Covers:

All consumable & durable parts, including any required labor & travel expense.

This power conditioner will remain the property of Kirbo's Office Systems, and it will be the customer's responsibility to observe the following:

- ✓ The power conditioner must be plugged into an approved wall socket (never a power strip)

Copy quality problems due to the use of the wrong type of toner, expired toner, or toner not approved by Kirbo's.

Note: The use of black or color toner from any source other than Kirbo's Office Systems will void the equipment warranty and maintenance agreement.
