SECTION 2:

RESERVED FOR LAW ENFORCEMENT AGENCY USE ONLY

Law Enforcement Agency/Activity - The LESO Program defines this as a Governmental agency/activity whose primary function is the enforcement of applicable Federal, State and Local laws and whose compensated Law Enforcement officers have the powers of arrest and apprehension.

I certify that my agency meets the definition of a "Law Enforcement Agency/Activity" as described above. I certify that all information contained in this application is valid and accurate. I understand that I must provide my State Coordinator an application to update my agency participant information if the following information changes: a) Chief Law Enforcement Official (CLEO) changes, b) Agency physical address changes, c) RTD Screener additions/deletions, d) that my agency is abiding by the current version of the LESO approved State Plan of Operation (SPO) and e) that my agency has a signed copy of the SPO on file.

I am signing this document as the CLEO of this law enforcement agency.

*(Check only one): In my official position or as Acting/interim, I am authorized to sign documents on behalf of the CLEO for this agency. If checked, please provide appropriate documentation (i.e., current department policy, agency memorandum or other suitable documentation that provides such signature authority to the individual holding that official position).

By signing this application, I certify that my Agency will comply with U.S. Code 2576o for all controlled property, which states; With the authorization of the relevant local governing body or authority, that my agency has adopted publically available protocols for the appropriate use of controlled property, the supervision of such use, and the evaluation of the effectiveness of such use, including auditing and accountability policies; and that it provides annual training to relevant personnel on the maintenance, sustainment, and appropriate use of controlled property. I certify under penalty of perjury that the foregoing is true and correct. Making a false statement may result in judicial actions or prosecution under 18 USC § 1001.

SECTION 4:

RESERVED FOR LESO USE ONLY

NOTICE FOR OLA DISPOSITION SERVICES PERSONNEL: Regulatory guidance outlining Screener Identification and Authorization must be accomplished in accordance with DOD 4160.21-M, Volume 3, Enclosure 5, Section 3 (k). In accordance with the aforementioned reference, the LESO Program authorizes the individuals identified in Section 1 of this form to screen excess property at your facilities as authorized participants in the LESO Program. This authorized screener letter supersedes all previously issued screener letters for this Law Enforcement Agency/Activity and is valid only on or after the date signed by authorized LESO signatory. Only two individuals authorized to screen per visit; however, additional personnel may assist receiving material previously screened and approved for transfer.

*This agency is authorized to screen items via the LESO Program under authorized Agency DODAAC:

*LESO Authorized Signatory: *Screener letter is valid one year from this date:
*Signature

Note: After one year from the LESO signatory date, the screener letter is no longer valid. LEAs may request a new screener letter through their SC/SPOC.

LESO Notes:

State Plan of Operation (SPO) between:
The State of Texas and the
(State/United States Territory)
Johnson County Constable Office Pct 4

Law Enforcement Agency (LEA)

1) PURPOSE This State Plan of Operation (SPO) is entered into between the State/United States (U.S.) Territory and Law Enforcement Agency (as identified above), to set forth the terms and conditions which will be binding on the parties with respect to Department of Defense (DoD) excess personal property conditionally transferred pursuant to 10 USC § 2576a, in order to promote the efficient, expeditious transfer of property and to ensure accountability of the same.

2) AUTHORITY The Secretary of Defense (SECDEF) is authorized by 10 USC § 2576a to transfer to Federal and State Law Enforcement Agencies (LEAs), personal property that is excess to the needs of the DoD, including small arms and ammunition, that the Secretary determines is suitable to be used by such agencies in law enforcement activities, with preferences for counter-drug/counter-terrorism, disaster-related emergency preparedness or border security activities, under such terms prescribed by the Secretary. The SECDEF has delegated program management authority to the DLA. The DLA Disp Svcs LESO administers the program in accordance with (IAW) 10 USC § 2576a, 10 USC § 280, DoDM 4160.21 and DLA I 4140.11. The DLA defines “law enforcement activities” as activities performed by governmental agencies whose primary function is the enforcement of applicable federal, State, and local laws and whose compensated law enforcement officers have powers of arrest and apprehension.

3) GENERAL TERMS AND CONDITIONS “DoD excess personal property” also known as “items”, “equipment”, “program property”, or “property”. “DLA Disposition Services Law Enforcement Support Office” also known as “1033 Program”, “LESO Program”, “the program”, or “LESO”. “State or U.S. Territory” also known as “the State”, “State Coordinator (SC)”, “State Point of Contact (SPOC)”, or “SC/SPOC”. “Law Enforcement Activities” also known as “agencies in law enforcement activities”, “Law Enforcement Agency (LEA)”, “program participant”, or “State/LEA”.

a) Property made available under this agreement is not for personal use and is for the use of authorized program participants only. All requests for property shall be based on bona fide law enforcement requirements. Authorized participants who receive property from the program will not loan, donate, or otherwise provide property to other groups or entities (i.e., public works, county garage, schools, etc.) that are not otherwise authorized to participate in the program. Property will not be obtained by program participants for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan. To receive such property, on an annual basis the LEA shall certify that they have:

- i) Obtained authorization of the relevant local governing body authority (i.e., city council, mayor, etc.).
- ii) Adopted publicly available protocols for the appropriate use of controlled property, the supervision, and the evaluation of the effectiveness of such use, including auditing and accountability policies.
- iii) Annual training in place and provides it to relevant personnel on the maintenance, sustainment, and appropriate use of controlled property, including respect for the rights of citizens under the Constitution of the U.S. and de-escalation of force.

b) All costs associated with the transportation, turn-in, transfer, repair, maintenance, insurance, disposal, repossession or other expenses related to property are the sole responsibility of the LEA. The LEA shall also be responsible to reimburse the U.S Government (USG) for costs incurred in retrieving and/or repossessing property impermissibly transferred by the LEA to unauthorized participants.

c) The LEA will maintain and enforce regulations designed to impose adequate security and accountability measures for controlled property to mitigate the risk of loss or theft of property. Program participants shall implement controls to ensure property made available under this agreement is used for official law enforcement use only. The State/LEA shall take appropriate administrative and/or disciplinary action against individuals that violate provisions of the Memorandum of Agreement (MOA) between the Federal Government and the State/U.S. Territory and/or this SPO, including unauthorized use of property.

d) All property transferred to the LEA via the program is on an as-is, where-is basis.

e) LESO reserves the right to recall property issued to a LEA at any time.

f) General use of definitions/terms:

i) Demilitarization (DEMIL code)-a code assigned to DoD property that indicates the degree of required physical destruction, identifies items requiring specialized capabilities or procedures, and identifies items which do not require DEMIL but may require Trade Security Controls (TSC). Program participants are not authorized to conduct physical demilitarization of property.

ii) "Controlled property"-items with a DEMIL code of B, C, D, E, F, G, and Q (with an Integrity Code of "3"). Title and ownership of controlled property remains with the DoD in perpetuity and will not be relinquished to the LEA. When a LEA no longer has a legitimate law enforcement use for controlled property, they shall notify the LESO and the property will be transferred to another program participating LEA (via standard transfer process) or returned to DLA Disp Svcs for disposition.

iii) "Non-controlled" property"-items with a DEMIL code of A or Q (with an Integrity Code of "6"). These items are conditionally transferred to the LEA and will remain on LEA accountable inventory for one year from the ship date. However, after one year from the ship date, DLA will relinquish ownership and title for the property to the LEA without issuance of further documentation. During this one year period, the LEA remains responsible for the accountability and physical control of the property and the LESO retains the right to recall the property. Participants should return any property in this one year period that becomes excess to their needs or they otherwise determine is not serviceable.

(1) The LEA receives title and ownership of DEMIL "A" and "Q6" property as governmental entities. Title and ownership of this property does not pass from DoD to any private individual or LEA official in their private capacity. Such property shall be maintained and ultimately disposed of IAW provisions in State and local laws that govern public property.

(2) Sales/gifting of DEMIL "A" and "Q6" property after one year from the ship date inconsistent with State/local law may constitute grounds to deny future participation in the program.

(3) After one year from ship date, DEMIL "A" and "Q6" property may be transferred, cannibalized for usable parts, sold, donated, or scrapped.

(4) Once the property is no longer on the LEA accountable inventory, the property is no longer subject to the annual physical inventory requirements and will not be inventoried during a LESO Program Compliance Review (PCR).

g) All physical transfers of property require LESO approval. Program participants will not physically transfer property until the LESO approval process is complete. Program participants may request their SC/SPOC approval to temporarily conditionally loan property to another program participant (if mission requires). If the SC/SPOC approves the temporary conditional loan, it shall be done using an acceptable Equipment Custody Receipt (ECR). At the end of the temporary conditional loan, the item (s) shall be returned to the original LEA for accountability. All requests for conditional loans will be based on bona fide law enforcement requirements.

h) The program may authorize digital signatures on required program documentation.

i) The LEA is not required to maintain insurance on controlled property, aircraft or other property with special handling requirements that remain titled to DoD. However, the LEA will be advised that if they elect to carry insurance and the insured property is on the program inventory at the time of loss or damage, the recipient will submit a check made payable to DLA for insurance proceeds received in excess of their actual costs of acquiring and rehabilitating the property prior to its loss, damage, or destruction.

4) STATE PLAN OF OPERATION The State shall:

a) Assist in training LEAs with enrollment, property requests, transfers, turn-ins, and disposal procedures.

b) Adhere to the requirements outlined in the MOA between the Federal Government and the State/U.S. Territory and ensure MOA amendments or modifications are incorporated into this SPO and program participants are notified and acknowledge responsibility to comply with changes.

c) Submit a SPO to LESO that shall address procedures for determining LEA eligibility, allocation, equitable distribution of property, accountability, inventory, training, and education, State-level internal PCRs, export control requirements, procedures for turn-in, transfer, and disposal and other responsibilities concerning property.

d) Enter into written agreement with each LEA, via the LESO-approved SPO, to ensure program participants acknowledge the terms, conditions, and limitations applicable to property. This SPO must be signed by the current Chief Law Enforcement Official (CLEO) (or designee), the Civilian Governing Body Official (CGB) (or designee) and the current SC/SPOC.

e) Provide program participants the following information:

i) The LESO Program State POCs:

State Coordinator (SC): Michelle Farris

State Point of Contact (SPOC): Rolando Ayala

State Point of Contact (SPOC): Laurie Patterson

State Point of Contact (SPOC): John Riddick

ii) SC/SPOC Facility Information:

Physical Mailing Address: 5805 N. Lamar Blvd Bldg G Austin, Texas 78752

Email: TxLESOProgram@dps.texas.gov

Phone Number: (512) 424-7590

Website: https://www.dps.texas.gov/section/texas-leso-program/texas-leso-program

Hours of Operation: 7:00AM – 5:00PM (CST)

iii) Funding to administer the LESO Program at the State-level is provided via:

The Governor of the State of Texas has appointed the Texas Department of Public Safety to conduct

management and oversight of this program. All funding and staffing will be provided by the Texas Department of Public Safety.

5) PROPERTY ACCOUNTING SYSTEM The State will maintain access to Federal Excess Property Management Information System (FEPMIS) (or current property accounting system), to ensure LEAs maintain property books, to include, but not limited to, transfers, turn-ins, and disposal requests from an LEA or to generate these requests at the State-level and forward all approvals to the LESO for action. The State will:

a) Conduct quarterly reconciliations of State property records.

b) Ensure at least one person per LEA maintains access to the property accounting system. Users may be “active” or “inactive” in the system, so long as they are registered. Ensure registered users are employees of the LEA.

c) Ensure LEAs receive and account for property in the property accounting system within 30 days.

6) LESO WEBSITE The State shall access the LESO website for timely and accurate guidance, information, and links concerning the program and ensure that all relevant information is passed to the program participants.

The LEA shall access the Texas LESO website at <https://www.dps.texas.gov/section/texas-leso-program/texas-leso-program>, for timely and accurate guidance, information, forms and links concerning the program.

7) ANNUAL TRAINING 10 USC § 280 provides that the SECDEF, in cooperation with the U.S. Attorney General, shall conduct an annual briefing of law enforcement personnel of each State (including law enforcement personnel of the political subdivisions of each State). Individuals who wish to attend are responsible for funding their own travel expenses. The briefing will include information on training, technical support, equipment, and facilities that are available to civilian law enforcement personnel from the DoD. The state shall provide program participants training material as discussed during the annual LESO training which includes information on property management best practices to include (but not limited to) searching for property, accounting for property on inventory, transfer and turn-in of property when it is no longer needed or serviceable.

8) ENROLLMENT The LESO shall establish and implement program eligibility criteria IAW 10 USC § 2576a, DLA Instructions and Manuals and this SPO and retains final approval/disapproval authority for application packages forwarded by the State. Non-governmental law enforcement entities such as private railroad police, private security, private academies, correctional departments, prisons, or security police at private schools/colleges are not eligible to participate. Fire departments (by definition) are not eligible to participate and should be referred to the DLA Fire Fighter program administered by USDA. Law enforcement agencies requesting program participation shall have at least one full-time compensated law enforcement officer. Program property may only be issued to full-time/part-time law enforcement officers. Non-compensated reserve officers are not authorized to receive property. State law enforcement training facilities/ academies may be authorized to participate in the program given their primary function is the training of bona fide State/local law enforcement officers. Law enforcement training facilities/academies will be reviewed on a case-by-case basis. The State shall:

a) Validate the authenticity of LEAs that are applying for program participation. Only submit to the LESO those application packages that the SC/SPOC recommends/certifies are government agencies whose primary function is the enforcement of applicable federal, State, and local laws and whose compensated officers have the powers of arrest and apprehension. If the State forwards an unauthorized participant application package, this may result in a formal suspension of the State.

b) Have sole discretion to disapprove LEA application packages in their State. The SC/SPOC should provide notification to the LESO when application packages are disapproved at the State-level.

c) Ensure that screeners listed in the application package are compensated employees of the LEA and are TCOLE certified peace officers. A screener may only screen property for two LEAs. Contractors may not conduct screening on behalf of a LEA.

d) Make recommendation on what constitutes a “full-time” or “part-time” law enforcement officer.

e) Ensure LEAs update their account information annually, or as needed. This may require the LEA to submit an updated application package. An updated application package shall be submitted for (but is not limited to) the following: a change in CLEO, the addition or removal of a screener, a change in the LEA physical address or contact information, etc.

f) Provide the LEA a comprehensive program overview once approved by the LESO for enrollment. The overview will be done within 90-days of a LEA being approved to participate.

The LEA shall:

a) Submit an updated application packet annually to the Texas SC/SPOC office no later than June 30. Any time there is a change in personnel, CLEO, contact information etc, the LEA shall submit an updated application packet within 30 days of the change.

b) Once approved for participation in the program, at least one of the LEA’s authorized screeners must attend a mandatory training class within (6) months and prior to approval of property requests. The class will be conducted free of charge to the LEA and will be held at a location determined by the Texas SC/SPOC office. Screeners who may have been previously employed by and screeners for other LEA’s, may still be required to attend training as the training qualifies the LEA, not the individual.

c) Upon completion of the mandatory training, at least one of the LEA’s authorized screeners (preferably the one who completed the training), must create an account in the current property accounting system and maintain said account for the duration of the LEAs participation in the program, regardless if the LEA ever receives property from the program.

d) Failure to complete all parts of the enrollment process listed above within (6) months of approval for participation, will result in the LEA being deactivated from the program. Once deactivated, an LEA may not apply for reactivation until the end of the following annual inventory cycle.

e) LEA transfer of responsibility of program property assigned to the LEA. A change in CLEO, due to any reason, will not relinquish responsibility from the LEA for properly maintaining accountability of any and all assigned program property. If the new CLEO does not wish for his/her agency to continue participation in the program, the CLEO will notify the Texas SC/SPOC office in writing that they wish to return all assigned property to their assigned Disposition Site and/or transfer it to another participating LEA and exit the program. The new CLEO remains responsible for any and all assigned property until it is officially transferred or returned and the LEA’s inventory is completely cleared.

9) PROPERTY ALLOCATION

a) The LESO shall:

i) Upon receipt of a SC/SPOC validated request for property through the RTD website, will review and give preference to requisitions indicating that the requested property will be used in the counter-drug, counter-terrorism, disaster-related emergency preparedness, or border security activities of the requesting LEA. Program participants that request vehicles used for disaster-related emergency preparedness, such as high-water rescue vehicles, should receive the highest preference.

ii) Require additional justification for small arms, aircraft, ammunition, and vehicles and to the greatest

extent possible, ensure fair and equitable distribution of property based on current LEA inventory and justification for property.

iii) Reserve the right to determine and/or adjust allocation limits, to include the type, quantity and location of property allocated to the LEA. Generally, no more than one item (per part-time/full-time officer) will be allocated. Quantity exceptions may be granted by the LESO on a case-by-case basis based on the justification provided by the LEA. Currently, the following allocation limits apply:

- (1) Robots: one (of each type) for every ten officers (full-time/part-time).
- (2) High Mobility Multipurpose Wheeled Vehicle (HMMWV)/Up-Armored HMMWV (UAH): one vehicle for every three officers (full-time/part-time).
- (3) Mine Resistant Ambush Protected (MRAP) / Armored Vehicles: two vehicles per LEA.
- (4) Small arms: one (of each type) per officer (full-time/part-time).
 - (a) LESO may authorize over allocations of small arms in preparation for inevitable scenarios, i.e. training, equipment downtime (damage, routine maintenance, inspections) or other law enforcement needs. The chart below is the standard for small arms acceptable over-allocations:

Small Arms Acceptable Over-Allocations	
# of Officers	# by type
1-10	2 or less
11-25	3 or less
26-100	5 or less
101-299	8 or less
300 or more	10 or less

- (b) In instances where small arm allocation amounts exceed the “acceptable over-allocation” levels, the LESO will coordinate with States to verify accuracy of the officer count. If small arm allocation is still beyond acceptable levels, LESO may authorize one of the following:
 - 1) an exception to policy, 2) a transfer, or 3) a turn-in.

b) The State shall:

i) Assist the LEA in the use of electronic screening of property via the RTD website and shall access the RTD website a minimum of once daily (Monday-Friday) to review and process LEA requests for property. Property justifications shall be validated to ensure they meet the intent of 10 USC § 2576a as suitable for use by agencies in law enforcement activities. Prior to approving a request or transfer, review the LEAs property allocation report to prevent over allocation.

ii) Upon receipt of a valid LEA request for property, provide a recommendation to the LESO on the preference to be given to those requisitions for property that will be used in counter-drug, counter-terrorism, disaster-related emergency preparedness or border security activities of the recipient agency. Requests for vehicles used for disaster-related emergency preparedness, such as high-water rescue vehicles, should receive the highest preference. The State shall consider the fair and equitable distribution of property based on current LEA inventory and LEA justifications for property. The State shall ensure the type and quantity of property being requested by LEAs is reasonable and justifiable given the number of officers (full-time/part-time) and prior requisitions for similar items they have received (both controlled and non-controlled property). Generally, no more than one of any item per officer (full-time/part-time) will be allocated.

c) The LEA shall:

- i) Ensure that the individual who will be screening for property and submitting requests on behalf of the LEA, has completed the mandatory training and has a full understanding of the allocation limits, justification requirements and forms utilized for all requests.
- ii) Ensure that at least one person maintains access to and understands the use of the property accounting system as long as the LEA is an active participant in the LESO program.
- iii) Ensure that the individual responsible for managing the property accounting system, notifies the Texas SC/SPOC office of any property that is damaged upon receipt or is missing quantities that were requested, so that an immediate adjustment may be made prior to receipt being made in the property accounting system.

11) PROPERTY MANAGEMENT Certain controlled equipment shall have a documented chain of custody (i.e. an acceptable ECR), including a signature of the recipient. Controlled property requiring an ECR: small arms (including parts and accessories), aircraft, vehicles, optics, and robots. It is encouraged to utilize ECRs for all controlled property. LEAs may request cannibalization on aircraft or vehicles. Cannibalization requests shall be submitted to the State for review. Cannibalization must be approved by the LESO prior to any cannibalization actions. The cannibalized end item shall be returned to DLA Disp Svcs within the timeframes determined by the LESO.

a) Aircraft-Aircraft will not be obtained by LEAs for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan and shall be reported to the LESO at the end of their useful life. All aircraft are considered controlled property, regardless of DEMIL code. Aircraft that are no longer needed or serviceable shall be reported to the General Services Administration (GSA) for final disposition by the LESO Program Aircraft Specialist.

b) Vehicles-Program participants that request vehicles used for disaster-related emergency preparedness, such as high-water rescue vehicles, should receive the highest preference. Vehicles will not be obtained by LEAs for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan and vehicles that are considered controlled property will be returned to DLA Disp Svcs at the end of their useful life. DLA Disp Svcs Field Activity/Site will identify qualifying DEMIL A or Q6 vehicles and may issue (upon LEA request) a Standard Form (SF) SF-97 to the LEA upon physical transfer of the vehicle. The LEA may modify the vehicle during the one year conditional transfer period.

c) Ammunition-LESO will support the U.S. Army (USA), in allocating ammunition to program participants. Ammunition obtained via the program will be for training use only. At the time of request, the LEA will certify in writing that the ammunition will be used for training use/purposes only. The USA will issue approved transfers directly to the LEA. The LEA is responsible for funding all packing, crating, handling, and shipping costs for ammunition. The LEA will make reimbursements directly to the USA. Ammunition will not be obtained by LEAs for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan. Ammunition obtained via the program shall not be sold. Ammunition will be treated as a consumable item and not tracked in any DLA inventory system or inspected during PCRs. LESO shall track and maintain necessary records of ammunition that has been transferred to LEAs and will post all requests, approvals, and denials on the LESO public website.

d) Small arms:

- i) Small arms will not be obtained by LEAs for the purpose of sale, lease, loan, personal use, rent, exchange, barter, transfer, or to secure a loan and shall be returned to DLA Disp Svcs at the end of their useful life. Cannibalization of small arms is not authorized.

ii) Temporary modifications to small arms are authorized; permanent modifications to small arms are not authorized (i.e. drilling holes in the lower receiver of a small arm). In cases of temporary modifications, all parts are to be retained and accounted for in a secured location under the original serial number for the small arm until final disposition is determined. If the modified small arm is transferred to another LEA, all parts will accompany the small arm to the receiving LEA.

iii) Small arms will be issued utilizing an acceptable ECR which obtains certain information about the property being issued to include (but is not limited to) the signature of the law enforcement officer who is accepting responsibility for the small arm(s), the serial number of the small arm, the date in which the law enforcement officer took possession of the small arm, etc.

iv) Small arms that are not carried on an officer's person or in the officer's immediate physical vicinity will be secured using "two levels of physical security". Two levels of physical security meaning two distinct lockable barriers, each specifically designed to render a small arm inaccessible and unusable to unauthorized persons. Lockable barriers meeting this description may be either manual or electronic.

v) Program participants no longer requiring program small arm(s) shall request authorization to transfer the small arm to another participating LEA or request authorization to turn-in/return the small arm. Transfers and turn-in requests shall receive final approval from the LESO; small arms will not physically move until the LESO provides official notification that the approval process is complete. When turning-in small arms to Anniston Army Depot, the LEA shall follow LESO turn-in guidance.

vi) Local destruction (DEMIL) of small arms is not authorized.

vii) Lost, Stolen or Destroyed (LSD) small arms:

(1) Program participants with multiple instances of LSD small arms in a five-year window will be assessed by DLA Disp Svcs to determine if a systemic problem exists IAW DLAI 4140.11.

(2) DLA OIG investigations may be initiated if small arms are improperly disposed of or become LSD while in program inventory. The LEA may be required to reimburse DLA the fair market value of the small arms when negligence, willful misconduct, or a violation of the MOA between the Federal Government and the State/U.S. Territory and/or this SPO is confirmed at the conclusion of the Financial Liability Investigation of Property Loss (FLIPL).

(a) Reimbursement will be within 60-days of the completion of the FLIPL.

(b) Title will never transfer to the recipient regardless of the status of the small arm.

(c) Payments due to DLA Disp Svcs, based upon the findings of the FLIPL, may be paid by one of three methods: 1) credit card via pay.gov, 2) cashier/ business check, or 3) wire transfer.

(3) In instances of LSD small arm recovery, DoD retains title in perpetuity and the small arm shall be immediately relinquished/surrendered back to the program.

11) PROGRAM COMPLIANCE REVIEWS (PCR)

a) The LESO shall:

i) Conduct PCRs to ensure that the SC/SPOC, and all LEAs within a State are compliant with the terms and conditions of the program as required by 10 USC § 2576a, the MOA between the Federal Government and the State/U.S. Territory and/or this SPO and any DLA Instructions and manuals regarding the

program. PCRs are conducted to ensure property accountability, program compliance, and program eligibility.

ii) Conduct PCRs for participating States every 2 years, providing training to the State/LEA as needed.

iii) Reserve the right to conduct no notice PCRs, or require an annual review, or similar inspection, on a more frequent basis for any State/LEA.

iv) Intend to physically inventory 100% of property selected for review at each LEA during a PCR. The use of ECRs in lieu of physical inspection is discouraged during PCRs. Extensive use of the ECR (without prior coordination with LESO) may result in a non-compliance finding during the PCR.

v) Intend to review as much property as possible during a PCR.

(1) The goal is to review 20% of a State's overall small arms inventory.

(2) The goal for inventory selections (at LEAs selected for review) is 15% of an LEAs general property to include non-controlled property (DEMIL code A and Q6).

vi) Select LEAs not visited during the last three regularly scheduled PCR cycles (as applicable).

vii) Recommend corrective actions (which may include suspending a State/LEA from program participation) for findings of non-compliance identified during a PCR.

(1) The LESO shall issue corrective actions (with suspense dates) to the State, which will identify what is needed to rectify the identified deficiencies within the State/LEA.

(2) If the State/LEA fails to correct identified deficiencies within the LESO suspense dates, the LESO may move to restrict, suspend, or terminate the State/LEA from program participation.

(3) States found non-compliant for a PCR will be suspended for a minimum of 60-days and will not be reinstated until the State successfully passes a LESO-conducted PCR.

viii) Ensure the State/LEA understand that property shall be transferred to a participating agency with SC/SPOC and LESO approval or returned to DLA Disp Svcs when no longer needed or serviceable.

b) The State shall:

i) Assist the LESO as required, prior to, during and upon completion of the PCR.

ii) Assist in the coordination of the PCR daily schedule of events and forward the schedule to LEAs that have been selected for review.

iii) Contact LEAs that have been selected for the PCR via phone, email or in person to ensure they are aware of the schedule and are prepared for the PCR.

iv) Receive inventory selections from the LESO and forward them to the selected LEAs. The State shall ensure the LEA physically gathers the selected property in a central location (to the greatest extent possible) which will allow the LESO to physically inventory the property efficiently during the PCR.

v) Coordinate the use of any ECR with the LESO prior to the PCR.

vi) Ensure LEAs understand property shall be transferred to a participating agency with SC and LESO approval or returned to DLA Disp Svcs when deemed no longer needed or serviceable.

vii) Conduct State-level (internal) PCRs of participating LEAs to ensure property accountability, program compliance and program eligibility utilizing a PCR checklist provided by the LESO, or equivalent (for uniformity purposes).

(1) Ensure a State-level (internal) PCR of at least 8% of LEAs with program inventory is completed annually (3% of which will be focused on program participants with no controlled property). Results of the State-level (internal) PCR will be kept on-file with the State. Documentation shall be provided to the LESO for each LEA that received a State-level PCR.

(2) The State-level (internal) PCR will include, at minimum:

(a) A review of the dually-signed SPO, ensuring it is uploaded to the property accounting system.

(b) A review of the LEA application package to confirm authenticity and eligibility of the LEA.

(c) An inventory of property selected for review at each LEA.

(d) A review of each selected LEA files for any of the following which may include turn-in/transfer DD Form 1348-1A, ECR, small arm documentation, FLIPL documents, exception to policy letters, approved cannibalization requests, or other pertinent documentation as required.

(3) Request that the LESO restrict, suspend or terminate an LEA based on findings during State-level internal PCR or due to non-compliance with terms of the MOA between the Federal Government and the State/U.S. Territory and/or this SPO, DLA Instruction/Manual or any statute or regulation regarding the program.

(4) Notify the LESO and initiate an investigation into any questionable activity or action involving property issued to a LEA that comes to the attention of the State and is otherwise within the authority of the Governor/State to investigate. Upon conclusion of any such investigation, take appropriate action and/or make appropriate recommendations on restriction, suspension, or termination of the LEA to the LESO. The SC may suspend or terminate a LEA participation in the program at any time for non-compliance.

c) The LEA shall:

i) Agree to comply with all requests and requirements pertaining to both a LESO PCR and an internal State PCR, including, but not limited to the following:

1) Ensuring all program property and files that are requested to be seen by either the LESO or SC/SPOC, are available on the date/time selected.

2) Ensuring all program property is laid out in an orderly fashion and easily accessible by the LESO or SC/SPOC.

3) Coordinate the use of any ECR with the LESO or SC/SPOC, prior to the PCR.

4) Notify the SC/SPOC, prior to the PCR, of any LSD property, so that adjustments may be made.

5) Notify the SC/SPOC, prior to the PCR, of any property that will need to be seen at multiple locations, so that accommodations may be made ahead of the PCR date/time.

13) ANNUAL PHYSICAL INVENTORY Each State/LEA is required to conduct an annual physical inventory of all property on the active property book and provide certification in the property accounting system. DEMIL “A” and “Q6” property records will not be closed during the annual physical inventory period.

In the State of Texas, the annual physical inventory and certification in the property accounting system process starts on July 1st and must be completed by August 31st. The State shall:

- a) Provide training to LEAs to properly conduct the annual physical inventory and complete the certification of property in the property accounting system.
- b) Ensure an approved and current SPO is uploaded in the property accounting system for each LEA.
- c) Validate the annual physical inventory certifications submitted by LEAs.
- d) Adhere to annual physical inventory certification requirements as identified by the LESO. Physical inventories and certification statements will be maintained on file IAW the DLA records schedule.
- e) Annually certify property is utilized and is within allocation limits IAW the MOA between the Federal Government and the State/U.S. Territory and this SPO .
- f) Recommend suspension of program participants who fail to complete or submit the certified annual physical inventory.

The LEA shall:

- a) Ensure a physical, hands-on inventory of all assigned LESO property is conducted annually prior to certifying it in the electronic property accounting system.
- b) Annually certify property is utilized and is within allocation limits IAW the SPO between the State of Texas and the participating LEA.
- c) Not certify any property that is found to be LSD and will notify the SC/SPOC office immediately.
- d) Complete the electronic certification of all assigned inventory on or before August 31st of every year.

13) REPORTING LOST, STOLEN, OR DESTROYED (LSD) PROPERTY Any property identified as LSD on a LEA current inventory, shall be reported to the State/LESO. A FLIPL (aka the DD Form 200) shall be submitted to the State/LESO for LSD property. Program participants agree to cooperate with investigations into LSD property by any federal, state, or local investigative body and, when requested, assist with recovery of LSD property.

- a) LSD controlled property shall be reported to the State/LESO within 24-hours. Program participants may be required to provide their SC/SPOC additional documentation which may include (but is not limited to):
 - 1) Comprehensive police report, 2) NCIC report/entry, and 3) Contact information for the Civilian Governing Body (CGB) over the LEA involved, to include: Title, Name, Email, and mailing address.
- b) LSD property with a DEMIL code of “A” and “Q6” shall be reported to the State/LESO within 7-days.

14) RESTRICTION, SUSPENSION OR TERMINATION Program participants are required to abide by the terms and conditions of this SPO in order to maintain active program participation status. If a LEA fails to comply with any term or condition of the SPO, DLA Instruction or Manual, federal statute or regulation, the LEA may be suspended, terminated, or placed on restricted status. Restriction, suspension, or termination notifications will

be in writing and will identify remedial measures required for reinstatement (if applicable). *Suspension*-A specified period in which an entire LEA is prohibited from requesting or receiving additional property through the program. Additional requirements may be implemented, to include the LEA requirement to return specifically identified controlled property. Suspensions will be for a minimum of 60-days. *Termination*-The removal of a LEA from program participation. The terminated LEA shall transfer or turn-in all controlled property previously received through the program at the expense of the LEA involved. *Restricted Status*-A specified period in which a LEA is restricted from receiving an item or commodity due to isolated issues with the identified item or commodity. Restricted status may also include restricting a LEA from all controlled property.

a) State termination-The SC/SPOC will coordinate with LESO to identify a realistic timeframe to complete the transfer or turn-in of all property. The LESO retains final authority to determine timeframe requirements.

b) LEA termination-The SC/SPOC will coordinate with LESO to identify a realistic timeframe to complete the transfer or turn-in of all property. The LESO retains final authority to determine timeframe requirements.

c) In the event of a termination, the LEA will make every attempt to transfer the property of the terminated LEA to an authorized LEA, as applicable, prior to requesting a turn-in of the property to DLA Disp Svcs. In cases that require a repossession or turn-in of property, the LEA will bear all expenses related to the repossession, turn-in or transfer of property to DLA Disp Svcs.

d) The State shall:

i) Suspend LEAs for a minimum of 60-days in all situations relating to the suspected or actual abuse of property or requirements and/or repeated non-compliance related to the terms and conditions of this SPO. Suspension may lead to termination. The State shall also issue corrective action guidance to the LEA with suspense dates to rectify issues and/or discrepancies that caused the restriction, suspension, or termination. The State shall require the LEA to submit results on completed police investigations and/or reports on LSD property to include the LEA CAP. The LESO retains final discretion on reinstatement requests. Reinstatement to full participation from a restriction, suspension or termination is not automatic.

ii) Initiate corrective action to rectify suspensions or terminations of the LEA for non-compliance to the terms and conditions of the program. The State shall also make contact (until resolved) with suspended LEAs to ensure corrective actions are rectified within required timeframes provided by the LESO.

iii) Require the LEA to complete and submit results on completed police investigations or reports regarding LSD property. The State will submit all documentation to LESO upon receipt.

iv) Provide documentation to LESO when actionable items are rectified for the LEA.

v) Request that the LESO suspend or terminate an LEA based upon their findings during State-level internal PCR or due to non-compliance with any term of this SPO, DLA Instruction/Manual or any statute or regulation regarding the program.

vi) Notify the LESO and initiate an investigation into any questionable activity or action involving property issued to an LEA that comes to the attention of the State and is otherwise within the authority of the Governor/State to investigate. Upon conclusion of any such investigation, take appropriate action and/or make appropriate recommendations on restriction, suspension, or termination of the LEA to the LESO. The SC may revoke or terminate concurrence for LEA participation in the program at any time.

vii) Provide written request to the LESO for reinstatement of an LEA for full participation status at the conclusion of a restriction or suspension period. Written verification shall be provided that the SC/SPOC has validated the LEA CAP.

15) RECORDS MANAGEMENT The LESO, SC/SPOC, and LEAs participating in the program will maintain program records IAW the DLA records schedule. Records for property acquired through the program have retention controls based on the DEMIL code. Property records will be filed, retained, and destroyed IAW DLA records schedule. Records may include, but are not limited to: DD Form 1348-1A for transfers, turn-ins, requisitions, Bureau of Alcohol, Tobacco, Firearms and Explosives (BATFE) Forms 5 and 10.

16) TRADE SECURITY CONTROL (TSC) and COMPLIANCE WITH EXPORT CONTROL REGULATIONS Items transferred to program participants, including DEMIL A and Q (with an Integrity Code of 6) property, may be subject to export control restrictions. Program participants shall comply with U.S. export control laws and regulations if they contemplate further transfers of any property. Once title transfers, LEAs should consult with the Department of State (DoS) and Department of Commerce (DoC) export control regulators about the type of export controls that may apply to items, regardless of DEMIL code. Program participants may request a formal Commodity Classification from the DoC, Bureau of Industry and Security (BIS), or submit a general correspondence request to the DoS, Directorate of Defense Trade Controls. Information on managing exports of CCL items can be found at the U.S. DoC Bureau of Industry and Security website. Program participants shall notify all subsequent purchasers or transferees, in writing, of their responsibility to comply with U.S. export control laws and regulations.

17) NOTICES Any notices, communications, or correspondence related to this SPO shall be provided by email, the U.S. Postal Service (USPS), express service, or facsimile to the appropriate DLA office. The LESO may (from time to time) make unilateral modifications or amendments to the provisions of the MOA between the Federal Government and the State/U.S. Territory and/or this SPO. Notice of these changes will be provided to the State in writing. Unless the State takes immediate action to terminate the MOA between the Federal Government and the State/U.S. Territory and/or this SPO, such modifications or amendments will become binding. In such cases, reasonable opportunity will (insofar as practicable) be afforded the LEA to conform to changes affecting their operations.

18) ANTI-DISCRIMINATION By signing or accepting property, the LEA pledges agreement to comply with provisions of the national policies prohibiting discrimination: 1) On the basis of race, color, or national origin, in Title VI of the Civil Rights Act of 1964 (42 USC 2000d et seq.) as implemented by DoD regulations 32 CR Part 195, 2) On the basis of age, in the Age Discrimination Act of 1975 (42 USC 6101, et seq) as implemented by Department of Health and Human Services regulations in 45 CFR Part 90 and 3) On the basis of handicap, in Section 504 of the Rehabilitation Act of 1973, P.L. 93-112, as amended by the Rehabilitation Act Amendments of 1974, P.L. 93-516 (29 USC 794), as implemented by Department of Justice (DoJ) regulations in 28 CFR Part 41 and DoD regulations at 32 CFR Part 56. These elements are the minimum essential ingredients for establishment of a satisfactory business agreement between the State and the DoD.

19) INDEMNIFICATION CLAUSE The LEA is required to maintain adequate liability insurance to cover damages or injuries to persons or property relating to the use of property issued under the program. Self-insurance by the LEA is considered acceptable. The USG assumes no liability for damages or injuries to any person(s) or property arising from the use of property issued under the program. It is recognized that State and local law generally limit or preclude the LEA from agreeing to open ended indemnity provisions. However, to the extent permitted by State and local laws, the LEA shall indemnify and hold the USG harmless from any and all actions, claims, debts, demands, judgments, liabilities, cost, and attorney's fees arising out of, claimed on account of, or in any manner predicated upon loss of, or damage to property and injuries, illness or disabilities to, or death of any and all persons whatsoever, including members of the general public, or to the property of any legal or political entity including States, local and interstate bodies, in any manner caused by or contributed to by the LEA, its agents, servants, employees, or any person subject to its control while the property is in the possession of, used by, or subject to the control of the LEA, its agents, servants, or employees after the property has been removed from USG control.

20) **TERMINATION** This SPO may be terminated by either party, provided the other party receives a thirty (30) day notice (in writing) or as otherwise stipulated by Public Law. The undersigned SC, CLEO and CGB hereby agrees to comply with all provisions set forth herein and acknowledges that any violation of the terms and conditions of this SPO may be grounds for immediate termination and possible legal consequences, to include pursuit of criminal prosecution if so warranted.

21) **AGREEMENT OF PARTIES** The parties below agree to enter this agreement as of the last date below:

MEMORANDUM FOR LAW ENFORCEMENT SUPPORT OFFICE (LESO) PROGRAM
PARTICIPATING LAW ENFORCEMENT AGENCY (LEA)

SUBJECT: Addendum to LESO Program State Plan of Operation (SPO)

This addendum amends the existing State Plan of Operation (dated February 2021) between the State and Law Enforcement Agency (LEA) and is herein referred to as the SPO Addendum. The SPO Addendum implements requirements found within Presidential Executive Order (EO) 14074 (Section 12), signed on May 25, 2022. In accordance with current SPO-Paragraph 17, notice is being provided of a unilateral change to the SPO. Unless an LEA takes immediate action to terminate the current SPO, the modifications or amendments will become binding.

1) ROLES AND RESPONSIBILITIES The State Shall:

- a) Ensure each LESO Program participating Law Enforcement Agency (LEA) has signed the LESO-approved SPO Addendum no later than January 1, 2023. The SPO Addendum will be signed by the Chief Law Enforcement Official (CLEO) (or assigned designee), the Civilian Governing Body (CGB), and the current State Coordinator (SC) (or authorized State Point of Contact [SPOC]).
- b) Provide LESO with a comprehensive list of LEAs who do not sign the SPO Addendum by January 1, 2023. LESO will restrict the LEA to ensure LEA may not request or receive "controlled" property as defined within this addendum.

2) MODIFICATION TO DEFINITION OF "CONTROLLED" PROPERTY This SPO Addendum adds the below items to the "controlled" property definitions currently found in the 2021 SPO. These items are added pursuant to EO 14074 which reestablishes EO 13688. In 2017, the Law Enforcement Equipment Working Group (established by EO 13688), further added, deleted and refined the definitions of "controlled" items in their annual equipment list review. Provisions within the 2021 MOA applicable to "controlled" property apply to the items listed below (regardless of DEMIL and/or DEMIL Integrity Code). Title and ownership of the "controlled" property listed below remains with the DoD in perpetuity and will not be relinquished to the LEA (regardless of DEMIL and/or Integrity Code). The LESO retains final authority to determine what items qualify as "controlled" property. The below items listed in Section 1.2 of Law Enforcement Equipment Working Group (LEEWG) Recommendations (as modified in 2017), will be managed and issued as controlled property unless other restrictions or conditions are noted:

- a) *Manned Aircraft, Fixed Wing*: Powered aircraft with a crew aboard, such as airplanes, that use a fixed wing for lift. (Note: These items were previously listed as controlled in LESO Program. Any aircraft without commercial application are prohibited).
- b) *Manned Aircraft Rotary Wing*: Powered aircraft with a crew aboard, such as helicopters, that use a rotary wing for lift. (Note: These items were previously listed as controlled in LESO Program. Any aircraft without commercial application are prohibited).

c) *Unmanned Aerial Vehicles*: A remotely piloted powered aircraft without a crew onboard. (Note: These items are not currently issued in the LESO Program).

d) *Armored Vehicles, Wheeled*: Any wheeled vehicle either purpose-built or modified to provide ballistic protection to its occupants, such as a Mine-Resistant Ambush Protected (MRAP) vehicle or an Armored Personnel Carrier (APC). These vehicles are sometimes used by law enforcement personnel involved in dangerous operating conditions, including active shooter or similar high-threat situations. These vehicles often have weapon-firing ports. (Note: These vehicles were previously considered controlled due to DEMIL code and are now prohibited unless certification requirements in Section 3 are met).

e) *Tactical Vehicles, Wheeled*: A vehicle purpose-built to operate on- and off- road in support of military operations, such as a High Mobility Multi-purpose Wheeled Vehicle (HMMWV), 2.5-ton truck, 5-ton truck, or a vehicle with a breaching or entry apparatus attached. These vehicles are sometimes used by law enforcement in rough terrain or inclement weather for search and rescue operations, as well as other law enforcement functions. This excludes commercially available vehicles not tactical in nature, such as pick-up trucks or SUVs. (Note 1: This is LEEWG modified definition from 2017. Note 2: All tactical vehicles will now be considered controlled, and title will not pass. Note 3: Armored vehicles in this category will be considered prohibited unless certification requirements in Section 3 are met).

f) *Command and Control Vehicles*: Any wheeled vehicle either purpose-built or modified to facilitate the operational control and direction of public safety units responding to an incident. Command and control vehicles provide a variety of capabilities to incident Commander, including, but not limited to, the provision for enhanced communications and other situational awareness capabilities. Command and Control Vehicles are similar to a recreational vehicle and can accommodate multiple people at multiple workstations in the command center. This category does not include SUVs and is not intended for other types of vehicles that could serve as a command-and-control center. (Note 1: This is the LEEWG modified definition from 2017. Note 2: Armored vehicles in this category will be considered prohibited unless certification requirements in Section 3 are met).

g) *Specialized Firearms and Ammunition Under .50-Caliber (excludes firearms and ammunition designed for regularly assigned duties) and less lethal launchers*: Weapons and corresponding ammunition for specialized operations or assignment. This includes launchers specifically designed and built to launch less lethal projectiles. This excludes weapons such as service issued handguns, rifles or shotguns that are issued or approved by the agency to be used by all sworn officers/deputies during the course of regularly assigned duties. (Note 1: This is the LEEWG modified definition from 2017. Note 2: The LESO Program only issues weapons under .50 caliber that are designed for regularly assigned duties).

h) *Explosives and Pyrotechnics*: Includes “flash bangs” as well as explosive breaching tools often used by special operations units. (Note: These items were previously prohibited in the LESO Program and are now specifically prohibited in EO 14074).

i) *Breaching Apparatus*: Tools designed to provide rapid entry into a building or through a secured doorway. These tools may be mechanical in nature (a battering ram connected to a vehicle or a propellant), ballistic (slugs), or explosive. This category does not include dual purpose tools such as a sledgehammer or bolt cutter. (Note: This is the LEEWG modified definition from 2017).

j) *Riot/Crowd Control Batons*: Non-expandable of greater length (more than 24 inches) than service-issued types and are intended to protect its wielder during crowd control situations by providing distance from assailants. This category includes all batons with advanced features such as tear gas discharge, electronic or “stun” capabilities. (Note: This is the LEEWG modified definition from 2017).

k) *Riot Helmets*: Helmets designed to protect the wearer's face and head from injury during melees from projectiles including rocks, bricks, liquids, etc. Riot helmets include a visor which protects the face. (Note 1: The LEEWG removed these items from the controlled list in 2017. Note 2: LESO does not issue Kevlar helmets based on DoD policy).

l) *Riot/Crowd Control Shields*: Shields intended to protect wielders from their head to their knees in crowd control situations. Most are designed for the protection of the user from projectiles including rocks, bricks, and liquids. Some afford limited ballistic protection as well. (Note: This is the LEEWG modified definition from 2017).

3) PROHIBITED ITEMS THAT MAY BE ISSUED FOR LIMITED PURPOSES EO 14074 lists the below items as "prohibited" for issue under the LESO Program; however identifies specific authorized uses for these "prohibited" items if requested, utilized and annually certified as being used only in authorized manners. When utilized in an authorized manner (as indicated in the below example descriptions), the items are categorized as "controlled" property.

a) *Long Range Acoustic Devices (LRAD) that do not have commercial application*- Participating LEAs in the State of Texas, are not authorized to acquire LRAD devices. All requests for these devices, will be denied.

b) *Vehicles that do not have commercial application*- This includes all tracked and armored vehicles, such as a Mine-Resistant Ambush Protected (MRAP), Armored Personnel Carrier (APC), or Armored HMMWV. (Note: This category excludes vehicles with commercial application, such as pick-up trucks, non-armored HMMWVs, 2.5-ton trucks, 5-ton trucks, or SUVs. The LESO Program identifies/defines vehicles with "commercial application" as items with a DEMIL Code of "A" or DEMIL "Q" (with an Integrity Code of 6) that may be sold to the general public under DoD sales programs).

i) *Authorized uses*- EO 14074 allows limited transfer of vehicles that do not have commercial application if the LEA certifies that the vehicle will be used exclusively for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief. Any other use of these vehicles is not authorized.

ii) *Annual Certification Requirements*- During the LESO Program annual inventory, LEAs with these vehicles must certify that the vehicle(s) is utilized exclusively for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief. An LEAs signature on the SPO Addendum agreeing to these new terms will serve as initial certification.

iii) LEAs that do not have a current SPO Addendum on file by January 1, 2023 or who fail to annually certify that the vehicle(s) use is exclusively for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief must return vehicle(s) to DLA Disposition Services.

4) ACQUIRING (OR RETAINING) CONTROLLED PROPERTY The State shall:

a) Review, verify and only submit to LESO for approval, requests for controlled property by LEAs who have current SPO and SPO Addendum on file with the state.

b) Ensure LEAs return controlled property to DLA Disposition Services if the Department of Justice (DOJ) determines or a Federal, State, Tribal, local, or territorial court enters a final judgment finding that the LEA has engaged in a pattern or practice of civil rights violations.

c) Ensure that prior to requesting/acquiring any controlled property, the LEAs:

i) Provide written or electronic notification to the local community of its intent to request controlled property. The notification must be translated into appropriate languages to inform individuals with limited English proficiency. The LESO Program would *recommend* that LEAs provide a notice of intent to request controlled property to the local community on or before January 1, 2023 and at the beginning of each fiscal year (October 1st) thereafter. This notification should include a comprehensive list of any controlled property that may be requested throughout the year. If this notice of intent does not include a specific controlled property item, such item may not be requested in the LESO Program until 30-days after an updated notice is published.

ii) Provide written or electronic notification to the city council or appropriate local Civilian Governing Body (CGB) of its intent to request controlled property and allow “reasonable opportunity to review” (normally 30-days). The LESO Program would *recommend* that LEAs provide a notice of intent to the CGB on or before January 1, 2023 and at the beginning of each fiscal year (October 1st) thereafter. This notification should include a comprehensive list of any controlled property that may be requested throughout the year. If this notice of intent does not include a specific controlled property item, such item may not be requested in the LESO Program until 30-days after an updated notice is published. Requests for controlled property must comport with all applicable approval requirements of the CGB.

(1) The above requirement includes elected Sheriff’s who also shall notify their CGB or city or county government within their jurisdiction.

(2) In cases of disagreement between requesting LEAs and CGB, the Governor appointed LESO Program State Coordinator (SC) will obtain an advisory opinion from the States Attorney General’s Office on whether CGBs are authorized by state law to deny the request.

iii) *Campus LEAs operating in Institutions of Higher Education (IHE)*- LEAs operating in IHEs otherwise referred to as “Campus Police” or “Campus LEAs” must also adhere to the requirements identified below:

(1) Obtain the IHE Board of Governors (or an equivalent body) *explicit approval* for the acquisition of controlled property. Such approval must be evidenced in the Campus LEAs request submitted to the LESO Program. Silence or inaction by the Campus LEAs Board of Governors does not constitute evidence of approval, and the “reasonable opportunity to review” (normally 30-days) standard does not apply to Campus LEA applications.

(2) Certify that their policies and training include specific provisions on using controlled property in a way that does not chill speech, is not disruptive to the educational environment, and does not foster a hostile climate among students.

(3) Campus LEAs who receive controlled vehicles are required to remove the militaristic appearance (i.e., painting the vehicle a different color).

5) REGIONAL SHARING AGREEMENTS LESO Program participants who are part of a regional sharing agreement must also adhere to the following requirements.

a) Participating LEAs in the State of Texas, are not authorized to share or loan any assigned LESO program property to any other LEA, regardless of if they are part of an internal regional sharing agreement with the participating LEA.

6) POLICIES/PROCEDURES LEAs must establish policies/procedures that are consistent with the standards listed below, in order to request or maintain controlled property. LEAs must:

a) Adopt and comply with general policing standards.

i) *Community Policing*- LEA policies/procedures should reflect the concept that trust and mutual respect between police and the communities they serve are critical to public safety. Community policing fosters relationships between law enforcement and the local community which promotes public confidence in LEAs therefore increasing LEA ability to investigate crimes and keep the peace.

ii) *Constitutional Policing*- LEA policies/procedures must emphasize that all police work should be carried out in a manner consistent with the requirements of the U.S. Constitution and federal law. Policies/procedures must include First, Fourth, and Fourteenth Amendment principles in law enforcement activity, as well as compliance with Federal and State civil rights laws. LEA certified law enforcement officers receive training on the rights embodied by such Constitutional Amendments and how these amendments inform policing policies/procedures.

iii) *Community Input and Impact*- LEA policies/procedures must identify mechanisms that LEAs will use to engage the communities they serve to inform them and seek their input about LEAs actions, role in, and relationships with the community. LEAs should make particular efforts to seek the input of communities where controlled property is likely to be used so as to mitigate the effect that such use may have on public confidence in the police. This could be achieved through the LEAs regular interactions with the public through community forums, town halls, or meetings with the Chief, or community outreach divisions.

b) Adopt and comply with controlled property standards.

i) *Appropriate Use of Controlled Property*- LEA policies/procedures must define appropriate use of controlled property; officers who are authorized to use controlled property must be trained on these policies/procedures. LEAs should examine scenarios in which controlled property will likely be deployed, the decision-making processes that will determine whether controlled property is used, and the potential that both use and misuse of controlled property could create fear and distrust in the community. Policies/procedures should consider whether measures can be taken to mitigate that effect (i.e., keep armored vehicles at a staging area until needed) and any alternatives to the use of such property and tactics to minimize negative effects on the community, while preserving officer safety.

ii) *Supervision of Use*- LEA policies/procedures must specify appropriate supervision of personnel operating or utilizing controlled property. Supervision must be tailored to the type of controlled property being used and the nature of the engagement or operation during which the property will be used. Policies/procedures must describe when a supervisor of appropriate authority is required to be present and actively overseeing the property being used.

iii) *Effectiveness Evaluation*- LEA policies/procedures must articulate that the LEA will regularly monitor and evaluate the effectiveness and value of controlled property to determine whether continued deployment and use is warranted on operational, tactical, and technical grounds. LEAs should routinely review after-action reports and analyze any data on, for example, how often controlled property is used or whether controlled property is used more frequently in certain law enforcement operations or in particular locations or neighborhoods.

iv) *Auditing and Accountability*- LEA must establish policies/procedures that are designed to prevent misuse, unauthorized use and/or loss of controlled property. LEA will hold personnel accountable to agree and comply with State, local, Tribal and Federal controlled property use policies/procedures.

v) *Transparency and Notice*- LEA policies/procedures must articulate that LEA will engage the community regarding controlled property, policies/procedures governing its use, and review of “significant incidents” (as defined in Section 8), with the understanding that there are reasonable limitations on disclosures of certain information and law enforcement sensitive operations and procedures.

c) Must adopt and comply with record-keeping requirements for controlled property.

i) Upon LESO request, LEAs must provide a copy of the general policing standards and specific controlled property standards that were adopted, to include any related policies/procedures.

ii) *Record-Keeping Requirement*- LEAs must retain comprehensive training records, either in the personnel file of the officer who was trained or by the LEAs training division or equivalent entity, for a period of at least three (3) years, and must provide a copy of these records, upon LESO request.

7) TRAINING LEAs that request or have acquired controlled property via the LESO Program must establish written policies/procedures for controlled property use, and all personnel who are authorized to use the controlled property will be trained on these policies/procedures. LEAs must:

a) Provide annual training on general policing standards to personnel who may use the controlled property.

b) Provide annual training on property standards to personnel who may use the controlled property.

c) Provide controlled property operational and technical training to personnel and ensure personnel are proficient prior to using controlled property.

d) Provide scenario-based training to personnel that combines constitutional and community policing principles with controlled property specific training. LEA personnel authorizing or directing the use of controlled property should have enhanced scenario-based training to examine, deliberate, and review the circumstances in which controlled property should or should not be used.

8) DOCUMENTATION REQUIRED FOR “SIGNIFICANT INCIDENTS” LEAs must collect and retain the information (described below) when any law enforcement activity involves a “Significant Incident” which requires (or results in) the use of controlled property on the LEAs inventory. A “Significant Incident” is defined as any law enforcement operation or action that involves: 1) a violent encounter among civilians or between civilians and the police, 2) a use-of-force that causes death or serious bodily injury, 3) a demonstration or other public exercise of First Amendment rights, or 4) an event that draws, or could be reasonably expected to draw, a large number of attendees or participants, such as those where advanced planning is needed. LEAs must:

a) Collect and retain documentation for controlled property used in a “Significant Incident” for a minimum of three (3) years after the incident has occurred. The LEA must provide documentation to LESO upon request.

i) Documentation should also be made available to the community the LEA serves in accordance with applicable policies/procedures with exemptions made concerning the disclosure of any sensitive information.

b) No new report or format is required for “Significant Incident” reports so long as information is easily accessible and organized. The required information may already exist in a police report, operations plan, officer daily log, incident report, after-action report or described in a use-of-force report. If required information (annotated below) is contained in a pre-existing reports, the LEA must simply ensure that the report includes information that controlled property was used. Required information is listed below:

i) Name and quantity of controlled property used, including relevant details such as make/model/serial number of controlled property used.

ii) Description of the LEA action/operation involving the controlled property.

iii) Identification of LEA personnel who used and directed the use of the controlled property.

iv) Identify or describe civilians who were the subject or target of LEA action/operation. For large crowds or multiple persons, the LEA must provide general description of the civilians (i.e., a crowd of approximately 250 people).

v) Result of the action/operation in which controlled property was used (i.e., arrests, citations, injuries or fatalities, use-of-force, victim extraction, or property damage).

9) ANNUAL CERTIFICATIONS By signing the SPO Addendum, the LEA agrees to the below certification statements. In addition, the LEA must annually certify compliance with the below certification statements during the Annual LESO Program Inventory. LEAs must:

a) Certify they have authorization from their CGB to participate in the LESO Program.

b) Certify they have provided their CGB and local community a comprehensive list of controlled property that may be requested through the LESO Program.

i) Notification may be made electronically or in writing and must be translated into appropriate languages to inform individuals with limited English proficiency. It is recommended this notification be done on an annual basis.

ii) If controlled property is not identified in the comprehensive list provided to the CGB and local community, an updated notification to CGB and local community must be made. The CGB and local community will be afforded 30-days to review what additional items are being requested.

c) Certify the request for controlled property comports/complies with all applicable approval requirements of the CGB.

d) Certify they have adopted and comply with controlled property standards (i.e., appropriate use, supervision of use, effectiveness evaluation, auditing/accountability of use, transparency/notice of use, and record-keeping requirements).

e) Certify they have provided annual training to personnel on the maintenance, sustainment, and appropriate use of controlled property, including respect for the rights of citizens under the Constitution of the United States and de-escalation of force.

f) Certify that LRAD devices are not authorized to be acquired by any participating LEAs in the State of Texas.

g) Certify that controlled property vehicle(s) are utilized exclusively for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief.

h) Certify that controlled property requiring a license (or other authorization), is only utilized by personnel who hold license (or other authorization) to operate such property.

i) Certify that controlled property will be returned to DLA Disposition Services when no longer needed.

j) Certify that they are abiding by the current LESO Program SPO and SPO Addendum, and maintain a signed copy of these documents on file.

k) Certify the Application for Participation on-file with LESO Program is current and accurately reflects the number of officers in the agency when fully staffed. (Note: If Application for Participation is not accurate, LEA must provide an updated Application for Participation to State Coordinators Office).

l) Certify they are compliant with LESO Program allocation limits. (Note: Property allocation limits are based on the number of officers at an LEA when fully staffed).

m) Certify that they agree to return the controlled property if the Department of Justice (DOJ) determines or a Federal, State, Tribal, local, or territorial court enters a final judgment finding that the LEA has engaged in a pattern or practice of civil rights violations.

n) *Campus LEAs (as described in Section 4)* must also certify that their policies and training include specific provisions on using controlled property in a way that does not chill speech, is not disruptive to the educational environment, and does not foster a hostile climate among students.

o) *Program participants who are part of a regional sharing agreement (as described in Section 5)*, must also certify that the State of Texas does not authorize participating LEAs to share or loan any LESO assigned property to any other LEA, regardless of if they are part of an internal regional sharing agreement with the participating LEA.

10) SAVINGS CLAUSE/INTERPRETATION Nothing in this SPO Addendum shall be construed to impair or otherwise affect the requirements under the existing SPO between the State and LEA (dated February 2021), unless expressly amended herein. To the extent there is a disagreement concerning the interpretation of this SPO Addendum or the extent this SPO Addendum affects requirements under the existing SPO, the disagreement shall be resolved at the exclusive discretion of the LESO Program.

11) AGREEMENTS OF PARTIES By signing this SPO Addendum, the State and LEA acknowledges and accepts these changes. The SPO Addendum must be signed by LEAs no later than January 1, 2023 to remain eligible for LESO Program participation. The changes contained in this SPO Addendum are acknowledged and accepted by the following:
