Dear Honorable Roger Harmon, County Judge:

Enclosed is an invoice for your 2017-18 TRTC dues. Our coalition depends heavily on dues revenue to fund its work, and we value tremendously your continuing support. It is vital to our mission of pursuing resources to fund transportation investment necessary to sustain our region's economy and quality of life.

If you have any suggestions as to ways in which we can better serve you or the community, please share them with us.

TRTC continues to play a lead role in Transportation Advocates of Texas, Inc., a statewide transportation advocacy coalition that brings together transportation interests and advocates from all parts of Texas to deliver a focused and consistent message to legislators.

Along with our transportation advocacy partners from around the state, TRTC played a lead role in encouraging the Texas Legislature in recent past sessions to eliminate diversions and to propose constitutional amendments approved by the voters to dedicate substantial funding to increase investment in transportation improvements. This past legislative session, we worked hard to protect those resources and to defeat measures that would have been detrimental to sustaining mobility. With your support, we will continue these efforts in the year ahead.

Feel free to contact me at vic@trtcmobility.org or 817.262.7230. Thank you very much for your interest in transportation and your membership in TRTC.

Sincerely,

Vic Suhm
