### How We Are Different

BearCom's Professional Service Group manages the largest independent wireless equipment service/repair depot in America. Our team provides radio repair, field service, engineering, project management, systems integration, and customer service. We offer CSC service locations (USMSS), service level agreements, and first through third-level support with dispatch.

### Service Level Agreements

An easy repair or quick service call could become costly without the proper service agreement. BearCom offers simple, cost-effective plans that could save you thousands of dollars in future repairs or service. We will customize a service agreement based on your specific needs. The three levels of support are:

- **Bronze:** Monday through Friday support with on-demand pickup of mobile and portable radio products, on-site troubleshooting and repair of infrastructure-related communications equipment, and quarterly preventative maintenance schedule.

Severity Level	Description	Phone Response Time	On Site
1	Mon-Fri, 8:00 a.m.-5:00 p.m. response to catastrophic failures that detrimentally impede operations or jeopardize safety of personnel	4 hours	Same day (after-hours T&M rates will be charged for work performed after service hours)
2	Mon-Fri, 8:00 a.m.-5:00 p.m. response to failures that degrade business operations but do not impact safety of personnel	4 hours (calls taken after 2:00 p.m. will be addressed by 8:00 a.m. next business day)	Same day (for work performed during business hours; if not, will be addressed next business day)
3	Mon-Fri, 8:00 a.m.-5:00 p.m. response to degraded communications that do not significantly impact business operations or safety of personnel	4 hours (calls taken after 2:00 p.m. will be addressed by 8:00 a.m. next business day)	Next business day

- **Silver:** Monday through Sunday support with weekly scheduled pickup and delivery of mobile and portable radio products, on-site troubleshooting and repair of infrastructure-related communications equipment, and quarterly preventative maintenance schedule.

Severity Level	Description	Phone Response Time	On Site
1	Mon-Fri, 8:00 a.m.-5:00 p.m. response to catastrophic failures that detrimentally impede operations or jeopardize safety of personnel	2 hours	4 hours (after-hours T&M rates will be charged for work performed after service hours)
2	Mon-Fri, 8:00 a.m.-5:00 p.m. response to failures that degrade business operations but do not impact safety of personnel	4 hours (calls taken after 2:00 p.m. will be addressed by 8:00 a.m. next business day)	Same day (for work performed during business hours; if not, will be addressed next business day)
3	Mon-Fri, 8:00 a.m.-5:00 p.m. response to degraded communications that do not significantly impact business operations or safety of personnel	4 hours (calls taken after 2:00 p.m. will be addressed by 8:00 a.m. next business day)	Next business day

- **Gold:** Monday through Sunday, 24-hour support with weekly scheduled half-day on-site technician providing real-time repair on minor accessory repairs, on-demand and on-site troubleshooting and repair of infrastructure-related communications equipment, and quarterly preventative maintenance schedule. Board-level failures will be picked up and delivered to the closest BearCom branch in the city supporting our customer.

Severity Level	Description	Phone Response Time	On Site
1	7x24 response to catastrophic failures that detrimentally impede operations or jeopardize safety of personnel	2 hours	4 hours
2	Mon-Fri, 8:00 a.m.-5:00 p.m. response to failures that degrade business operations but do not impact safety of personnel	2 hours (calls taken after 3:00 p.m. will be addressed by 8:00 a.m. next business day)	4 hours (for work performed during business hours; if not, will be addressed next business day)
