Hon. Judge and Commissioners:

Chapter 170.002 LGC, an honorably retired peace officer may purchase the firearm that had been previously issued to him for an amount not to exceed fair market value. In order for Deputy Marshall Whitlock to proceed with the purchase of his county-issued firearm, a Sig Sauer P226, .357 caliber, I have done research to determine the price that would be within this parameter.

As I am not an expert in this area, I have relied upon the help of others with the necessary knowledge and have done my own research. It is determined that the subject firearm is can be purchased for \$350. This price does not exceed the fair market value.

Please let me know if you have any questions.

Sincerely,

J. R. Kirkpatrick
