Godley ISD: Empowering students to lead

Communication, Collaboration, Critical Thinking, Creativity, Character, Contribute

The mission of Godley ISD is to graduate students with the problem solving tools that enable them to reach their highest potential as responsible, productive citizens who are prepared to be self-motivated, life-long learners in an ever changing world.

Honorable David Wallace and Godley City Council Members
City of Godley

As elected officials and leaders of our community I know you understand the value of community partnerships and collaboration. Our hope is to strengthen the bond between our school district and our school stakeholders by creating easier access to our campuses.

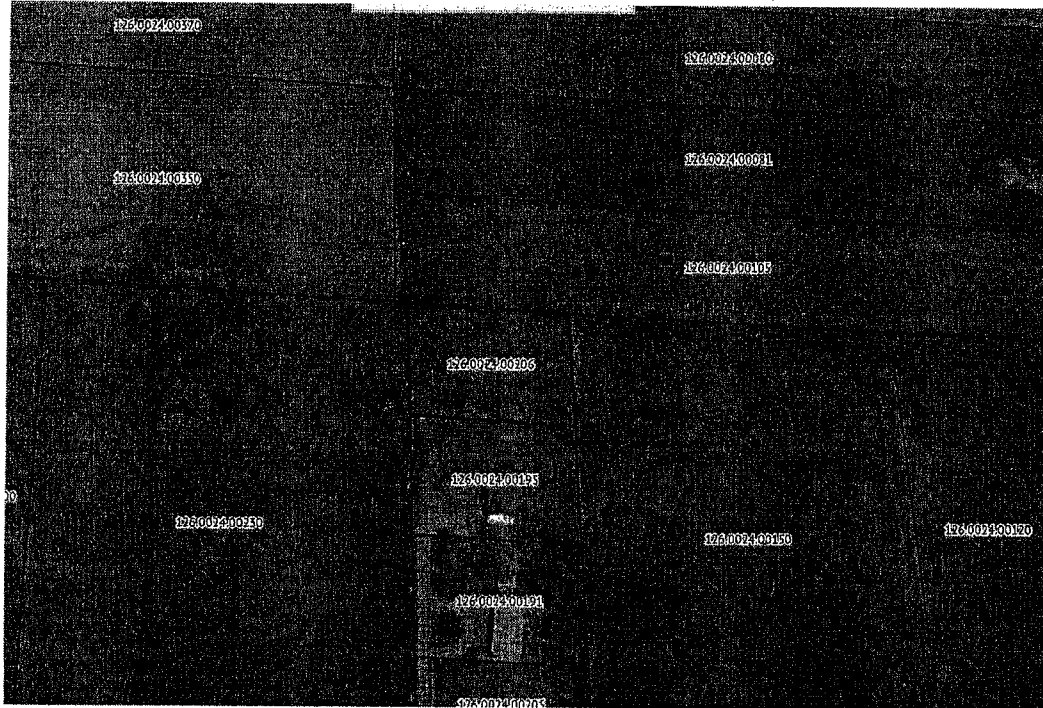

I am writing on behalf of Godley ISD to ask the City of Godley to deed the property located at Nelson street to the school district. This property is one of three properties needed to create a walking path from our elementary school to growing housing developments (StarLight Ranch, Lone Star Estates, future Double Rock development) nearby. We are in the process of requesting / acquiring access to the remaining two properties to allow students to walk to school and avoid busy roadways. Students attending our Intermediate and middle school campuses would also have easier access from the neighborhood developments.

I hope to hear from you soon and thank you in advance for your continued support of our students. Please feel free to contact me if you have any questions.

Thanks

Rich Dear

Godley ISD superintendent
