RE: Auditor's Report – FY24 Q1 Juvenile Probation

Dear Mr. Burrell,

Summary

In accordance with Chapter 115 of the Local Government Code, the Auditor's Office completed the regular quarterly audit procedures for the Juvenile Services Department for the time period ending December 2023.

Background

The Johnson County Juvenile Services supports victims' rights, promotes public safety, and works to increase the accountability of youth and their families while providing quality services and resources. Juvenile Services collects and disburses fees for Attorneys, Probation, Restitution, and Child Support.

In 2001, Johnson County established the (JJAEP) Juvenile Justice Alternative Education Program. This program serves 11 county school districts, and provides a separate educational setting, to ensure a safe environment for expelled students to receive educational services.

Scope

Our review was limited to the examination of various reports and their supporting documentation to verify the collections made by cash, check, and credit card were accurate for this period.

Objective

We ensured that funds collected on the receipt journal from JCMS, Texas Juvenile Information Center matched the monthly worksheet log of fees received. We examined bank reconciliations and their supporting documentation, reviewed a sample testing of receipts, voids and waivers and traced them to original receipts and court documents, and verified that funds collected and due to others had been accurately disbursed.

Findings

There were no exceptions that would lead us to conclude that the balances and collections of the office for this period were not in all material respects, appropriately charged, remitted and reported.

Thank you and your staff for your courtesy and cooperation shown during this audit.

Sincerely,

Steven Watson
Johnson County Auditor
