Subject: Request to replace damaged stone mailbox structure

Mr. Woolley,

On Wednesday, October 16, 2024 around 2PM Johnson County was performing grass mowing of the ditches on County Road 205. In the process of performing this work the operator of the tractor struck our stone mailbox structure knocking it over and damaging it in its entirety. When this occurred the operator's supervisor, Mr. Ryan Howell, came out to our house, apologized, and asked me to secure a quotation to replace the mailbox. Since then, I have been in contact with Miss Sandra Long, office manager for the county who has asked that I send this letter to request payment for the replacement of our mailbox structure.

So with this letter I am doing just that requesting payment of \$1500 for the replacement of our mailbox structure per the attached quotation and also requesting that the county dispose of the old damaged structure as soon as possible as it is not included in the quotation enclosed.

Thank you for your time and consideration in this matter. If anything, additional is needed from me please do not hesitate to contact me at 919-201-1425.

Sincerely,

Beth Wolf
