

The County shall ensure that the 9-1-1 Child Replica Database is synchronized with the NCTCOG Parent Database on a daily basis⁵ using Web / Geodata Services hosted by NCTCOG. The County shall be responsible for updating all GIS data in the county and municipalities within its jurisdiction as frequently as possible, and all incorporated municipalities on a monthly basis⁶.

Quality Control

The County shall perform Quality Control on their data prior to synchronizing the 9-1-1 Child Replica Database with the NCTCOG Parent Database. The County shall resolve conflicts and problems related to the 9-1-1 GIS data maintained by the County on a daily basis and communicate issues with each of the municipalities within its jurisdiction on a monthly basis. If any issue regarding the GIS data arises in which the County cannot resolve on its own, the County must contact NCTCOG within five business days in order to determine the best course of action to resolve the issue⁷.

Data Backup

At a minimum the County shall: Maintain weekly back-up copies of critical 9-1-1 GIS data, which shall be stored on a removable media device within a secure location⁸.

⁵ NCTCOG will be providing automated processes to ensure synchronization. As of July 2015, Counties will still be required to manually synchronize the database.

⁶ This does not apply to municipalities that take part in direct replication with NCTCOG

⁷ NCTCOG will be supplying QA/QC scripts to assist the County

⁸ NCTCOG will work with each County Addressing Office to automate this backup process

GIS and Addressing Standards

The County shall comply with NENA GIS and Addressing Standards, in particular the following NENA documents can be used as a reference⁹:

- 02-014
- 02-015
- 71-501
- 08-502

The County Addressing Coordinator shall familiarize themselves with the following Next Generation 9-1-1 / i3 NENA Standards documentation:

- 08-002
- 08-751

NCTCOG will supply documentation to each County Addressing Office that will assist the County in "Workflow" processes such as Standard Operating Procedures (SOPs). This documentation will be made available to the County Addressing Office via a secure website and updated on a regular basis. The County shall review this documentation and provide changes, recommendations, or comments to NCTCOG at the end of each quarter of the Financial Year¹⁰

Communication and meetings

The County will attend regularly scheduled meetings at NCTCOG. NCTCOG will aim to host a 9-1-1 GIS / Addressing meeting once per quarter, either at NCTCOG's location or via virtual web technology.

The County Addressing Coordinator shall track County Commissioner's Court and City Council meetings that relate to development and improvement of GIS implementation for emergency services delivery. If an issue arises where either the County commissioner's court or city council takes a course of action that would interfere with or be inconsistent with the data development and maintenance procedures followed by the County, the County needs to notify NCTCOG personnel within two business days.

⁹ A full list of all NENA Standards documentation can be found here: <http://www.nena.org/?page=Standards>

¹⁰ A schedule with exact dates of when to submit changes, recommendations, or comments will be sent to each County Addressing Office
