INTRODUCTION

OVERVIEW & SCOPE OF WORK

Preferred Technologies, LLC. (Pref-Tech) will provide the Genetec Advantage Renewal for Johnson County. The current contract is set to expire June 30th, 2024. Pref-Tech’s work will be compliant with manufacturer requirements, applicable codes, and the highest industry standards.

ASSUMPTIONS

The below assumptions were applied when pricing this project. The pricing in this proposal is contingent upon the validity of these assumptions. Additional charges may result if these assumptions be found false.

- Pref-Tech’s work is limited to the delivery of the bill of materials listed in the Pricing Sheet.
- No labor is included in this scope of work.
- Taxes are excluded. If taxes apply, then Pref-Tech will apply the required taxes to each invoice.

TERMS AND CONDITIONS

This proposal is valid for 30 days.

This Proposal is subject to change based on unknown items that may occur as result of COVID-19 such as material delays, labor shortages, jobsite disruptions or governmental intervention. Even as the US is experiencing a wind-down, manufactures and production facilities are feeling the impacts limited by international imports (such as chip shortages), health and safety concerns, as well as economic impacts to their business. Lead times and production may be extended without warning. Projects with critical completion schedules should be coordinated with your Pref-Tech SDP.

Invoicing:

- Pref-Tech will Order and Invoice for 100% of the materials for the total contract amount. This includes (but is not limited to) all material, software, consumables, and other items deemed necessary for the project.
- Customer expressly allows Pref-Tech to invoice for stored materials. Pref-Tech will store materials at the customer location or in the Pref-Tech bonded and insured warehouse and provide backup documentation with inventories by part number, pictures, etc., as requested by the Customer.
- Customer expressly allows Pref-Tech to submit progressive invoices based upon completed work percentage or other production milestone.

Payment terms are NET 30 days from the date of invoice. Past due amounts shall incur interest at 8% per annum, accrued daily from the date due (NET 30) until paid in full.

Pref-Tech may elect to preserve our right to perfect a bond or lien by sending notices in accordance with statutory requirements.

Any change to the scope of work or materials described in this proposal involving extra cost will only be effective upon the execution of a written change order by involved parties.

Pricing is conditional upon unrestricted access to all applicable areas where work is to be performed or access to and from areas where work is to be performed. Unless otherwise noted, the scope of work shown in this proposal is to be performed without delays. Additional trip charges may apply if delays caused by reasons outside of Pref-Tech's control are incurred.

Pref-Tech will guarantee all material and workmanship for a period of one year from the completion of the work included in this proposal. The warranty will commence upon final project acceptance and will terminate the 365th day beyond the date of final acceptance, regardless of warranty work conducted during the warranty period. The Owner is responsible for troubleshooting and identifying faults covered under this warranty. Additional fees may apply if Pref-Tech must troubleshoot issues for the Owner and/or if, during the course acting on a warranty request, Pref-Tech determines that the issue was not generated by failures in material or workmanship. Except for the foregoing warranty, Preferred Technologies specifically disclaims all other warranties, express or implied, including but not limited to the warranties of merchantability and of fitness for a particular purpose.

Pref-Tech shall not be liable for any special, consequential, incidental, or exemplary damages or loss. Pref-Tech will not be responsible for equipment or parts which are in disrepair due to misuse, accident or mishandled by others not authorized to service this equipment during our agreement time. Pref-Tech will not be responsible for damages caused by fire, the elements, civil commotion, and malicious mischief, negligence of the customer, its agents or acts of God.
