WHEREAS, Johnson County considers LIRAP and LIP an important air quality initiative that is included as part of the Weight of Evidence in the State Implementation Plan (SIP) and also helps the inspection and maintenance program achieve overall compliance and effectiveness, which factor into modeling emissions reductions in the SIP and transportation conformity; and

WHEREAS, the 85th Texas Legislature considered several bills to modernize and increase flexibility of LIRAP/LIP, including giving local governments more control on how to best spend the available funds; and

WHEREAS, the Texas Governor vetoed funding for LIRAP and LIP for fiscal year 2018 and fiscal year 2019 on June 12, 2017; and

WHEREAS, Johnson County does not support the State legislature using LIRAP and LIP funds, which are collected from fees at the local level and considered dedicated revenue, to certify the State's budget; and

WHEREAS, pursuant to the Texas Administrative Code §114.64, a participating county may opt out of LIRAP and LIP by providing written notice to the Texas Commission on Environmental Quality.

NOW THEREFORE BE IT ORDERED that the Johnson County Commissioners Court does hereby request the Texas Commission on Environmental Quality temporarily suspend the collection of the Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Retirement Program fees in Johnson County as soon as possible, but not before September 1, 2017, until such time as additional funds are appropriated to Johnson County.

BE IT FURTHER ORDERED that the Johnson County Commissioners Court does hereby plan to continue to operate the Low-Income Vehicle Repair Assistance, Retrofit, and Accelerated Retirement Program utilizing previously unspent allocations through the last day of the legislative biennium in which the fee termination date occurs (August 31, 2019) and continue operations in the proceeding biennium with newly appropriated allocations.

SO ORDERED IN OPEN COURT THIS 14th DAY OF AUGUST, 2017.
