ATTACHMENT D
RTS WORKSTATION LEASE AGREEMENT

STATE OF TEXAS

COUNTY OF Johnson

THIS AGREEMENT is made between the Texas Department of Motor Vehicles "TxDMV" or "department" and the "county" pursuant to Texas Transportation Code, Section 520.0093, for the purposes of providing the County of Johnson , Texas an option to lease additional Registration and Title System ("RTS") workstations directly from the State. This agreement is incorporated into the Interlocal Agreement for Provision of Equipment and Consumables ("County Agreement") and is subject to the provisions of the County Agreement and the County Equipment Guide, including but not limited to provisions relating to: equipment installation, RTS programming and hardware/software configuration, security, maintenance, equipment repair and replacement, equipment movement, unauthorized equipment use, building electrical requirements, accountability/inventory of equipment, training, and supplies.

1. If a county desires additional RTS workstations beyond what is allocated by the department, the workstations may be leased at county expense from the department.
2. The cost of leasing a basic RTS workstation¹ will be \$350 per year plus \$9 per year for an eLearning account, for a total annual lease cost of \$359. If a cable drop is needed for a workstation, there is a one-time cost of \$180 per drop. For workstations that are leased by the county for placement in a full service deputy ("FSD") office, there is an additional annual cost of \$4,260 per full service deputy site, per year to cover the T1 circuit cost.
3. Lease charges are billed annually on the county's annual invoice. Lease costs are prorated for the first year of the lease term based on the installation date, and the prorated amount will be included on the county's next annual invoice.
4. The county may request the department remove the leased equipment at any time. The equipment will be removed within 30 days of the request being received by TxDMV. The county will forfeit any portion of the annual lease fee that remains.
5. Costs for leased equipment and services are subject to change annually.
6. Counties will indicate below (by site and quantity) equipment requirements. Total annual costs can be projected using the table provided. TxDMV will compute final costs and the county will be billed in accordance with paragraphs 2 and 3 above.
7. In addition to the provisions of the original County Agreement, TxDMV's responsibility for equipment installed at FSD sites (i.e., privately owned, for-profit enterprises performing motor vehicle title and registration transactions for the county tax office) is limited to ensuring the equipment remains operational. The county will be responsible for all training, forms, supplies, user policy and procedures, etc., associated with this offsite equipment. This agreement will remain in force for as long as the County Agreement remains effective.

¹The Basic RTS Workstation includes all standard items for full functionality (monitor, CPU, keyboard, mouse, printer, software, support, and cash drawer, if necessary), in a normal environment.

8. Workstations identified below that are leased under the provisions of this agreement will be installed following approval of the County Commissioner's Court and after signature by the County Judge (or a designee when supported by a certified copy of the Commissioner's Court Order or Resolution, which must be attached) and counter signed by the Director of the Vehicle Titles and Registration Division of the Texas Department of Motor Vehicles.

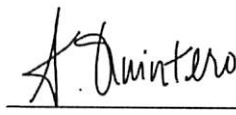

The County of Johnson, Texas will lease 3 additional RTS workstation(s) to be installed at the following County Tax Office or full service deputy location(s).

Site Type County or FSD	New (N) or Existing (E) Site	Site Name	Site Address	Workstation Quantity
County	E	Burleson Sub-courthouse	247 Elk Drive, Burleson, TX 76028	1
