It grieves me to write this letter, but due to my health I feel I must decline my elected position of Johnson County Treasurer on January 1, 2011.

I enjoyed tremendously my previous 4 terms as treasurer but recovery from stroke will not allow me to continue. I feel that I have served the community with the best of the best and charge you to continue in the same line of service and goodwill in the interest of Johnson County.

I also recommend that you again, consider the appointment of Mrs. Debbie Rice in the appointed position of Johnson County Treasurer.

Respectfully submitted,

Barbara Robinson
