**INCREASE IN REASONABLE AND NECESSARY FEES
FOR DEVELOPMENT PERMITS AND ON SITE SEWAGE
FACILITY PERMITS**

On September 12, 2005 at 9:00 A.M., the Johnson County Commissioner's Court will consider setting certain reasonable and necessary fees charged by the County through the Public Works department for Development Permits and Certain On Site Sewage Facility (OSSF) Permits. The Commissioners Court will consider reasonable and necessary increases to the fees currently charged for certain permits, as set forth below under the heading Current Fees, to the fees set forth below under Proposed Fees, also set forth below.

The Commissioners Court will also consider requiring a Development Permit for Oil & Gas Well Drill Sites and other Oil & Gas Development Installations, including but not limited to, compressor stations and tank battery locations.

<u>Permit Type</u>	<u>Current Fee</u>	<u>Proposed Fee</u>
Aerobic OSSF	\$450.00	\$475.00
Conventional	\$350.00	\$375.00
Development (To include Oil & Gas Well Development)	\$100.00	\$200.00

The above described hearing shall be had at the meeting of the Johnson County Commissioner's Court at the Guinn Justice Center, 204 South Buffalo Avenue, Third Floor, Auxiliary Courtroom B, Room 307, Cleburne, Texas 76033.
