District Clerk

2/18/2020

Dear Johnson County Commissioner's Court,

I would like for two of my clerks to attend Tyler Connect 2020, April 26-29, in Orlando, Florida. This event will give my office a unique opportunity to discover new ways to boost our productivity and improve our services by making full use of our Odyssey® and re:Search® solutions as well as look into the Modria® solution. Not only will they be able to interact with and learn directly from Tyler Technologies' staff, but the conference will also allow them to network with their peers from across the country to exchange ideas, insights, and solutions to make better use of our technology investment in our daily work.

Additional benefits of attending this educational event include:

- More than 1,000 educational sessions that highlight software enhancements, provide tips and tricks, and offer advanced product use training to help improve my performance and our organization's outcomes
- Networking opportunities with my professional peers from our region and in similar roles across the country (6,000 attendees expected)
- Exclusive insight into Tyler's latest and future projects from Tyler's executives
- Continuing Professional Education (CPE) credits where applicable
- Opportunities to test drive Tyler products in hands-on labs
- Our inclusion in the nationwide Connected Communities vision that is transforming the future of government

Here is a complete breakdown of the expected conference costs:

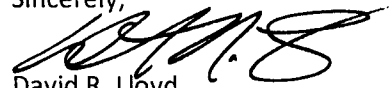

Registration	\$975 x 2 = \$1,950 (early registration, ends Feb. 10, 2020) \$1,250 (standard registration) x 2 = \$2,500
Hotel	\$1,343.26
Airfare	\$1,052.24 estimated as of 2/4/2020
Meal(s)	\$218.00 (lunch 2 days & 1 dinner is included with conference fee)
Transportation	\$226.13 Rental w/fuel option - \$131.10 mileage to airport - \$60.00 airport parking
TOTAL	ESTIMATED - \$4,980.73 - \$5,530.73

My request for out of state travel is due to California's ban on travel to certain states that they believe discriminate against lesbian, gay, bisexual, and transgender people(see attached.) Tyler was forced to move the conference to a "neutral" state because of the volume of California customers they support. To pay for this, we would like to use the County and District Court Technology Fund per statute Code of Criminal Procedure article 102.0169(see attached.)

Thank you for considering my request to allow my clerks to attend Tyler Connect 2020. For more information, including highlight videos from last year's event, you may visit:

Sincerely,

David R. Lloyd

PROHIBITION ON STATE-FUNDED AND STATE-SPONSORED TRAVEL TO STATES WITH DISCRIMINATORY LAWS (ASSEMBLY BILL NO. 1887)

In AB 1887, the California Legislature determined that "California must take action to avoid supporting or financing discrimination against lesbian, gay, bisexual, and transgender people." (Gov. Code, § 11139.8, subd. (a)(5).) To that end, AB 1887 prohibits a state agency, department, board, or commission from requiring any state employees, officers, or members to travel to a state that, after June 26, 2015, has enacted a law that (1) has the effect of voiding or repealing existing state or local protections against discrimination on the basis of sexual orientation, gender identity, or gender expression; (2) authorizes or requires discrimination against same-sex couples or their families or on the basis of sexual orientation, gender identity, or gender expression; or (3) creates an exemption to antidiscrimination laws in order to permit discrimination against same-sex couples or their families or on the basis of sexual orientation, gender identity, or gender expression. (Gov. Code, § 11139.8, subds. (b)(1), (2).) In addition, the law prohibits California from approving a request for state-funded or state-sponsored travel to such a state. (Gov. Code, § 11139.8, subd. (b)(2).)

The travel prohibition applies to state agencies, departments, boards, authorities, and commissions, including an agency, department, board, authority, or commission of the University of California, the Board of Regents of the University of California, and the California State University. (Gov. Code, § 11139.8, subd. (b).)

The law also requires the Attorney General to develop, maintain, and post on his Internet Web site a current list of states that are subject to the travel ban. (Gov. Code, § 11139.8, subd. (e).)

STATES SUBJECT TO AB 1887'S TRAVEL PROHIBITION

The following states are currently subject to California's ban on state-funded and state-sponsored travel:

1. Alabama
2. Iowa
3. Kansas
4. Kentucky
5. Mississippi
6. North Carolina
7. Oklahoma
8. South Carolina
9. South Dakota
10. Tennessee
11. Texas

EXCEPTIONS

The Legislature created exceptions in AB 1887 that allow travel to banned states in certain circumstances. (Gov. Code, § 11139.8, subd. (c).) These exceptions only apply if travel to a subject state is "required." (*ibid.*)

Specifically, AB 1887 does not apply to state travel that is required for any of the following purposes:

1. Enforcement of California law, including auditing and revenue collection.
2. Litigation.
3. To meet contractual obligations incurred before January 1, 2017.
4. To comply with requests by the federal government to appear before committees.
5. To participate in meetings or training required by a grant or required to maintain grant funding.
6. To complete job-required training necessary to maintain licensure or similar standards required for holding a position, in the event that comparable training cannot be obtained in California or a different state not subject to the travel prohibition.
7. For the protection of public health, welfare, or safety, as determined by the affected agency, department, board, authority, or commission, or by the affected legislative office.

(Gov. Code, § 11139.8, subd. (c).)
