RE: Auditor's Report-Constable Precinct One July-September 2023

BY April Long DEPUTY

Dear Constable Wylie,

Summary

In accordance with Chapter 115 of the Local Government Code, we completed the regular quarterly audit procedures for the Constable Precinct One for the time period July-September 2023.

Background

Constables specialize in the enforcement of Civil Law. They play a vital role in enforcing judgments rendered in civil cases, such as evictions, divorces, child custody and property disputes. They seize and sell personal property of defendants and apply the proceeds of those sales towards judgements awarded to plaintiffs. They also sell property seized for non-payment of taxes.

Scope

Our review was limited to the examination of the bank statements, and supporting documents for this period.

Objective

To accomplish this audit, we examined various reports and their supporting documentation and verified that collections made by cash, check and credit cards were accurate for this period. We ensured that funds collected on the receipt journal from Innoprise matched the monthly Odyssey reports of fees received.

Findings

There were no exceptions that would lead us to conclude that the balances and collections of the office for this period were not, in all material respects, appropriately charged, remitted and reported.

Thank you and your staff for your courtesy and cooperation shown during this audit.

Sincerely,

A handwritten signature in black ink, appearing to read 'S. Watson', with a long, sweeping horizontal stroke extending to the right.

Matt:

Attached is a draft of a letter regarding your most recent audit. I sent a memo in April of 2023 highlighting the new process that I would have for this, which includes sending a draft for your review. When we agree on the draft, you may offer a written response to include when this goes to commissioners court. Please let me know if you have any questions!
