Every year, TCOLE blocks off 30 rooms at \$100 per night. 30 rooms are not nearly enough for over 1,000 folks who attend. As soon as the block was opened, I immediately secured my room using my personal credit card. After 3 hours of opening, the block was booked.

Since I started the process with my personal card, Purchasing will not pay for it. Whichever card is started, is what is used to finished the transaction. Once I get back from the conference, I will submit a reimbursement form for hotel.
