Full 2 Year Warranty	1	\$0.00	\$0.00	<input type="checkbox"/>	\$0.00	\$0.00

### Special Comments

Proposal is to convert the existing spray aerobic system into a drip emitter disposal system. The current system is having strong odors due to chemical and medical overload. Drip disposal will make all distribution sub surface which in turn will eliminate odor issues. Keep in mind there has been no design done at the time of this proposal, so the price could fluctuate slightly depending on the result/findings of the engineer. All legwork necessary to obtain permits thru Johnson County is included in this price. Final inspection before cover-up will be performed by Johnson County and is also included. All work is performed in house by a state licensed installer II and carries a full 2 year warranty on all parts, materials, and workmanship. Also keep in mind our PRICE MATCH GUARANTEE\*, if you get a lower bid for similar work, Helton Septic Inc. will attempt to meet and beat their price by 5%. If you have any further questions, please feel free to contact our office anytime at (817)558-0843. Thanks again for your time and God Bless. Also make sure to check out our system types and Septic Care Info online at [www.HeltonIngramSeptic.com](http://www.HeltonIngramSeptic.com)

Tax Amt  
 \$232.65
