Dear Hon. Roger Harmon
Johnson County Courthouse,

For 43 years our deep roots of serving our precious seniors is well known beginning in 1976 serving Johnson County seniors and then expanding in 2001 to include Ellis County seniors.

Our mission: **Ending hunger and isolation. Delivering dignity and independence.**

When we heard Navarro County was at risk to lose their Meals on Wheels program, we were honored to step up and help our neighbors. Today, we are excited to announce our new service delivery area...and our new name!

What does this mean? For our Johnson County and Ellis County seniors, nothing has changed as we continue to offer our daily meals and safety checks with existing and dedicated volunteers and local staff. For our Navarro County seniors, we have added them in to our existing program and are serving meals and caring for them as we do for our Johnson and Ellis seniors. With this new restructuring, we welcome 300 Navarro County seniors, 5 staff members, a dedicated team of volunteers, and a new name for our Meals on Wheels family!

We are thrilled you are joining us for this critical expansion we have taken on; we are a powerhouse movement of everyday people who are standing up together to help seniors live out the independent lives they deserve while also enjoying the kind of life-giving connections that will nourish them as they continue to age. Thank you for your support. We couldn't do this without you.

Together, for them, we will deliver!
