

AMMONIUM NITRATE IN TEXAS BEST PRACTICES FORUM

**HOSTED BY JOHNSON COUNTY AND
THE STATE FIRE MARSHAL'S OFFICE**

April 24, 2014

6:00 PM

**Cleburne Conference Center
1501 W. Henderson St.
Cleburne, TX 76033**

Joining the hosts will be representatives from the Texas Division of Emergency Management, Texas Department of State Health Services, Texas Office of the State Chemist, and Texas A&M Engineering and Extension Service. The purpose of the meeting is to review best practices for storage of AN with facility management, and response techniques and strategies of first responders to these type of incidents. These Texas agencies want to see what assistance local officials need to help prevent an AN incident impacting their community.

TEEX will be onsite and provide a certificate for the training hours.
