Radio Advisory Board Recommendations

March 7, 2018

After our meeting to discuss the upcoming rates for subscriber radios, where costs for support from Motorola, the fees for connection to the master switch on the Fort Worth Regional Radio System and costs for support from the Johnson County Radio Management department, the Radio Advisory Board suggests the following for the subscriber radio rate for Johnson County:

1. A monthly fee of \$22.66 per radio, to be billed annually.
2. ~~The rate be fixed for a period not to exceed 4 years.~~ *renewed yrly - eff. 10/01/18*
3. The contract with Motorola for support should be reviewed prior to renewal to see if cost savings can be achieved.
