Re: Renewal Options, Independent Professional Financial Audit Services

We appreciate the opportunity to provide audit fee estimates for Johnson County and for Johnson County Juvenile Probation for a potential two year renewal period. We are leaving our audit fee estimates for the year ending September 30, 2013 the same as the audit fee estimates for the year ended September 30, 2012 for both entities and we are showing only a 2% increase in the fee estimate for Johnson County for the audit year ending September 30, 2014.

Please let us know if you have any questions or if any additional information is needed.
