Hi Douglas,
Spoke with CMO today and got approval to sell the radios at \$1,200 per unit. It would be the device, lapel mic, charger, and battery.

Obviously, I have no idea on the state of the batteries.

Let me know if this sounds good to go, and how many you might want.

Respectfully,

Good afternoon James.

I hope you enjoyed your time away.

As I said, the county is interested in purchasing the excess radios from the City of Burleson. I wanted to let you know while you are deliberating on the price that our current quotes for the VP5430 is \$2450.53. I've attached a current quote (sent today) that the Pct. 3 constable requested for a radio he is purchasing.

Thank you.
