Attention: Bill Moore, Johnson County Attorney

Dear Sir,

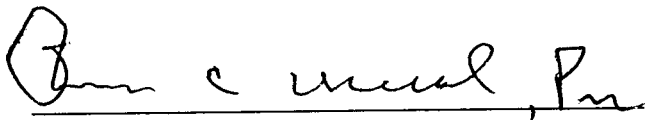

As we discussed I am ready to release any right to the two buildings on the north parking lot of Bank of America and next to Chaf Inn.

This property was deeded to Johnson County by Holly Rentals, Inc. with a 99 year reversion if not used for the same purpose or not used by the county for one year or longer. The lot is worth more to the county with the two buildings removed.

You have our consent to remove the buildings to increase the available parking space.

Respectfully,

Thomas C. Hazlewood-President

Holly Rentals, Inc.
