

**CATAPULT**

**CATAPULT OUTCOMES ADDENDUM TO  
ONSITE SERVICES AGREEMENT**

**OUTCOMES**

- + Customer shall provide to Catapult a detailed description of Customer's wellness program and any requirements for achieving specified incentives or benefits (collectively, "Outcomes Program") and any related information reasonably requested by Catapult.
- + Catapult will utilize information from each Participant's checkup to assess the Participant's achievement of the Outcomes Program requirements, and will create an individualized one-page report for each Participant titled "My Incentive Plan Results."
- + If all Outcomes Program requirements have been measured by Catapult during the checkup, each Participant will know immediately following their checkup whether the Participant has met the Outcomes Program Requirements.
- + If the Outcomes Program requires additional activities, values or data to be measured, each Participant will receive a report on what was measured and be directed to the other required activities, values or data.
- + Catapult Outcomes Fee = \$10 per Participant who completes a Catapult Health Checkup.

**This Ancillary Services Addendum is executed as of November 10, 2016, and is subject to and governed by the Onsite Services Agreement between Catapult and Customer.**
