Denied**American Rescue Plan Project Submission Form**

Project Name - A short name for your project, such as "Sewer Line Expansion along Main St."

Pathway Fiber to the Premise for underserved Johnson County consumers.

Primary Point of Contact - The name and contact information for the person in your organization that should be contacted first about this project for more details.

Ray Bussell
General Manager

ray@aciglobal.com

Project Description - A description of your project or item for purchase in 250 words or less, including why the project is needed and how that need will be met.

To provide Fiber to the premise for both residential and businesses in areas of Johnson County. Due to the rapid growth of Johnson County, there are several residents/businesses that have been passed over for modern broadband facilities, leaving these consumers with Internet service that fails to meet the definition of modern broadband service.

With ARPA funding Pathway will build fiber to the Premise in these underserved areas. Tying them to Pathway's existing, robust Fiber Network. This will allow these customers to receive Gig to HyperGlg internet speeds.

Project Location - Where your project will be performed, such as "500 feet along Main Street". Include maps, if available.

City of Godley and Joshua developments: Old Mountain Valley, Mountain Valley Blvd., Cooper Valley, Lonestar street area east of Hwy 174, Henderson, Apple, Plum streets and Pear CT., Cotton wood Street, Stadium Dr, Old Town Joshua west of Hwy 174.

Project Budget - A rough estimate of the budget required for your project.

\$1,800,000 is a rough estimate for the above project.

Project Timeframe - An estimate of how long it will take to start the project, how long the project will take to complete, and how long it will take to expend all funds related to the project.

From date of award Pathway could begin construction on the project within 30 days, barring unforeseen circumstances and delays in materials.

We anticipate completion of the project within a year of awarded funds, with all funds being expended within 15 months after award date.
