Waiting on the actual bid and spec sheet for trailer; however, this is the overview:

28,000.00 spoken quote
~~-15,500.00~~ Trade in for Eq #s 90 + 100
12,500.00

Ken and Doug spoke with Comm. Howell and said:

1. the weight of the belly dump we plan to purchase is 12,500
2. It is standard to have the electric switch/gate valve from cab of tractor
3. They already planned to put a new coat of paint and remove the rust from the trailer before selling it to us
