RE: Auditor's Report – FY 24 Q2 District Clerk's Filing Fees Account

Dear Mr. Lloyd,

Summary

In accordance with Local Government Code, Section 115, the Auditor's Office performed a review of the District Clerk's Filing Fees from January through March 2024.

Background

The District Clerk's Office is the official custodian of records, and is responsible for the care and safekeeping of all court records for the District Courts of Johnson County. It also maintains and manages the records and monies for court fees, custodial accounts which are invested for the benefit of many minor children, bail bond forfeitures and all tax lawsuits. The office also produces a substantial number of court documents including, but not limited to, civil citations, criminal warrants, criminal judgments and sentences and protective orders.

Scope

Our review was limited to the examination of the District Clerk's Filing Fees Account's Odyssey reports, disbursements, and bank reports for the quarter ended March 2024.

Objective

1. To accomplish this audit, we examined various reports and their supporting documentation and verified that collections made by cash, check and credit cards were accurate for this period. We ensured that funds collected on the receipt journal from Odyssey matched the monthly worksheet log of fees received.
2. We also ensured the accuracy of the disbursements, to various entities for fees collected, by matching Odyssey receipt journals to Innoprise invoices.

Findings

There were no exceptions that would lead us to conclude that the collections and disbursements for this period were not, in all material respects, appropriately charged, remitted and reported.

Thank you and your staff for your courtesy and cooperation shown during the audit.

Sincerely,

Steven Watson
Johnson County Auditor
