PowerGard™ Protection Plan Residential (Residential plan) is:

The PowerGard™ Protection Plan Residential is an extended repair plan that provides parts and labor coverage up to four years beyond the manufacturer's warranty. It is available on all riding lawn equipment, zero-turn radius mowers, utility vehicles, utility tractors and compact utility tractors. Your John Deere equipment will be in the hands of qualified, certified technicians from John Deere dealers using Genuine John Deere Parts.

Not covered under a Residential plan:

Residential plans do not cover routine maintenance services or items normally designed to be replaced by the purchaser due to normal wear and tear. They do not cover any product used for commercial or rental applications. They also do not cover repairs for damage from accident, misuse, fire, theft, or exposure to weather conditions such as lightning, hail, flood or water. See the actual PowerGard™ Protection Plan Residential Terms and Conditions for a complete listing of coverage, and limitations and conditions under the program.

Benefits of a Residential plan:

- Offer the choice of adding up to 4 years of repair coverage beyond the machine's factory warranty.
- Do not require preapproval before repairs are made by the authorized John Deere dealership.
- Is transferable by the original purchaser for the balance of the original agreement period.
- Ensures higher resale value and makes equipment more marketable during sale or trade-in.
- Comprehensive Plans:
 - No deductibles and no out-of-pocket costs on covered repairs.
 - Free transportation for factory warranty and extended repair plan repairs for the term of the plan (Note: A surcharge may apply for machines located outside of the dealership's normal service area).
- Limited Powertrain Plans:
 - Low deductibles on covered repairs
 - Do not provide transportation coverage
