ATTACHMENT A
Schedule of Standard Charges for Interlocal Agreements
Johnson County, Texas

RE: Describe work to be performed

1.	Materials Item	Bid Cost per (ton, gallon, etc.)
	<u>CRS-2</u>	@\$ <u>2.2836</u> per gallon for a total of <u>2,500</u> gallons *
		Total Material Cost \$ <u>5,709.00</u> **

***Note:** In entering this Interlocal Agreement, Johnson County and the City of Grandview agree and understand that the City of Grandview will take possession of the CRS-2 in varying amounts throughout the year rather than at one time and that the price per gallon for the CRS-2 may increase from the bid cost per gallon listed above after execution of this Interlocal Agreement and before the City of Grandview has taken possession of the total amount of 2,500 gallons; and therefore, Johnson County and the City of Grandview further agree and understand that in the event the bid cost per gallon stated above does increase and Johnson County pays a price per gallon in excess of the bid cost listed above, that Johnson County will invoice the City of Grandview at the bid cost per gallon most recently paid by Johnson County for the CRS-2 prior to possession by the City of Grandview without the necessity of amending this Interlocal Agreement.

**** Note:** Total Material Cost may increase if the bid cost per gallon of the CRS-2 increases prior to the City of Grandview taking possession of the total amount of 2,500 gallons of the CRS-2.
