Investigative Techniques

Overview

[Learn More](#)

This course is designed to provide ICAC investigators with a basic understanding of investigative techniques, which have been developed by the ICAC Task Force Program and conform to a set of national standards in the area of internet crimes against children. A basic overview of the topic, as well as instruction in the legal issues surrounding ICAC investigations will also be covered.

For more information on this training, including the daily schedule, please visit the "Learn More" tab.
