**3. MINIMUM PAYMENT PERIOD**

Service Components	Percentage of Monthly Recurring Charge Applied for Calculation of Early Termination Charges	Minimum Payment Period per Service Component
All Service Components	50% plus any unpaid or waived non-recurring charges	36 months

**3.1. Minimum Payment Period – Calculation of Early Termination Charges**

For services purchased through Network on Demand, the "Monthly Recurring Charge" used for the purposes of computing any applicable termination liability (early termination charges) under the relevant service publication or the customer's master agreement is determined as follows: (i) the total Monthly Recurring Charges payable for the terminated service for the three months prior to the date of termination (or such shorter period as the terminated service had been installed if terminated less than 3 months after installation), divided by (ii) the number of days in such period, times (iii) 30 days. The Minimum Payment Period for CIR, CoS, or CIR and CoS Packages are coterminous with the Minimum Payment Period of the associated Customer Port Connection; however, early termination charges are not incurred as a result of changes to CIR, CoS, or CIR and CoS Packages while the associated Customer Port Connection is still in service.

**4. ADDS; MOVES; and UPGRADES**

**4.1. Adds**

Orders for Service Components (other than CIR/CoS) in excess of quantities listed in Section A-1 of Attachment A ("Adds") are not permitted.

**4.2. Moves**

Per applicable Service Publication

**4.3. Upgrades**

**4.3.1. Upgrades to a Higher Speed**

Customers may upgrade their CIR to a higher speed without incurring Termination Charges if such increases do not require physical changes to AT&T's equipment or connections at Customer Site(s). In addition, customers may upgrade their Class of Service without incurring Termination Charges provided the upgrade does not include any reduction in the customer's existing CIR.

**4.3.2. Pricing for Service Reconfiguration - Increase in CIR or CoS\***

Service Components	Monthly Recurring Rate and Non-recurring Charges
Committed Information Rate (CIR) or Class of Service (CoS) specified in Attachment A	As specified in Attachment A
Committed Information Rate (CIR) or Class of Service (CoS) not specified in Attachment A	26% discount off of the Service Publication monthly recurring rates then in effect for the increased CIR/CoS for the EPP term equal to the Minimum Payment Period of the associated Customer Port Connection, or if no such EPP term exists then the next shorter EPP term

\*only increases which do not require physical changes to AT&T's equipment or connections at Customer Site(s)
