ADDENDUM TO 2016 – 2017 COMMISSIONER'S ROAD REPORT

ADDITIONS TO COUNTY ROAD SYSTEM

1. .705 mile of County Road 616 from County Road 507 south to County Road 506 – This road has been gated and unused for many years, but it was learned that it is still considered a county road right of way.
2. 1.02 mile of County road 616 from County Road 506 south to County Road 501 - This road has been gated and unused for many years, but it was learned that it is still considered a county road right of way.
3. 0.1 mile of Windy Lane from High Lake Road north to dead end – This road has been county maintained for many years, but was never added to this report.
4. .073 mile spur off of the 7200 block of County Road 526 going west to the end – During a realignment of CR 526 years ago, parts of the road were abandoned, however, this remnant remained a county road and was never included with the yearly road report.
5. .555 mile of J. D. Mouser Parkway from FM 917 north to the end – This road was brought into the county maintenance system by the Commissioners Court on Aug 22, 2016, after the adjoining landowners paid Precinct #3 to bring the road up to county specifications.

DELETIONS TO COUNTY ROAD SYSTEM

The following roads were removed from last year's road report due to annexation into the Burleson, Texas, city limits:

1. .207 mile of County Road 602 from a point 865' south of Taylor Bridge Court south to a point 683' north of Quail Lane.
2. .595 mile of County Road 518 from a point 400' east of South Burleson Blvd (East Side) to a point 3540' east of South Burleson Blvd (East Side).
3. .631 mile of Forgotten Lane from a point 320' east of South Burleson Blvd (East Side) to a point 3650 feet east of South Burleson Blvd (East Side).

The following deletions from the County Road System have unique circumstances and require more explanation. In November, 2016, it was learned that on August 22, 1963, the City of Burleson approved a series of city ordinances to "strip annex" the center 10' of the traveled roadway of the following roads. Any extra roadway, and the right of way ditches, remained under the jurisdiction of

Johnson County for maintenance. A negotiation was conducted with City of Burleson Officials for all maintenance of these roads to be done by the City of Burleson. The roads involved are:

1. .94 mile of County Road 531 from a point 415 east of Shady Oaks Trail north east to the intersection with County Road 603.
2. 2.12 miles of County Road 603 from the intersection with County Road 531 south to the intersection with County Road 529.
3. .654 mile of County Road 529 from the intersection with County Road 603 south to the intersection with County Road 600 (East Renfro).
4. 1.58 miles of County Road 600 (East Renfro) from the intersection with County Road 529 south to the intersection with County Road 518.
5. 1.52 miles of County Road 518 from the intersection with County Road 600 (East Renfro) south a point 3540' east of South Burleson Blvd (East Side).
6. .088 mile of County Road 711 from a point 3073' west of South Burleson Blvd (West Side) west to the intersection with County Road 809.
7. .946 mile of County Road 809 from the intersection with County Road 711 south to the intersection with F.M. 917.
