(Purchasing Agreement Additional Provisions)

These Additional Provisions are part of an Agreement between **Johnson County, Texas**, a political subdivision of the State of Texas, (hereinafter referred to as "**County**" or "**Customer**"), and **Kronos Incorporated** ("**Kronos**") ("**US Communities Contract**"). The US Communities Contract along with the Purchasing Agreement Additional Provisions shall constitute the entire and complete Agreement between the Parties.

1. This Agreement will be governed by and construed according to the laws of the State of Texas. Venue for any action or claim arising out of the Agreement must be in the state district courts in Johnson County, Texas or the federal district courts in Dallas County, Texas. Any provision stating that County agrees to waive any right to trial by jury is hereby deleted.
2. Limitations for the right to bring an action, regardless of form, shall be governed by the laws of the State of Texas, Texas Civil Practice and Remedies Code §16.070, as amended, and any provision to the contrary is hereby deleted.

Johnson County will, upon request of a party to the contract, certify the funds available to fulfill the terms of this Agreement.
4. The Parties agree that under the Constitution and laws of the State of Texas, Johnson County cannot enter into an agreement whereby Johnson County agrees to indemnify or hold harmless any other party; therefore, all references of any kind to Johnson County indemnifying and holding harmless any individuals or entities for any reason whatsoever are hereby deleted.
5. The Parties agree and understand that County is a political subdivision of the State of Texas, and therefore has certain governmental immunity, sovereign immunity and limitations on liability,

and that County's general liability and vehicle insurance coverage is with the Texas Association of Counties Risk Pool and said insurance coverage is limited to the statutory maximum limits of the Texas Tort Claims Act; therefore, any provisions to the contrary are hereby deleted. Kronos may change the annual support charges for Equipment support services effective at the end of the initial one (1) year term or effective on the Renewal Date, by giving Customer at least thirty (30) days prior written notification.

10. SERVICE LEVEL AGREEMENT

Kronos shall: (a) provide basic support for the Services at no additional charge, (b) use commercially reasonable efforts to make the Services available 24 hours a day, 7 days a week, except for: (i) planned downtime (when it shall give at least 8 hours notice via the Services and shall schedule to the extent practicable during the weekend hours from 6:00 p.m. Friday to 3:00 a.m. Monday, Eastern Time), or (ii) any unavailability caused by circumstances beyond Kronos' reasonable control, including without limitation, acts of nature, acts of government, floods, fires, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving Kronos employees), internet service provider failures or delays, or denial of service attacks, and (iii) provide Services in accordance with applicable laws and government regulations.

11. LIMITED WARRANTY; DISCLAIMERS OF WARRANTY

11.1 Kronos represents and warrants to Customer that the Services, under normal operation as specified in the Documentation and when used as authorized herein, will perform substantially in accordance with such Documentation during the Term.

11.2 Kronos' sole obligation and Customer's sole and exclusive remedy for any breach of the foregoing warranty is limited to Kronos' reasonable commercial efforts to correct the non-conforming Services at no additional charge to Customer. In the event that Kronos is unable to correct material deficiencies in the Services arising during the Warranty Period, after using Kronos' commercially reasonable efforts to do so, Customer shall be entitled to terminate the then remaining Term of the Agreement as Customer's sole and exclusive remedy. Kronos' obligations hereunder for breach of warranty are conditioned upon Customer

notifying Kronos of the material breach in writing, and providing Kronos with sufficient evidence of such non-conformity to enable Kronos to reproduce or verify the same.

11.3 Kronos warrants to Customer that each item of Equipment shall be free from defects in materials and workmanship during the Warranty Period. In the event of a breach of this warranty, Customer's sole and exclusive remedy shall be Kronos' repair or replacement of the deficient Equipment, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Documentation for such Equipment. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) in the event of:

- (a) damage, defects or malfunctions resulting from misuse, accident, neglect, tampering, (including without limitation modification or replacement of any Kronos components on any boards supplied with the Equipment), unusual physical or electrical stress or causes other than normal and intended use;
- (b) failure of Customer to provide and maintain a suitable installation environment, as specified in the published specifications for such Equipment; or
- (c) malfunctions resulting from the use of badges or supplies not approved by Kronos.

EXCEPT AS PROVIDED FOR IN THIS SECTION 11, KRONOS HEREBY DISCLAIMS ALL WARRANTIES, CONDITIONS, GUARANTIES AND REPRESENTATIONS RELATING TO THE SERVICES, EXPRESS OR IMPLIED, ORAL OR IN WRITING, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WHETHER OR NOT ARISING THROUGH A COURSE OF DEALING. THE SERVICES ARE NOT GUARANTEED TO BE ERROR-FREE OR UNINTERRUPTED. EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT, KRONOS MAKES NO WARRANTIES OR REPRESENTATIONS CONCERNING THE COMPATIBILITY OF THE SERVICES, THE SAAS APPLICATIONS OR THE EQUIPMENT NOR ANY RESULTS TO BE ACHIEVED THEREFROM.

12.0 DATA SECURITY

12.1 As part of the Services, Kronos shall provide administrative, physical, and technical safeguards for the protection of the security, confidentiality and integrity of Customer data. Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

12.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under the Agreement or as required by law.

12.3 Prior to initiation of the Services under the Agreement and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Services. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

13. INDEMNIFICATION

13.1 Kronos shall defend Customer and its respective directors, officers, and employees (collectively, the "Customer Indemnified Parties"), from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "Claim") alleging that the permitted uses of the Services infringe or misappropriate any United States or Canadian copyright or patent and will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claim by a court of applicable jurisdiction or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Services by reason of

infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in the Agreement, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Agreement and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of the Agreement. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall defend Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors (collectively, the "**Kronos Indemnified Parties**") harmless, from and against any and all Claims alleging that: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise. Kronos will cooperate fully at Customer's expense with Customer in the defense, settlement or compromise of any such action. Customer will indemnify and hold harmless the Kronos Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claims by a court of applicable jurisdiction or as a result of Customer's settlement of such a Claim.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 EXCEPT AS SPECIFICALLY PROVIDED IN THIS AGREEMENT, KRONOS AND ITS SUPPLIERS WILL NOT BE LIABLE FOR ANY DAMAGES OR INJURIES CAUSED BY THE USE OF THE SERVICES OR BY ANY ERRORS, DELAYS, INTERRUPTIONS IN TRANSMISSION, OR FAILURES OF THE SERVICES.

14.2 EXCEPT FOR KRONOS' INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 13 ABOVE, THE TOTAL AGGREGATE LIABILITY OF KRONOS OR KRONOS' SUPPLIERS TO CUSTOMER AND/OR ANY THIRD PARTY IN CONNECTION WITH THE AGREEMENT SHALL BE LIMITED TO DIRECT DAMAGES PROVEN BY CUSTOMER, SUCH DIRECT DAMAGES NOT TO EXCEED AN AMOUNT EQUAL TO THE TOTAL NET PAYMENTS RECEIVED BY KRONOS FOR THE SERVICES IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE DATE IN WHICH SUCH CLAIM ARISES.

14.3 EXCEPT FOR KRONOS' INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 13 ABOVE, IN NO EVENT SHALL KRONOS OR KRONOS' SUPPLIERS, THEIR RESPECTIVE AFFILIATES, SERVICE PROVIDERS, OR AGENTS BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR ANY INCIDENTAL, SPECIAL, PUNITIVE, CONSEQUENTIAL OR OTHER INDIRECT DAMAGES OR FOR ANY LOST OR IMPUTED PROFITS OR REVENUES, LOST DATA OR COST OF PROCUREMENT OF SUBSTITUTE SERVICES RESULTING FROM DELAYS, NONDELIVERIES, MISDELIVERIES OR SERVICES INTERRUPTION, HOWEVER CAUSED, ARISING FROM OR RELATED TO THE SERVICES OR THE AGREEMENT, REGARDLESS OF THE LEGAL THEORY UNDER WHICH SUCH LIABILITY IS ASSERTED, WHETHER BREACH OF WARRANTY, INDEMNIFICATION, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, AND WHETHER LIABILITY IS ASSERTED IN CONTRACT, TORT OR OTHERWISE, AND REGARDLESS OF WHETHER KRONOS OR SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF ANY SUCH LIABILITY, LOSS OR DAMAGE.

14.4 EXCEPT WITH RESPECT TO LIABILITY ARISING FROM KRONOS' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, KRONOS DISCLAIMS ANY AND ALL LIABILITY, INCLUDING WITHOUT LIMITATION LIABILITY RELATED TO A BREACH OF DATA SECURITY AND CONFIDENTIALITY OBLIGATIONS, RESULTING FROM ANY EXTERNALLY INTRODUCED HARMFUL PROGRAM (INCLUDING WITHOUT LIMITATION VIRUSES, TROJAN HORSES, AND WORMS), CUSTOMER'S CONTENT OR APPLICATIONS, THIRD PARTY UNAUTHORIZED ACCESS OF EQUIPMENT, SAAS APPLICATIONS OR SYSTEMS, OR MACHINE ERROR.

15. CONFIDENTIAL INFORMATION

15.1 Each Party shall protect the Confidential Information of the other Party with at least the same degree of care and confidentiality, but not less than a reasonable standard of care, which such Party utilizes for its own information of similar character that it does not wish disclosed to the public. Neither Party shall disclose to third parties the other Party's Confidential Information, or use it for any purpose not explicitly authorized herein, without the prior written consent of the other Party. The obligation of confidentiality shall survive for five (5) years after the return of such Confidential Information to the disclosing party or five (5) years after the expiration or termination of the Agreement, whichever is later, as applicable.

15.2 Notwithstanding the foregoing, a party may disclose Confidential Information to the extent required: (a) to any subsidiary or affiliate of such Party, or (b) to any consultants, contractors, and counsel who have a need to know in connection with the Agreement and have executed a non-disclosure agreement with obligations at least as stringent as this Section 15, or (c) by law, or by a court or governmental agency, or if necessary in any proceeding to establish rights or obligations under the Agreement; provided, the receiving party shall, unless legally prohibited, provide the disclosing party with reasonable prior written notice sufficient to permit the disclosing party an opportunity to contest such disclosure. If a party commits, or threatens to commit, a breach of this Section 15, the other party shall have the right to seek injunctive relief from a court of competent jurisdiction.

15.3 This Agreement imposes no obligation upon either Party with respect to the other Party's Confidential Information which the receiving Party can establish: (a) is or becomes generally known through no breach of the Agreement by the receiving party, or (b) is already known or is independently developed by the receiving party without use of or reference to the Confidential Information.

16. EXPORT

Customer understands that any export of the Equipment may require an export license and Customer assumes full responsibility for obtaining such license. Customer must obtain Kronos' prior written consent before exporting the Equipment.

17. GENERAL

17.1 This Agreement shall be governed by and construed in accordance with the laws of the state, province and country in which Kronos is incorporated without regard to any conflict of law provisions. The parties waive the application of the United Nations Commission on International Trade Law and United Nations Convention on Contracts for the International Sale of Goods as to the interpretation or enforcement of the Agreement and waive and "opt out" of the Uniform Computer Information Transactions Act (UCITA), or such other similar law.

17.2 The invalidity or illegality of any provision of the Agreement shall not affect the validity of any other provision. The parties intend for the remaining unaffected provisions to remain in full force and effect.

17.3 Customer shall not assign the Agreement or the rights to use the Services without the prior written consent of Kronos and any purported assignment, without such consent, shall be void.

17.4 Neither Party shall be responsible for any failure to perform or delay in performing any of its obligations under this Agreement (other than a failure to comply with payment obligations) where and to the extent that such failure or delay results from an unforeseeable event beyond a party's reasonable control, including but not limited to, acts of war; acts of nature; earthquake; flood; embargo; riot; sabotage; labor shortage or dispute; changes in government codes, ordinances, laws, rules, regulations or restrictions; failure of the Internet; terrorist acts; failure of data, products or services controlled by any third party, including the providers of communications or network services; utility power failure; material shortages or unavailability or other delay in delivery not resulting from the responsible party's failure to timely place orders therefor, or lack of or delay in transportation (each a "Force Majeure Event").

17.5 All notices given under the Agreement shall be in writing and sent postage pre-paid, if to Kronos, to the Kronos address on the Order Form, or if to Customer, to the billing address on the Order Form.

17.6 No action regardless of form, may be brought by either party more than two (2) years after the cause of action has arisen.

17.7 The section headings herein are provided for convenience only and have no substantive effect on the construction of the Agreement.

17.8 The parties agree that if the Agreement is accepted by the parties and that acceptance is delivered via fax or electronically delivered via email or the internet it shall constitute a valid and enforceable agreement.

17.9 Use of the Service includes the ability to enter into agreements and/or to make transactions electronically. CUSTOMER ACKNOWLEDGES THAT WHEN IT INDICATES ACCEPTANCE OF AN AGREEMENT AND/OR TRANSACTION ELECTRONICALLY, THAT ACCEPTANCE WILL CONSTITUTE ITS LEGAL AGREEMENT AND INTENT TO BE BOUND BY AND TO PAY FOR SUCH AGREEMENTS AND TRANSACTIONS. THIS ACKNOWLEDGEMENT THAT CUSTOMER INTENDS TO BE BOUND BY SUCH ELECTRONIC ACCEPTANCE APPLIES TO ALL AGREEMENTS AND TRANSACTIONS CUSTOMER ENTERS INTO THROUGH THE SERVICE, SUCH AS ORDERS, CONTRACTS, STATEMENTS OF WORK, AND NOTICES OF CANCELLATION.

17.10 This Agreement and any information expressly incorporated by reference herein, together with the applicable Order Form, constitute the entire agreement between the parties for the Services described herein and supersede all prior or contemporaneous representations, negotiations, or other communications between the parties relating to the subject matter of this Agreement. This Agreement may be amended only in writing signed by authorized representatives of both parties. Customer understands and acknowledges that while Kronos may disclose to customers certain confidential information regarding general Service or product development direction, potential future Services, products or product enhancements under consideration, Customer is not entitled to any Services, products or product enhancements other than those contained on the Order Form. Customer has not relied on the availability of any future version of the Services (including SaaS Applications or equipment) identified on an Order Form, nor any other future product in executing the Agreement.

End User License Agreement for BSI On-Demand Service

1. Sublicense. Subject to the terms and conditions of this End User License Agreement, Kronos Incorporated ("Kronos") grants Customer the non-exclusive and non-transferrable right to access and use the On-Demand Service(s) set forth on the applicable Order Form, as made available to Kronos through its third party licensor Business Software, Inc. ("BSI"), in conjunction with Customer's licensed use of Kronos' Workforce Ready Software. This Sublicense includes Customer's right to use all applicable user documentation made available to Kronos by BSI for such On-Demand Service(s). Customer acknowledges and agrees that BSI is the exclusive provider of the On-Demand Service(s) and is a third party beneficiary of this Sublicense Agreement. Customer agrees that Kronos or BSI may directly enforce all such terms and conditions herein against Customer as if Customer had entered into such Sublicense Agreement with BSI. This Sublicense Agreement is revocable based on Customer breach, and Kronos or BSI shall be entitled to injunctive relief, upon the breach of any material term, condition or obligation set forth therein.

Notwithstanding anything to the contrary set forth herein, the parties agree that Customer may allow its Affiliates, including but not limited to subsidiary and affiliated entities that have separate and/or multiple FEINs from Customer, to access and use the On-Demand Service(s) to be provided hereunder, solely for the internal business purposes of processing, reporting and filing Customer's and its Affiliates' data and for no other purpose whatsoever; provided that each such Affiliate is contractually bound by the terms and conditions of this Agreement and Customer ensures that each such Affiliate complies therewith. Customer assumes full responsibility and liability for any actions or omissions on the part of its Affiliates. Moreover, Customer agrees to defend, indemnify and hold Kronos and its third party licensor, BSI, harmless from any claims, losses, actions or damages relating to or arising from the use of the On-Demand Service(s) by such Affiliates.

2. Term and Termination. The Services shall be deemed to start on the earlier of: a) ninety (90) days from Kronos' receipt of the relevant Order Form; or, b) the date Customer is authorized to "go live" with the Services for production purposes, (the "Start Date") and shall continue for a minimum of one (1) year and shall be automatically renewable except in the event that either party provides written notice of non-renewal within sixty (60) days of the anniversary date of the present term. This Agreement is coterminous with, and will automatically terminate upon, the termination or expiration for any reason of, the license granted to Customer to access and use the Workforce Ready Software. Kronos may suspend or terminate the Services or the Agreement upon a material breach of the Agreement by the Customer if such breach is not cured within fifteen (15) days after receipt of written notice. Notwithstanding the foregoing, Kronos may suspend or terminate the Services or the Agreement immediately upon notice in the event of any Customer breach of Sections 1, 4, 8-10 of this Agreement. In the event that either party becomes insolvent, makes a general assignment for the benefit of creditors, is adjudicated a bankrupt or insolvent, commences a case under applicable bankruptcy laws, files a petition seeking reorganization, the other party may request adequate assurances of future performance. Failure to comply with such request within ten (10) days of delivery of the request shall entitle the requesting party to terminate the Agreement immediately upon written notice to the other.

If the Agreement is terminated for any reason:

(a) Customer shall pay Kronos within thirty (30) days all fees accrued for the Services prior to the date of termination; (b) Customer's right to access and use the Services shall be revoked and be of no further force or effect; (c) Within fifteen (15) days of termination Customer will retrieve Customer's historical data in accordance with previously established system access procedures and applicable state and federal laws. After such time period, Kronos shall have no further obligation to store and/or make available Customer's

historical data and may delete same. If Customer requires additional data conversion services from Kronos, these services may be contracted from Kronos at Kronos' then published rates. (d) Customer agrees to timely return all Kronos-provided materials related to the Services to Kronos at Customer's expense or, alternatively, upon prior written approval of Kronos, provide Kronos with an officer's certification of the destruction thereof; and (e) all provisions in the Agreement, which by their nature are intended to survive termination, shall so survive.

3. Fees. In consideration of the delivery of the Services, Customer shall pay Kronos the Monthly Service Fees, the Training Fees and any additional one time or recurring fees relating to the On-Demand Services as set forth on the Order Form. All fees payable for the Services shall be sent to the attention of Kronos as specified on the invoice. Unless otherwise indicated on an Order Form, payment for all items shall be due 30 days following date of invoice. Except as expressly set forth in this Agreement, all amounts paid to Kronos are non-refundable. Customer is responsible for all applicable federal, state, country, provincial or local taxes relating to the Services (including without limitation GST and/or VAT if applicable), excluding taxes based on Kronos' income or business privilege. If any amount owing under this or any other agreement for Services is thirty (30) or more days overdue, Kronos may, without limiting Kronos' rights or remedies, suspend Services until such amounts are paid in full. Kronos will provide at least seven (7) days' prior written notice that Customer's account is overdue before suspending Services. After the later of (i) one (1) year after the effective date of this Agreement, or (ii) expiration of the Initial Term, Kronos may change the Monthly Service Fee rates no more frequently than once per calendar year by notifying Customer in writing at least sixty (60) days prior to the effective date of such rate increase.

4. Sublicense Restrictions. Customer acknowledges and agrees that the right to use the On-Demand Service(s) is limited based upon the amount of the Monthly Service Fees paid by Customer. Customer agrees to use only the modules and/or features for the number of Authorized Users as described on the Order Form. Customer may not license, sublicense or sublicense the On-Demand Services, or otherwise permit use of the On-Demand Services (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Services without the express prior written consent of Kronos. No license, right, or interest in any Kronos trademark, trade name, or service mark, or those of Kronos' licensors or Suppliers, is granted hereunder. Customer may only allow its Authorized Users to access and use the On-Demand Service(s) in conjunction with Kronos' Workforce Ready Software and only for Customer's internal business purposes of processing, reporting and filing Customer's data and for no other purpose whatsoever. Customer acknowledges and agrees that Kronos or BSI may suspend access to an On-Demand Service, at any time, if Kronos or BSI believes (a) the use of same represents a threat to BSI's or its third party providers' network function or integrity; (b) for online service maintenance; (c) for non-payment; or (d) if required by law.

5. Customer Data. Customer shall own all Customer Data and posts or other inputs into the On-Demand Services by Customer or others acting on behalf of or through Customer. Kronos acknowledges that all of the Customer Content is deemed to be the Confidential Information of Customer. Notwithstanding the foregoing, Customer hereby grants Kronos and BSI and those third party providers used by Kronos or BSI in the provision of the On-Demand Services, the non-exclusive, worldwide right to access, use, copy, transmit, process and display Customer Data, solely to facilitate the provision, operation and support of an On-Demand Service. Customer acknowledges and agrees that Customer Data may be transferred for such purposes outside of the country or other jurisdiction where such Customer is located.

6. Customer Obligations. Customer accepts sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness and copyright of all Customer Data. Customer shall provide and maintain its own Internet access and all necessary telecommunications equipment, software and other materials at its location necessary to access and use an On-Demand Service.

7. Kronos Obligations. Kronos shall use commercially reasonable, industry standard, efforts to make each On-Demand Service available and accessible to Authorized Users of a Customer and, provided Customer adheres to the support procedures described in Exhibit 1 hereto, apply any maintenance support to an On-Demand Service (including but not limited to updates and changes) at no charge to Customer as such maintenance support is made available by BSI to Kronos. Customer agrees that Kronos may install such updates automatically as part of the On-Demand Service. Customer acknowledges and agrees that from time to time an On-Demand Service may be inaccessible or inoperable for various reasons, including periodic maintenance procedures or upgrades ("Scheduled Downtime"), malfunctions in an On-Demand Service and causes beyond the control of, or not reasonably foreseeable by, BSI or its third party providers, including acts of God, acts of government, acts of terror, strikes or other labor problems, the interruption or failure of telecommunication or digital transmission links, hostile network attacks or network congestion or other failures (collectively "Downtime"). BSI shall provide at least twenty-four (24) hours advance notice to customer and Customers in the event of any Scheduled Downtime. Training shall be available for Customers' Authorized Users in the capabilities and use of the On-Demand Service(s) based on BSI's then current rates and terms therefor. **Confidentiality.** Each Party acknowledges that it may have access to, or receive, information or material of the other, related to, among other things, such Party's business, products, support or services, that is (i) confidential or proprietary or of value to such other Party; or (ii) a trade secret of such Party, deriving economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use (collectively "Proprietary Information"). BSI's Proprietary Information includes, but is not limited to, its documentation, formulas, methods, know-how, processes, designs, products, proposed products, training methodology, training materials, information disclosed during training, services, developmental work, marketing requirements, marketing plans, customer names, prospective customer names, the On-Demand Services, the Access Protocols, Support, Vendor Support, information located in the secured portions of BSI's website, the terms and pricing under this Agreement and all information related to the foregoing. Except as otherwise provided herein, each Party covenants that it will not reveal, disclose, or make available, in any manner or form, any portion of the other Party's Proprietary Information, or any information related thereto, to any person, other than its employees, agents, contractors and advisors, but only if (i) such disclosure is on a need-to-know and confidential basis; and (ii) the recipient of such disclosure is (a) not a Direct Competitor of the other Party; and (b) is located in the United States of America. In connection with the foregoing, each Party shall ensure, via lawfully binding written contract, that any person to whom it is permitted to disclose, reveal, deliver, assign or transfer any portion of the other Party's Proprietary Information agrees to obligations of confidentiality, nondisclosure and limitations on use, which are consistent with, and no less protective than, those set forth herein, and each Party agrees to be responsible to the other for any breach of said obligations by the recipient of such Party's disclosure. The foregoing obligations will not apply if and to the extent that: (i) the information was already known to the non-disclosing Party ("Recipient"), without obligation to keep it confidential, as evidenced by such Party's own written records created prior to its receipt of the information from the disclosing Party ("Owner"); (ii) the information was received by Recipient in good faith from a third party lawfully in possession thereof and having no obligation to keep such information confidential; (iii) the information is independently developed by Recipient without use of any Proprietary Information received from Owner; (iv) the information was or becomes publicly known other than by a breach of this Agreement or other action by Recipient; (v) the

information was approved for disclosure by written agreement of the Parties after its disclosure to Recipient; or (vi) the information is disclosed by Recipient pursuant to a requirement of a governmental agency or by operation of law, but only if Recipient has first exhausted all reasonable legal remedies for maintaining the confidentiality and non-disclosure of such information, which will include giving Owner as much advance notice of the possibility of such disclosure as practical so that the Owner may also attempt to stop such disclosure or obtain a protective order concerning such disclosure. If such a protective order or other remedy for maintaining the confidentiality of Owner's Proprietary Information is not obtained, or if Owner waives compliance with the provisions hereof, Recipient agrees to disclose only that portion of Owner's Proprietary Information which Recipient is advised by opinion of legal counsel is legally required to be disclosed.

8. Customer Representations and Warranties. Customer represents and warrants that it shall not: (i) make an On-Demand Service available to anyone other than an Authorized User; (ii) license, sell, rent, lease, transfer, assign, distribute, host, outsource, or otherwise commercially exploit, an On-Demand Service; (iii) use an On-Demand Service in a manner that could harm or impair another's use of, or in an attempt to gain unauthorized access to, any service, data, account or network; (iv) use any automated process or service to access or use an On-Demand Service, such as a BOT, spider or periodic caching of information stored by BSI, or falsify any e-mail header information when using an On-Demand Service; (v) remove, modify or tamper with any regulatory or legal notice or link that is incorporated into an On-Demand Service; (vi) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of an On-Demand Service or access or use an On-Demand Service in order to directly or indirectly support, maintain, enhance, improve, modify or develop a similar or competitive product, service or offering; (vii) copy, reproduce, republish, download, post or transmit, by any form or means, any part of an On-Demand Service; (viii) access, read, view, extract, add to, delete, mine or modify any data made available by BSI and set forth in any database contained in an On-Demand Service; (ix) transmit, re-transmit or store materials on or through an On-Demand Service that are harmful to any portion of such On-Demand Service or in violation of any applicable laws or regulations, including, without limitation, laws relating to infringement of intellectual property and the proprietary rights of others; (x) utilize less than industry standard security measures, including, at a minimum, and, without limitation, maintenance of firewalls, intrusion prevention systems and other standard technological protections, to restrict any person other than an Authorized User from accessing an On-Demand Service; or (xi) fail to comply with any applicable local, state, national and foreign laws, treaties, regulations and conventions in connection with its use of an On-Demand Service, including, without limitation, those related to data privacy, international communications, and the exportation of technical or personal data from locations other than the location from which the On-Demand Service is controlled, operated or provided.

9. Infringement. If a third party makes a claim against Customer that an On-Demand Service directly infringes any United States patent or copyright or trademark ("IP Claim"), Kronos will defend Customer against the IP Claim and pay any and all costs, damages and expenses (including reasonable legal fees) finally awarded against Customer by a court of competent jurisdiction or agreed to in a written settlement agreement signed by BSI directly arising out of such IP Claim; provided that: (i) Customer promptly asserts a claim or demand in writing for defense and indemnification to Kronos no later than ten (10) days after Customer's receipt of notification of a potential claim; (ii) Kronos may assume sole control of the defense of such claim and all related settlement negotiations; and (iii) Customer provides Kronos with the assistance, information and authority necessary to defend, respond, investigate and/or resolve such claim. However, to the extent that an IP Claim arises from Kronos' or BSI's adherence to Customer's express instructions or from any materials provided to Kronos or BSI by Customer, Customer shall indemnify and defend Kronos

against any and all losses, damages, liabilities, fines, penalties, and expenses (including reasonable legal fees) resulting directly therefrom. Notwithstanding the foregoing, neither Kronos nor BSI will have any liability for any claim of infringement based on the combination of an On-Demand Service (or any part thereof) with products, systems or services not provided by Kronos or BSI; the modification of an On-Demand Service (or any part thereof) by any person other than Kronos or BSI or, even if by Kronos or BSI, in order to comply with or base them upon: (1) designs provided by or at the direction of Customer; or (2) specifications or other information provided by or at the direction of Customer; or use of an On-Demand Service (or any part thereof) in a manner not permitted or contemplated hereunder or in contravention of any law, rule or regulation or any obligation of Customer to Kronos. If, due to an IP Claim or the threat of an IP Claim, (i) an On-Demand Service (or part thereof) is held by a court of competent jurisdiction, or in Kronos' reasonable judgment may be held, to infringe by such a court, or (ii) Customer receives a valid court order enjoining Customer from using any part of an On-Demand Service, or in Kronos' reasonable judgment Customer may receive such an order, Kronos will, in its reasonable judgment, and at its expense, (a) procure for Customer the right to continue using such On-Demand Service (or part thereof) or (b) replace or modify such On-Demand Service (or part thereof) to make it noninfringing while yielding substantially equivalent results. If neither of the above options are or would be available on a basis that Kronos believes to be commercially reasonable, then Kronos may terminate this Agreement. This Section states Kronos' entire liability and Customer's exclusive remedy for any claim of infringement.

Customer shall defend Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors (collectively, the "**Kronos Indemnified Parties**") harmless, from and against any and all Claims alleging that: (a) Customer's use of the Services or that of Customer's employees, agents or subcontractors or others who have access to the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise. Kronos will cooperate fully at Customer's expense with Customer in the defense, settlement or compromise of any such action. Customer will indemnify and hold harmless the Kronos Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claims by a court of applicable jurisdiction or as a result of Customer's settlement of such a Claim.

10. Representations, Warranties & Indemnity. Kronos warrants that it (i) has the power and authority to enter into this Agreement; (ii) will provide the On-Demand Service(s) in a manner consistent with generally accepted industry standards; (iii) will notify Customer promptly upon discovery of any unauthorized use, copying or disclosure of Customer Data and will reasonably cooperate with Customer in the investigation and prosecution of same; and (iv) each On-Demand Service, when Properly Interfaced, will perform substantially in accordance with its documentation under normal use. **EXCEPT AS OTHERWISE SET FORTH HEREIN, TO THE GREATEST EXTENT PERMITTED BY APPLICABLE LAW, THE ON-DEMAND SERVICES ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EXPRESS, IMPLIED, CONTRACTUAL, STATUTORY OR OTHERWISE. THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUALITY**

OF SERVICE AND NON-INFRINGEMENT, AND ALL SUCH OTHER WARRANTIES, ARE HEREBY EXPRESSLY DISCLAIMED BY KRONOS, BSI AND THEIR THIRD PARTY PROVIDERS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, KRONOS, BSI AND THEIR THIRD PARTY PROVIDERS DO NOT REPRESENT OR WARRANT THAT (I) THE OPERATION OR USE OF THE ON-DEMAND SERVICE(S) WILL BE TIMELY, SECURE, UNINTERRUPTED OR ERROR-FREE; (II) THE ON-DEMAND SERVICE(S) WILL CONNECT, OR BE COMPATIBLE WITH, VENDOR'S OR CUSTOMERS' SYSTEMS, NETWORK OR ENVIRONMENT; OR (III) THE ON-DEMAND SERVICE(S), OR THE SYSTEMS THAT MAKE THEM AVAILABLE, WILL BE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. CUSTOMER ACKNOWLEDGES THAT (A) KRONOS, BSI AND THEIR THIRD PARTY PROVIDERS CANNOT CONTROL, OR GUARANTEE THE PRIVACY, SECURITY, AUTHENTICITY OR NON-CORRUPTION OF, ANY INFORMATION TRANSMITTED THROUGH, OR STORED IN ANY SYSTEM CONNECTED TO, COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, AND (B) ACCESS TO THE ON-DEMAND SERVICE(S) MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET. Upon breach of any warranty contained in this Section, (i) Customer's sole and exclusive remedy will be to require Kronos to exercise commercially reasonable efforts to repair or replace the nonconforming portion of the On-Demand Service, and (ii) Kronos' obligation will be limited to exercising commercially reasonable efforts to repair or replace the nonconforming portion of the On-Demand Service, or if Kronos fails to make such repair or replacement in a commercially reasonable time frame or such repair or replacement is commercially impracticable, then making an equitable refund of a portion of the fees paid by Customer with respect to the nonconforming portion of such On-Demand Service.

11. Limitation of Liability. Any other provision of this Agreement to the contrary notwithstanding, the aggregate and cumulative liability of Kronos, BSI and their third party providers for any losses or damage, whether direct or indirect, arising out of this Agreement from any cause whatsoever, including, without limitation, any cause of action sounding in contract, tort or strict liability, will be limited to actual, direct damages incurred, but in no event will exceed the total amount actually paid by Customer in the twelve (12) month period immediately preceding the event giving rise to such claim (the "Liability Cap"). Neither Kronos, BSI nor any of their third party providers will be liable for lost profits or other consequential damages, cover damages, or for any claims against Customer by a Customer or any other third party, even if any such party was advised of the possibility of same. Under no circumstances will Kronos, BSI or any of their third party providers be liable hereunder for special damages, general damages, incidental damages, indirect damages, or exemplary or punitive damages. Anything in this Agreement to the contrary notwithstanding, Customer acknowledges and agrees that Customer will be solely responsible for the use and operation of the On-Demand Services and the use and accuracy of all output resulting from such use or operation (including, without limitation, the accuracy of taxes located by the On-Demand Services, and the timeliness and accuracy of all tax calculations, payments, filings and reports, except to the extent directly caused by detectable defects or errors in the On-Demand Service that were not the result of inaccurate information or data provided by an authority, agency, governing body or other similar organization; provided that Customer provided written notice to Kronos of the existence of such defect(s) and/or error(s) immediately upon discovery thereof and Customer reasonably cooperated with Kronos and BSI in the resolution thereof) (hereafter, "Defects or Errors"). Notwithstanding anything to the contrary stated herein, Kronos, BSI and their third party providers will have no liability to Customer or any third party,

regardless of the cause thereof, for any errors or delays in the output of an On-Demand Service (including, without limitation, errors or delays in located taxes, calculations, payments, filings or reports, or liability to taxing authorities or the employees of Customer for underpayments or nonpayments, interest or penalties).

12. Definitions. The following terms used in this Sublicense Agreement are to be defined as follows: **"Affiliates"** means (i) all business units and divisions of Customer and (ii) any entity controlled by, controlling, or under common control with Customer; where "controlled", "controlling" and "control" mean the ownership of at least fifty percent (50%) of the voting securities in an entity. An entity will be deemed to be an "Affiliate" only so long as such control exists. Upon request, Customer agrees to confirm the Affiliate status of a particular entity. **"Authorized User(s)"** means those employees of Customer or an Affiliate of Customer who have a legitimate internal business need to access, use, or know information concerning, an On-Demand Service who are bound, through written contract, to obligations of confidentiality, nondisclosure and limitations on use, which are consistent with, and no less protective than, those set forth in this Agreement. **"Customer Data"** means any personally identifiable data, such as an address, record or telephone number, provided by a Customer or an Affiliate of Customer for use in, or to facilitate the performance of, an On-Demand Service. **"On-Demand Service"** means (i) a service sublicensed hereunder as made available by BSI to Kronos, including any subsequent releases thereof; (ii) any tools, files, software or other offline components made available by BSI in connection therewith to, when properly installed, facilitate the connection or use of an On-Demand Service; and (iii) any documentation related to the foregoing.

13. General. This Agreement shall be governed by Massachusetts law. The parties waive the application of the United Nations Commission on International Trade Law and United Nations Convention on Contracts for the International Sale of Goods as to the interpretation or enforcement of the Agreement. The invalidity or illegality of any provision of the Agreement shall not affect the validity of any other provision. The parties intend for the remaining unaffected provisions to remain in full force and effect. Customer shall not assign the Agreement or the license to the Services without the prior written consent of Kronos and any purported assignment, without such consent, shall be void. Neither party shall be liable for failures or delays in performance due to causes beyond its reasonable control, including war, strikes, lockouts, fire, flood, storm or other acts of God. Both parties agree to use their best efforts to minimize the effects of such failures or delays. All notices given under the Agreement shall be in writing and sent postage pre-paid, if to Kronos, to the Kronos address on the Order Form, or if to Customer, to the billing address on the Order Form. No action, regardless of form, may be brought by either party more than two (2) years after the cause of action has arisen. Customer acknowledges and agrees that to the extent a remedy is provided under this Agreement, then Customer will be limited to such remedy. Use of the Service includes the ability to enter into agreements and/or to make transactions electronically. CUSTOMER ACKNOWLEDGES THAT WHEN IT INDICATES ACCEPTANCE OF AN AGREEMENT AND/OR TRANSACTION ELECTRONICALLY, THAT ACCEPTANCE WILL CONSTITUTE ITS LEGAL AGREEMENT AND INTENT TO BE BOUND BY AND TO PAY FOR SUCH AGREEMENTS AND TRANSACTIONS. THIS ACKNOWLEDGEMENT THAT CUSTOMER INTENDS TO BE BOUND BY SUCH ELECTRONIC ACCEPTANCE APPLIES TO ALL AGREEMENTS AND TRANSACTIONS CUSTOMER ENTERS INTO THROUGH THE SERVICE, SUCH AS ORDERS, CONTRACTS, STATEMENTS OF WORK, AND NOTICES OF CANCELLATION. This Agreement, together with the applicable Order Form, constitute the entire agreement between the parties for the Services described herein and supersede all prior or contemporaneous representations, negotiations, or other communications between the parties relating to the subject matter of the Agreement. This Agreement may be amended only in writing signed by authorized representatives of both parties.

The Software contains proprietary trade secret technology. Unauthorized use and copying of such Software is prohibited by law, including United States and foreign copyright law. The price Customer pays for a copy of the Software constitutes a license fee that entitles Customer to use the Software as set forth below. Kronos grants to Customer a non-exclusive, nontransferable, perpetual (except as provided herein) license to use the Software. This license may be terminated by Kronos by written notice to Customer upon any material breach of this Agreement by Customer which remains uncured for a period of thirty (30) days after such written notice from Kronos. Upon such termination of this license by Kronos, Customer will have no further right to use the Software and will return the Software media to Kronos and destroy all copies of the Software (and related documentation) in Customer's possession or control. This license is subject to all of the terms of this Section B.

3. FEE BASED LIMITATIONS

Customer recognizes and agrees that the license to use the Software is limited, based upon the amount of the license fee paid by Customer. Limitations, which are set forth on the Order Form, may include the number of employees, simultaneous or active users, Software product modules, Software features, computer model and serial number and partition, and/or the number of telephone lines or terminals to which the Software is permitted to be connected. Customer agrees to: i) use the Software only for the number of employees, simultaneous or active users, computer model, partition and serial number, and/or terminals permitted by the applicable license fee; ii) use only the product modules and/or features permitted by the applicable license fees; and iii) use the Software only in support of Customer's own business. Customer agrees not to increase the number of employees, simultaneous or active users, partitions, terminals, products modules, features, or to upgrade the model, as applicable, unless and until Customer pays the applicable fee for such increase/upgrade. Customer may not relicense or sublicense the Software to, or otherwise permit use of the Software (including timesharing or networking use) by any third party. Customer may not provide service bureau or other data processing services that make use of the Software without the express prior written consent of Kronos.

4. OBJECT CODE ONLY

Customer may use the computer programs included in the Software (the "Programs") in object code form only, and shall not reverse compile, disassemble or otherwise convert the Programs into uncompiled or unassembled code. The Programs include components owned by third parties. Such third party components are deemed to be Software subject to this Section B. Customer shall not use any of the Programs (or the data models therein) except solely as part of and in connection with the Software and as described in the published documentation for such Software.

5. PERMITTED COPIES

Customer may copy the Programs as reasonably necessary to load and execute the Programs and for backup and disaster recovery and testing purposes only, except for additional copies of the Teletime Software and the Kronos iSeries (which must be licensed separately). All copies of the Programs or any part thereof, whether in printed or machine readable form and whether on storage media or otherwise, are subject to all the terms of this license, and all copies of the Programs or any part of the Programs shall include the copyright and proprietary rights notices contained in the Programs as delivered to the Customer.

6. UPDATES

In the event that Kronos supplies Service Packs, Point Releases and Major Releases (including legislative updates if available) of the Software (collectively referred to as "Updates"), such Updates shall be part of the Software and the provisions of this license shall apply to such Updates and to the Software as modified thereby.

7. ACCEPTANCE

For Customer's initial purchase of each Equipment and Software product Kronos shall provide an acceptance test period (the "Test Period") that commences upon Installation. Installation shall be defined as: a.) the Equipment, if any, is mounted; b.) the Software is installed on Customer's server(s); and c.) implementation team training, if any, is complete. During the Test Period, Customer shall determine whether the Equipment and Software meet the Kronos published electronic documentation, ("Specifications").

The Test Period shall be for 30 days. If Customer has not given Kronos a written deficiency statement specifying how the Equipment or Software fails to meet the Specifications ("Deficiency Statement") within the Test Period, the Equipment and Software shall be deemed accepted. If Customer provides a Deficiency Statement within the Test Period, Kronos shall have 30 days to correct the deficiency, and Customer shall have an additional 30 days to evaluate the Equipment and Software. If the Equipment or Software does not meet the Specifications at the end of the second 30 day period, either Customer or Kronos may terminate this Agreement. Upon any such termination, Customer shall return all Equipment and Software (and related documentation) to Kronos, and Kronos shall refund any monies paid by Customer to Kronos for the returned Equipment and Software. Neither party shall then have any further liability to the other for the products that were the subject of the Acceptance Test.

8. LIMITED WARRANTY

Kronos warrants that all Kronos Equipment and Software media shall be free from defects in materials and workmanship, for a period of ninety (90) days from Delivery. In the event of a breach of this warranty, Customer's remedy shall be Kronos' repair or replacement of the deficient Equipment and/or Software media, at Kronos' option, provided that Customer's use, installation and maintenance thereof have conformed to the Specifications. This warranty is extended to Customer only and shall not apply to any Equipment (or parts thereof) or Software media in the event of:

If Customer is licensing Workforce Payroll Software or Workforce Absence Management Software: (i) Customer is solely responsible for the content and accuracy of all reports and documents prepared in whole or in part by using such Software, (ii) using such Software does not release Customer of any professional obligation concerning the preparation and review of such reports and documents, (iii) Customer does not rely upon Kronos, Best Software, Inc. or such Software for any advice or guidance regarding compliance with federal (and state laws where applicable) or the appropriate tax treatment of items reflected on such reports or documents, and (iv) Customer will review any calculations made by using such Software and satisfy itself that those calculations are correct.

Customer agrees to receive those updates automatically as part of the Program. Customer may be required to purchase additional Hosting Related Services to address infrastructure requirements as released by Kronos for a new version of a particular Application.

5. CUSTOMER REPRESENTATIONS AND WARRANTIES; CUSTOMER OBLIGATIONS

5.1 Customer represents and warrants to Kronos that it has the right to publish and disclose Customer's Content in the Program.

5.2 Customer represents and warrants to Kronos that Customer's Content will not: (a) infringe or violate any third-party right, including (but not limited to) intellectual property, privacy, or publicity rights; (b) be abusive, profane, or offensive to a reasonable person; or (c) be hateful or threatening.

6.1 Customer acknowledges that Customer shall (a) be responsible for securing, paying for, and maintaining connectivity to the Services (including any and all related hardware, software, third party services and related equipment and components); and (b) provide Kronos and Kronos' representatives with such physical or remote access to Customer's computer and network environment as Kronos deems reasonably necessary in order for Kronos to perform its obligations under the Agreement. Customer will make all necessary arrangements as may be required to provide access to Customer's computer and network environment if necessary for Kronos to perform its obligations under the Agreement. Customer agrees that Kronos may audit Customer's use of the Services.

8. SERVICE LEVEL AGREEMENT

CUSTOMER'S SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF ANY SERVICE OUTAGE, INTERRUPTION OR DEFICIENCY OF SERVICE(S) OR FAILURE BY KRONOS TO MEET THE TERMS OF AN APPLICABLE SLA, SHALL BE THE REMEDIES PROVIDED IN THE SLA; PROVIDED THAT ANY REMEDIES OR CREDITS CONTAINED IN THE SLA ARE NOT AVAILABLE FOR OUTAGES, INTERRUPTIONS OR DEFICIENCIES OCCURRING DURING ANY PERIOD IN WHICH CUSTOMER IS IN BREACH OF THIS ADDENDUM OR THE LICENSE AGREEMENT. KRONOS DISCLAIMS ANY AND ALL OTHER LIABILITIES OR REMEDIES FOR SUCH OUTAGES, INTERRUPTIONS OR DEFICIENCIES OF SERVICES.

9. LIMITATION OF LIABILITY

IN ADDITION TO THE LIMITATIONS SET FORTH IN THE LICENSE AGREEMENT, EXCEPT WITH RESPECT TO LIABILITY ARISING FROM KRONOS' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, KRONOS DISCLAIMS ANY AND ALL LIABILITY AND SERVICE CREDITS, INCLUDING SUCH LIABILITY RELATED TO A BREACH OF SECURITY OR DISCLOSURE, RESULTING FROM ANY EXTERNALLY INTRODUCED HARMFUL PROGRAM (INCLUDING VIRUSES, TROJAN HORSES, AND WORMS), CUSTOMER'S CONTENT OR APPLICATIONS, THIRD PARTY UNAUTHORIZED ACCESS OF EQUIPMENT OR SOFTWARE OR SYSTEMS, OR MACHINE ERROR.

10. DATA SECURITY

10.1 As part of the Program, Kronos shall provide those administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Customer data as described at: <http://www.kronos.com/products/smb-solutions/workforce-central-saas/security-description.aspx> Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

10.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer represents that to the best of Customer's knowledge such Personally Identifiable Data supplied to Kronos is accurate. Customer hereby consents to the use, processing or disclosure of Personally Identifiable Data by Kronos and Kronos' Suppliers wherever located only for the purposes described herein and only to the extent such use or processing is necessary for Kronos to carry out Kronos' duties and responsibilities under this Agreement or as required by law.

10.3 Prior to initiation of the Program and on an ongoing basis thereafter, Customer agrees to provide notice to Kronos of any extraordinary privacy or data protection statutes, rules, or regulations which are or become applicable to Customer's industry and which could be imposed on Kronos as a result of provision of the Program. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' data center is permitted under applicable data protection laws and regulations; and (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

11. TERM AND TERMINATION

11.1 At the expiration of the Initial Term, the applicable Program shall automatically renew for successive one year periods unless either party provides notice of its intent not to renew at least sixty (60) days prior to the expiration of the then-current term. Kronos may suspend or terminate the Program upon notice in the event of any breach by Customer of this Section C if such breach is not cured within ten (10) days of the date of Kronos' written notice. No Program interruption shall be deemed to have occurred during, and no Program credits shall be owed for, any authorized suspension of the Program.

11.2 Customer may terminate the Program by written notice at any time during the term of the Addendum if Kronos materially breaches any provision of this Addendum, and such default is not cured within thirty (30) days after receipt of written notice from Customer. In the event of such termination by Customer, Customer shall pay Kronos within thirty (30) days all fees then due and owing for the Program prior to the date of termination.

11.3 Customer may terminate the Program for convenience on no less than ninety (90) days prior written notice to Kronos.

11.4 In the event of termination of the Program by Customer for convenience or by Kronos for cause during the Initial Term, Customer will pay to Kronos any out of pocket expenses incurred by Kronos in terminating the Program plus an early termination fee based on the following calculation: one (1) month of the then-current Monthly Services Fees for every twelve (12) month period (or portion thereof) remaining in the Initial Term. By way of example only, if Customer terminates the Program for convenience with fifteen (15) months remaining in the Initial Term, Customer will be responsible to pay Kronos two (2) months of the applicable Monthly Services Fees.

EXHIBIT A

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment and as described in the Statement of Work (aka Services Scope Statement), are provided with the service levels described in this Exhibit A. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100 and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Services. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) scheduled or emergency maintenance, alteration or implementation provided during the Maintenance Period defined below; (e) any suspension of the Services in accordance with the terms of the Agreement to which this Exhibit A is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the product documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when necessary. During these Maintenance Periods, the Services are available to Kronos to perform periodic maintenance services, which include vital software updates. Kronos will use its commercially reasonable efforts during the Maintenance Period to make the Services available to Customer; however, some changes will require downtime. Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least one day in advance of any known downtime so planning can be facilitated by Customer.

Currently scheduled Maintenance Periods for the Services are:

Monday through Friday 04:00 am – 06:00 am (U.S. eastern time)
Saturday and Sunday 12:00 am – 06:00 am (U.S. eastern time)

Maintenance Periods include those maintenance periods mutually agreed upon by Customer and Kronos.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Limitations: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse

impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

11.4 In the event of termination of the Program by Customer for convenience or by Kronos for cause during the Initial Term, Customer will pay to Kronos any out of pocket expenses incurred by Kronos in terminating the Program plus an early termination fee based on the following calculation: one (1) month of the then-current Monthly Services Fees for every twelve (12) month period (or portion thereof) remaining in the Initial Term. By way of example only, if Customer terminates the Program for convenience with fifteen (15) months remaining in the Initial Term, Customer will be responsible to pay Kronos two (2) months of the then-current Monthly Services Fees.

**EXHIBIT A.1
TO SECTION C.1
SERVICE LEVEL AGREEMENT (SLA)**

Service Level Types: SLAs are only applicable to Production Environments. The Program, in a Production Environment, as described in the Service Description is provided with the following service level:

99.50% Application Availability

Service Levels/Credit Calculation: An Outage will be deemed to commence when Customer opens a case with Kronos Global Support, or Kronos Cloud Services receives an application availability alert. The Outage will be deemed to end when Kronos has restored availability of the Program. Failure to meet the above service levels will entitle Customer to credits as follows.

99.50% Application Availability SLA – Production Environment	
Uptime percentage (as measured in a calendar month)	Affected Service Credit
The amount of the Credit will be determined as follows:	
<99.50% to 98.75%	15%
<98.75% to 98.25%	20%
<98.25% to 97.75%	35%
<97.75 to 96.75%	50%
<96.75	75%

Application Availability SLA% = ((MM-TM)*100) / (MM)

Definitions

Kronos will provide notice for planned downtime via an email notice to our primary Customer contact at least one day in advance of such shutdown/restart so planning can be facilitated by Customer.

When application maintenance is required, current Scheduled Maintenance periods for the applications are:

Monday through Friday	4am – 6am
Saturday and Sunday	12am - 6am

- All times listed are U.S. Eastern Time.
- Kronos' utilization of the above maintenance windows shall not trigger SLA Credits to Customer.

"Total Minutes Not Available" (TM) means the total number of minutes during the calendar month that the Program is unavailable outside of scheduled maintenance windows.

The Service Level Agreements in this Exhibit, and the related credits listed, apply on a per Program basis. For the avoidance of doubt, Outages, delays, failures, etc. in one Program may not be added to Outages, delays, failures, etc. in any other Program for purposes of calculating SLA credits.

Kronos shall provide each Equipment Support Services offering as specified herein.

(i) **Depot Exchange and Depot Repair.** If Customer has selected Depot Exchange or Depot Repair Equipment Support Services, the following provisions shall apply: Upon the failure of installed Equipment, Customer shall notify Kronos of such failure and Kronos will provide remote fault isolation at the FRU (Field Replacement Unit) or subassembly level and attempt to resolve the problem. For each of the Depot Exchange and Depot Repair Equipment Support Services options, Customer agrees that it shall return failed Equipment promptly as the failures occur and that it shall not hold failed Equipment and send failed Equipment to Kronos in "batches" which shall result in a longer turnaround time to Customer. In the event that a final injunction is obtained against Customer's use of the Services by reason of infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in the Agreement, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Agreement and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of the Agreement. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall be responsible and liable for all damages and cost of Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors any and all Claims alleging that: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 Except as specifically provided in this agreement, Kronos and its Suppliers will not be liable for any damages or injuries caused by the use of the services or by any errors, delays, interruptions in transmission, or failures of the Services.

14.2 Except for Kronos' indemnification obligations set forth in Section 13 above, the total aggregate liability of Kronos or Kronos' suppliers to Customer and/or any third party in connection with the Agreement shall be limited to direct damages proven by Customer, such direct damages not to exceed an amount equal to the total net payments received by Kronos for the Services in the twelve (12) month period immediately preceding the date in which such claim arises.

14.3 except for Kronos' indemnification obligations set forth in Section 13 above, in no event shall Kronos or Kronos' suppliers, their respective affiliates, service providers, or agents be liable to Customer or any third party for any incidental, special, punitive, consequential or other indirect damages or for any lost or imputed profits or revenues, lost data or cost of procurement of substitute services resulting from delays, nondeliveries, misdeliveries or services interruption, however caused, arising from or related to the Services or the Agreement, regardless of the legal theory under which such liability is asserted, whether breach of warranty, indemnification, negligence, strict liability or otherwise, and whether liability is asserted in contract, tort or otherwise, and regardless of whether Kronos or Supplier has been advised of the possibility of any such liability, loss or damage.

14.4 Except with respect to liability arising from Kronos' gross negligence or willful misconduct, Kronos disclaims any and all liability, including without limitation liability related to a breach of data security and confidentiality obligations, resulting from any externally introduced harmful program (including without limitation viruses, trojan horses, and worms), Customer's Content or applications, third party unauthorized access of Equipment, SaaS Applications or systems, or machine error.

EXHIBIT D-1

SERVICE LEVEL AGREEMENT (SLA)

Service Level Agreement: The Services, in a production environment and as described in the Statement of Work (aka Services Scope Statement), are provided with the service levels described in this Exhibit D-1. SLAs are only applicable to production environments. SLAs will be available upon Customer's signature of Kronos' Go Live Acceptance Form for Customer's production environment.

99.75% Application Availability

Actual Application Availability % = (Monthly Minutes (MM) minus Total Minutes Not Available (TM)) multiplied by 100 and divided by Monthly Minutes (MM), but not including Excluded Events

Service Credit Calculation: An Outage will be deemed to commence when the Applications are unavailable to Customer in Customer's production environment hosted by Kronos and end when Kronos has restored availability of the Services. Failure to meet the 99.75% Application Availability SLA, other than for reasons due to an Excluded Event, will entitle Customer to a credit as follows:

Actual Application Availability % (as measured in a calendar month)	Service Credit to be applied to Customer's monthly invoice for the affected month
<99.75% to 98.75%	10%
<98.75% to 98.25%	15%
<98.25% to 97.75%	25%
<97.75 to 96.75%	35%
<96.75	50%

"Outage" means the accumulated time, measured in minutes, during which Customer is unable to access the Applications for reasons other than an Excluded Event.

"Excluded Event" means any event that results in an Outage and is caused by (a) the acts or omissions of Customer, its employees, customers, contractors or agents; (b) the failure or malfunction of equipment, applications or systems not owned or controlled by Kronos, including without limitation Customer Content, failures or malfunctions resulting from circuits provided by Customer, any inconsistencies or changes in Customer's source environment, including either intentional or accidental connections or disconnections to the environment; (c) Force Majeure events; (d) scheduled or emergency maintenance, alteration or implementation provided during the Maintenance Period defined below; (e) any suspension of the Services in accordance with the terms of the Agreement to which this Exhibit D-1 is attached; (f) the unavailability of required Customer personnel, including as a result of failure to provide Kronos with accurate, current contact information; or (g) using an Application in a manner inconsistent with the product documentation for such Application.

"Maintenance Period" means scheduled maintenance periods established by Kronos to maintain and update the Services, when necessary. During these Maintenance Periods, the Services are available to Kronos to perform periodic maintenance services, which include vital software updates. Kronos will use its commercially reasonable efforts during the Maintenance Period to make the Services available to Customer; however, some changes will require downtime. Kronos will provide notice for planned downtime via an email notice to the primary Customer contact at least one day in advance of any known downtime so planning can be facilitated by Customer.

Currently scheduled Maintenance Periods for the Services are:

Monday through Friday 04:00 am – 06:00 am (U.S. eastern time)
 Saturday and Sunday 12:00 am – 06:00 am (U.S. eastern time)

Maintenance Periods include those maintenance periods mutually agreed upon by Customer and Kronos.

"Monthly Minutes (MM)" means the total time, measured in minutes, of a calendar month commencing at 12:00 am of the first day of such calendar month and ending at 11:59 pm of the last day of such calendar month.

"Total Minutes Not Available (TM)" means the total number of minutes during the calendar month that the Services are unavailable as the result of an Outage.

Limitations: Service Credits will not be provided if: (a) Customer is in breach or default under the Agreement at the time the Outage occurred; or (b) the Outage results from an Excluded Event. If Kronos does not provide the appropriate Service Credit as due hereunder, Customer must request the Service Credit within sixty (60) calendar days of the conclusion of the month in which the Service Credit accrues. Customer waives any right to Service Credits not requested within this time period. All performance calculations and applicable Service Credits are based on Kronos records and data unless Customer can provide Kronos with clear and convincing evidence to the contrary.

The Service Level Agreements in this Exhibit, and the related Service Credits, apply on a per production environment basis. For the avoidance of doubt, Outages in one production environment may not be added to Outages in any other production environment for purposes of calculating Service Credits.

Customer acknowledges that Kronos manages its network traffic in part on the basis of Customer's utilization of the Services and that changes in such utilization may impact Kronos' ability to manage network traffic. Therefore, notwithstanding anything else to the contrary, if Customer significantly changes its utilization of the Services than what is contracted with Kronos and such change creates a material and adverse

impact on the traffic balance of the Kronos network, as reasonably determined by Kronos, the parties agree to co-operate, in good faith, to resolve the issue.

Billing will commence on the Billing Start Date with the Monthly Service Fees to be billed on the frequency set forth on the Order Form ("Billing Frequency"). Unless otherwise indicated on the Order Form, Kronos will bill Customer for all implementation services in advance. Purchased Equipment will be billed upon shipment of such Equipment. Customer authorizes Kronos to charge the debit card or credit card on file with Kronos in an amount equal to the Monthly Service Fees as all such fees become due under this Agreement. For all other payments and fees due under this Agreement, payment shall be due 30 days following date of invoice unless otherwise indicated on an Order Form. Except as expressly set forth in the Agreement, all amounts paid to Kronos are non-refundable. Customer is responsible for all applicable taxes relating to the goods and services provided by Kronos hereunder (including without limitation GST and/or VAT if applicable), excluding taxes based on Kronos' income or business privilege.

3.2 The Setup Fees shall be invoiced upon execution of the Agreement and shall be due net 30 days following date of invoice. Customer acknowledges that setup fees may be charged to Customer by third parties for Add-on Features. Third party setup and monthly fees shall be set forth on an Order Form. Monthly Service fees shall be based on monthly periods that begin on the Billing Start Date. Monthly Service Fees shall include fees for Equipment rental, if any. Monthly Service Fees for Services added on or before the 15th day of a given month will be charged for that full monthly period and each monthly period of the Term thereafter; Monthly Service Fees for Services added after the 15th day of a given month will begin to accrue as of the 1st day of the following month and will be charged for each monthly period of the Term thereafter. Monthly Service Fees shall be invoiced promptly following the end of the calendar month in which the Monthly Service Fees were accrued. Kronos will monitor Customer's "Usage" of the Services (as defined below) in order to calculate the Usage portion of the Monthly Service Fees to be charged. Usage of the Services, depending on applicable features, components, or services, shall be priced as identified on the Order Form either on a: (a) per month basis; (b) per active employee (herein "Active Employee") per month usage basis; (c) per transaction basis (e.g.: pay statement); or, (d) per access point. For purposes of the Agreement, an employee shall be deemed an Active Employee during any applicable billing period if through the Services: (i) time has been entered for such employee; (ii) records have been included for such employee for the purpose of processing payroll; (iii) records have been included for such employee within an import/export process; (iv) such employee has accessed the Services, regardless of the purpose; (v) benefit time has been accrued for such employee; or (vi) such employee has been marked by Customer as having an "Active" status during the period.

In the event that Customer does not reach the anticipated Usage upon which the Minimum Monthly Fees was based for any given month during the Term, Customer shall remain responsible for paying the Minimum Monthly Fees for that month. If an Order Form or the Agreement is suspended by Kronos for non-payment or otherwise terminated by Kronos for cause, Customer shall remain liable to pay the applicable Minimum Monthly Fees up to and including the last day of the month in which the effective date of termination occurs.

Customer acknowledges that such safeguards endeavor to mitigate security incidents, but such incidents may not be mitigated entirely or rendered harmless. Customer should consider any particular Kronos supplied security-related safeguard as just one tool to be used as part of Customer's overall security strategy and not a guarantee of security. Both parties agree to comply with all applicable privacy or data protection statutes, rules, or regulations governing the respective activities of the parties under the Agreement.

12.2 As between Customer and Kronos, all Personally Identifiable Data is Customer's Confidential Information and will remain the property of Customer. Customer will ensure that: (a) the transfer to Kronos and storage of any Personally Identifiable Data by Kronos or Kronos' Supplier's data center is permitted under applicable data protection laws and regulations; and, (b) Customer will obtain consents from individuals for such transfer and storage to the extent required under applicable laws and regulations.

13. INDEMNIFICATION

13.1 Kronos shall defend Customer and its respective directors, officers, and employees (collectively, the "Customer Indemnified Parties"), from and against any and all notices, charges, claims, proceedings, actions, causes of action and suits, brought by a third party (each a "Claim") alleging that the permitted uses of the Services infringe or misappropriate any United States or Canadian copyright or patent and will indemnify and hold harmless the Customer Indemnified Parties against any liabilities, obligations, costs or expenses (including without limitation reasonable attorneys' fees) actually awarded to a third party as a result of such Claim by a court of applicable jurisdiction or as a result of Kronos' settlement of such a Claim. In the event that a final injunction is obtained against Customer's use of the Services by reason of infringement or misappropriation of such copyright or patent, or if in Kronos' opinion, the Services are likely to become the subject of a successful claim of such infringement or misappropriation, Kronos, at Kronos' option and expense, will use commercially reasonable efforts to (a) procure for Customer the right to continue using the Services as provided in the Agreement, (b) replace or modify the Services so that the Services become non-infringing but remain substantively similar to the affected Services, and if neither (a) or (b) is commercially feasible, to (c) terminate the Agreement and the rights granted hereunder after provision of a refund to Customer of the Monthly Service Fees paid by Customer for the infringing elements of the Services covering the period of their unavailability.

13.2 Kronos shall have no liability to indemnify or defend Customer to the extent the alleged infringement is based on: (a) a modification of the Services by anyone other than Kronos; (b) use of the Services other than in accordance with the Documentation for such Service or as authorized by the Agreement; (c) use of the Services in conjunction with any data, equipment, service or software not provided by Kronos, where the Services would not otherwise itself be infringing or the subject of the claim; or (d) use of the Services by Customer other than in accordance with the terms of the Agreement. Notwithstanding the foregoing, with regard to infringement claims based upon software created or provided by a licensor to Kronos or Suppliers, Kronos' maximum liability will be to assign to Customer Kronos' or Supplier's recovery rights with respect to such infringement claims, provided that Kronos or Kronos' Supplier shall use commercially reasonable efforts at Customer's cost to assist Customer in seeking such recovery from such licensor.

13.3 Customer shall be responsible and liable for all damages and cost of Kronos, its Suppliers and their respective directors, officers, employees, agents and independent contractors (collectively, the "Kronos Indemnified Parties") from and against any and all Claims alleging that: (a) employment-related claims arising out of Customer's configuration of the Services; (b) Customer's modification or combination of the Services with other services, software or equipment not furnished by Kronos, provided that such Customer modification or combination is the cause of such infringement and was not authorized by Kronos; or, (c) a claim that the Customer Content infringes in any manner any intellectual property right of any third party, or any of the Customer Content contains any material or information that is obscene, defamatory, libelous, or slanderous violates any person's right of publicity, privacy or personality, or has otherwise caused or resulted in any tort, injury, damage or harm to any other person. Customer will have sole control of the defense of any such action and all negotiations for its settlement or compromise.

13.4 The Indemnified Party(ies) shall provide written notice to the indemnifying party promptly after receiving notice of such Claim. If the defense of such Claim is materially prejudiced by a delay in providing such notice, the purported indemnifying party shall be relieved from providing such indemnity to the extent of the delay's impact on the defense. The indemnifying party shall have sole control of the defense of any indemnified Claim and all negotiations for its settlement or compromise, provided that such indemnifying party shall not enter into any settlement which imposes any obligations or restrictions on the applicable Indemnified Parties without the prior written consent of the other party. The Indemnified Parties shall cooperate fully, at the indemnifying party's request and expense, with the indemnifying party in the defense, settlement or compromise of any such action. The indemnified party may retain its own counsel at its own expense, subject to the indemnifying party's rights above.

14. LIMITATION OF LIABILITY

14.1 Except as specifically provided in this Agreement, Kronos and its Suppliers will not be liable for any damages or injuries caused by the use of the Services or by any errors, delays, interruptions in transmission, or failures of the Services.

14.2 except for Kronos' indemnification obligations set forth in Section 13 above, the total aggregate liability of Kronos or Kronos' Suppliers to Customer and/or any third party in connection with the Agreement shall be limited to direct damages proven by Customer, such direct damages not to exceed an amount equal to the total net payments received by Kronos for the services in the Twelve (12) month period immediately preceding the date in which such claim arises.

14.3 Except for Kronos' indemnification obligations set forth in Section 13 above, in no event shall Kronos or Kronos' Suppliers, their respective affiliates, service providers, or agents be liable to Customer or any third party for any incidental, special, punitive, consequential or other indirect damages or for any lost or imputed profits or revenues, lost data or cost of procurement of substitute services resulting from delays, nondeliveries, misdeliveries or services interruption, however caused, arising from or related to the Services or the Agreement, regardless of the legal theory under which such liability is asserted, whether breach of warranty, indemnification, negligence, strict liability or otherwise, and whether liability is asserted in contract, tort or otherwise, and regardless of whether Kronos or Supplier has been advised of the possibility of any such liability, loss or damage.

14.4 EXCEPT WITH RESPECT TO LIABILITY ARISING FROM KRONOS' GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, KRONOS DISCLAIMS ANY AND ALL LIABILITY, INCLUDING WITHOUT LIMITATION LIABILITY RELATED TO A BREACH OF DATA SECURITY AND CONFIDENTIALITY OBLIGATIONS, RESULTING FROM ANY EXTERNALLY INTRODUCED HARMFUL PROGRAM (INCLUDING WITHOUT LIMITATION VIRUSES, TROJAN HORSES, AND WORMS), CUSTOMER'S CONTENT OR APPLICATIONS, THIRD PARTY UNAUTHORIZED ACCESS OF EQUIPMENT, SAAS APPLICATIONS OR SYSTEMS, OR MACHINE ERROR.

KRONOS ADDENDUM
VOXEO PROPHECY SERVICE
(Licensed or User based)**

The parties hereby agree that the following terms and conditions are supplemental terms and conditions to the Agreement and are applicable to the Voxeo Prophecy service ("Voxeo Prophecy"), a service of Aspect Software Inc., which Kronos is authorized to resell. The Voxeo Prophecy service can be ordered either on a licensed basis (in which case Voxeo Prophecy is only available with a perpetual license to Workforce Telestaff and is not hosted by Kronos) ("Licensed Based") or on a per minute basis ("Usage Based").

Description. Voxeo Prophecy is an Interactive Voice Response (IVR) solution, provided solely for Customer's internal use, by which Customer may initiate phone calls to staff members to fill vacancies or receive notifications of work opportunities for employees who are licensed to use the Kronos Workforce TeleStaff® product. Each exchanged message (notice, response, confirmation, denial) shall be considered an "Interaction."

Maintenance.

Voxeo Prophecy maintenance will entitle Customer to Voxeo Prophecy phone support and software updates and shall commence upon Order execution. For Usage Based Voxeo Prophecy, maintenance will be provided at the same level of support as Customer's Workforce TeleStaff product at no additional charge. For Licensed Based Voxeo Prophecy, Customer must purchase maintenance for both Workforce TeleStaff and Voxeo Prophecy, and maintenance for Voxeo Prophecy will be charged at the same level of support as Workforce TeleStaff (i.e., Gold or Platinum).

Implementation. To initiate and setup administration of the required communications, Kronos will perform the standard implementation of Voxeo Prophecy, including configuration, as described in the Statement of Work ("SOW") signed by the Customer. Any additional professional services for non-standard implementation services will be provided at mutually agreed upon rates subject to a separate Order Form or a separate statement of work mutually agreed upon by both parties.

Payment. Kronos will invoice Customer for the Voxeo Prophecy implementation/configuration professional services fees set forth in the applicable SOW and Order Form, pursuant to the Agreement and on the payment terms set forth therein. Kronos will invoice Customer as follows: (i) for the license fees and annual maintenance associated with the Licensed Based Voxeo Prophecy as indicated on the Order Form; or (ii) each month in arrears for the Usage Based Voxeo Prophecy usage fees for the total actual number of metered minutes used each month (the "Minute Usage Fee") at a rate of \$0.13 per minute. Customer's right to begin using the service shall begin upon activation of the service after implementation/configuration.

Customer will pay invoices issued by Kronos hereunder within thirty (30) days of receipt.

Restrictions on Voxeo Prophecy Services; Additional Responsibilities. Customer agrees that Voxeo Prophecy has not been designed for, and may not be used as, a means to connect with 911 or E911 emergency services. Kronos shall have no liability for any delays, failures or unavailability of Voxeo Prophecy due to transmission or other delays, errors or problems beyond Kronos' control, or any other interruptions caused by the mobile communications network and/or mobile devices. Use of Voxeo Prophecy is subject to the software license terms set forth in the Agreement as well as the Acceptable Use Policy found at: <http://voxeo.com/aup> and Customer agrees that it shall be liable for all loss, damage or injury that may result from Customer's failure to abide by such Policy. Customer acknowledges that communications occurring through Voxeo Prophecy may be subject to standard mobile carrier policies or government regulatory requirements for mobile communications.

Voxeo Prophecy Security. The Voxeo Prophecy service relies upon a third party hosted communication platform. Accordingly, notwithstanding any other provision of the Agreement or this Addendum to the contrary, Customer understands and acknowledges that the exclusive statement of the security protections provided for i) Interactions by Customer and its employees through Voxeo Prophecy, and ii) all associated data, is found at: <http://voxeo.com/privacy-policy/>, under the heading "Security of Your Personal Information."

Renewal and Termination. The initial Term is twelve months. At the expiration of the initial Term, the Term shall automatically renew on a month-to-month basis until terminated in accordance with the provisions hereof. At any time: (i) Customer may terminate the Voxeo Prophecy service for convenience upon thirty (30) days prior written notice, and (ii) Kronos may terminate the Voxeo Prophecy service for convenience upon one hundred and twenty (120) days prior written notice. Kronos may increase the per minute rate upon renewal with sixty (60) days prior written notice for use based Voxeo Prophecy.
