Re: Johnson County – Workers’ Compensation Program Renewal Questionnaire

Thank you for participating in TAC Risk Management Pool’s Workers’ Compensation Program. As we prepare your January 1, 2016 renewal, there are a few questions we need you to answer so that we can provide you the most comprehensive and cost effective Workers’ Compensation Coverage possible. To ensure that we have up-to-date information, please fill out each tab of the attached questionnaire completely and make any changes directly to the document. You can also provide supplemental sheets as necessary. Please note that omitted information may result in an exclusion from coverage.

The Interlocal Participation Agreement, Section 4. Annual Contribution, 4.01 requires that the member timely submit to the Pool documentation necessary for the Pool to properly underwrite the renewal.

Please complete the Workers’ Compensation Renewal Questionnaire and return it and any supplemental documents by September 30, 2015:

- Estimated Payroll – Please use the Estimated Payroll tab in the Excel worksheet to update your payroll and employee count by classification. This tab includes your 2015 estimated payroll plus a 2% increase. If you do not return the worksheet with updated payroll information, your renewal will be processed with the 2015 estimated payroll plus 2% as listed in the worksheet.
- Optional Coverages – This tab is used to report your decisions regarding optional coverage for certain categories of personnel and volunteers. Please note the instructions regarding how to report payroll for optional coverages.
- Employee Concentration – This tab is to report the number of employees working within each of your buildings.
- Aircraft and Pilot – This tab only needs to be completed if you own or lease an aircraft or if you employ any pilots.
