Important fare and schedule information

- All fare and fare ranges are subject to change until purchased.
- Flight ontime performance statistics can be viewed by clicking on the individual flight numbers.
- All fare and fare ranges listed are per person for each way of travel.
- "Unavailable" indicates the corresponding fare is unavailable for the selected dates, the search did not meet certain fare requirements, or the flight has already departed.
- "Invalid w/ Depart or Return Dates" indicates that our system cannot return a valid itinerary option(s) with the search criteria submitted. This can occur when flights are sold out in one direction of a round trip search or with a same-day round trip search. These itineraries may become valid options if you search with a different depart or return date and/or for a one-way flight instead.
- For [military](#) fares, please call 1-800-I-FLY-SWA (1-800-435-9792). These fares are a discount off the "Anytime" fares. Other fares may be lower.
- [Group Reservations](#), ten or more Customers traveling from/to the same origin/destination. Discounts vary. Call 1-800-433-5368.

¹Refundable, as long as you cancel your reservation at least ten (10) minutes prior to the scheduled departure of your flight. If you cancel, you're eligible to receive 100% of your ticket value as a refund to your original form of payment. Southwest reusable travel funds from a previous reservation that are applied toward a Business Select or Anytime Fare will be refunded as reusable travel funds.

²Same-day change/Same-day standby: For same-day changes, a confirmed seat, if there's an open seat on a different flight on the same day as your original flight and it's between the same cities, you can book a seat on the new flight free of airline charges. If there isn't an open seat, ask a Southwest Gate Agent to add you to the same-day standby list. If there are any government taxes and fees associated with these itinerary changes, you will be required to pay those. Your original boarding position is not guaranteed.

³Fly By® priority lane: This priority lane gets you to the front of the ticket counter faster. A-List or A-List Preferred Members already enjoy the Fly By® priority lane (where available). Fly By® security lane: This priority lane gets you through the security line faster. A-List or A-List Preferred Members enjoy this benefit too.

⁴"Savings with Flight + Hotel" claim is based on average savings for Southwest Vacations® bookings purchased in a bundled package of 5 or more nights vs purchasing components separately (i.e: a la carte). Savings on any given package will vary based on the selected origin, destination, travel dates, hotel property, length of stay, car rental, and activity tickets. Savings may not be available on all packages.

⁵Flights traveling 175 miles or less only serve water.

Shauna,

Here is what you wanted... let me know if this works or you want it in another format or if you have too send it to me how it needs to be and I can do it for you. If I need to add anything let me know or take anything out.

I will not need a rental just a taxi from the airport to the hotel and back. The class is at the Hotel so this saves money. I would be willing to bring a receipt for the taxi ride and be reimburse when I get back if they are good with this.

Justification:

Taser has given us a free Master Instructor course this year with the recent purchase of the tasers. The instructor course is around 500.00 each and you have to recertify every 2 years. The master instructor can certify/re-certify instructors which saves the county money. The county has 4 taser instructors, and with the cost of the class being free and only costing hotel/air travel is comes out cheaper.

I would fly in on Sunday May 15, 2022 and leave on Saturday May 21, 2022

Airfair is around 400.00 (round trip) – see the print out from Southwest airlines with the prices to confirm Flight # 8 223.00 one way and Flight 3718 is 169.00 for a total on flights 392.00 (not including any taxes/fees)- I would have someone take and pick me up from the airport to save on parking my vehicle at the airport. I chose love field because the flights were cheaper and the airport is easier to get around.

Hotel – 125.00/night (special rate) for a total from Sunday May 15 – Saturday May 21 (check out on Saturday) – 750.00 (plus taxes and fees)

No Rental Car/ Only reimbursement from Taxi (if unable to get free transportation)

Total Travel Cost (Hotel/Air) – 1150.00 (not including any fees/taxes)

Peridium: 185.00
