## Youth Opportunity Investments, LLC CSI – ROCKDALE ACADEMY

July 1, 2019

Youth Opportunity would like to thank all our contracted counties for the support they've shown since reopening CSI- Rockdale Academy in 2017. We've had the opportunity to work with some exceptional youth and the privilege to coordinate with numerous probation officers/departments. We are all truly blessed to be a part of the juvenile field and are looking forward to the next fiscal year.

As we move into the upcoming fiscal year, Youth Opportunity will be sending out new contracts/addendums around the middle of July, with an increase in our long-term residential daily rate from \$162.30 to the current DFPS rate of \$197.69 and our pre-adjudication detention rate from \$103.03 to \$115.00, effective September 1<sup>st</sup>, 2019. We feel the rate increase has become essential to stay with the current rate and salary trends, as well as continued programmatic and therapeutic demands. We understand rate increases are always difficult, however; we've taken measures to assist in keeping overall cost down to your agency by *not* charging for the initial psychiatric assessment, monthly psychiatric visits, visits to our Physician's Assistant (PA) and we've also expanded our transportation services.

We would appreciate your support in this difficult decision. Youth Opportunity remains dedicated to the youth, families and counties we serve. We look forward to a continued successful partnership between YOI and your county. As always, we are here to serve you, provide quality programming and help youth and families to achieve success.

Respectfully Submitted
