The Honorable April Long County Clerk Johnson County 204 S. Buffalo Ave Cleburne, Texas 76033

RE: Auditor's Report - County Clerk's Registry Account July through September 2023

Dear Ms. Long,

Summary

In accordance with Local Government Code, Section 115, the Auditor's Office performed a review of the County Clerk's Registry of the Court from July through September 2023.

Background

The County Clerk's Office of Johnson County is a multi-purpose office with two main categories of responsibility.

The County Clerk Court Section's role is to accept the initial filings of cases, record all instruments filed in such cases, make the case available to the court as required, and to inform the parties of important actions in the case by issuing appropriate processes at the request of the parties or their attorney(s).

County Clerk Recording's role is to maintain the Official Public Records of the county, including Deed Records, Plats, Assumed Names, Livestock Marks & Brands. This office also records and makes available to qualified applicants, Birth, Death, and Marriage Records. Passports are also processed in this office.

Scope

Our review was limited to the examination of the County Clerk's Registry bank statements, disbursements, and Trust Owners account balances for the quarter ended September 2023.

Objective

- To accomplish this audit, we examined various reports and their supporting
 documentation and verified that collections made by cash, check and credit cards were
 accurate for this period. We ensured that funds collected on the receipt journal from
 Odyssey matched the monthly worksheet log of fees received.
- 2. The accuracy of the bank reconciliation was confirmed by comparing the Odyssey Trust Account Owner's Report to the book balance on the bank reconciliation.
- 3. To ensure the liability account funds were properly disbursed, per Local Government Code 117, we verified that a signed Court Order authorized the payments.

Findings

There were no exceptions that would lead us to conclude that the collections and disbursements for this period were not, in all material respects, appropriately charged, remitted and reported.

Thank you and your staff for your courtesy and cooperation shown during the audit.

Sincerely,

Steven Watson

Johnson County Auditor
