Date Notice Mailed: April 29, 2025

Johnson County Special Utility District (Johnson County SUD) has filed an application with the Public Utility Commission of Texas to amend its water Certificate of Convenience and Necessity (CCN) No. 10081 for the provision of retail water utility service in Johnson County, Texas.

The requested area is located approximately 4.9 miles northeast of downtown Godley, Texas, and is generally bounded on the north by Sky Road; on the east by County Road 915B; on the south by County Road 915; and on the west by First Street.

The requested area includes 1,474 customer connections and approximately 529.9 acres of uncertificated area to amend (add) to Johnson County SUD (CCN No. 10081).

The application proposes the addition of approximately 529.9 acres to CCN No. 10081.

See enclosed maps showing the requested area.

Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals may contact the commission through Relay Texas at 1-800-735-2989. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date.*

The letter must include the person's name, address, email address, and fax number, if applicable.

**Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission directly at (512) 936-7136.*

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large-scale map, a metes and bounds description of the landowner's tract of land, landowner's name, address, email address and fax number, if applicable.

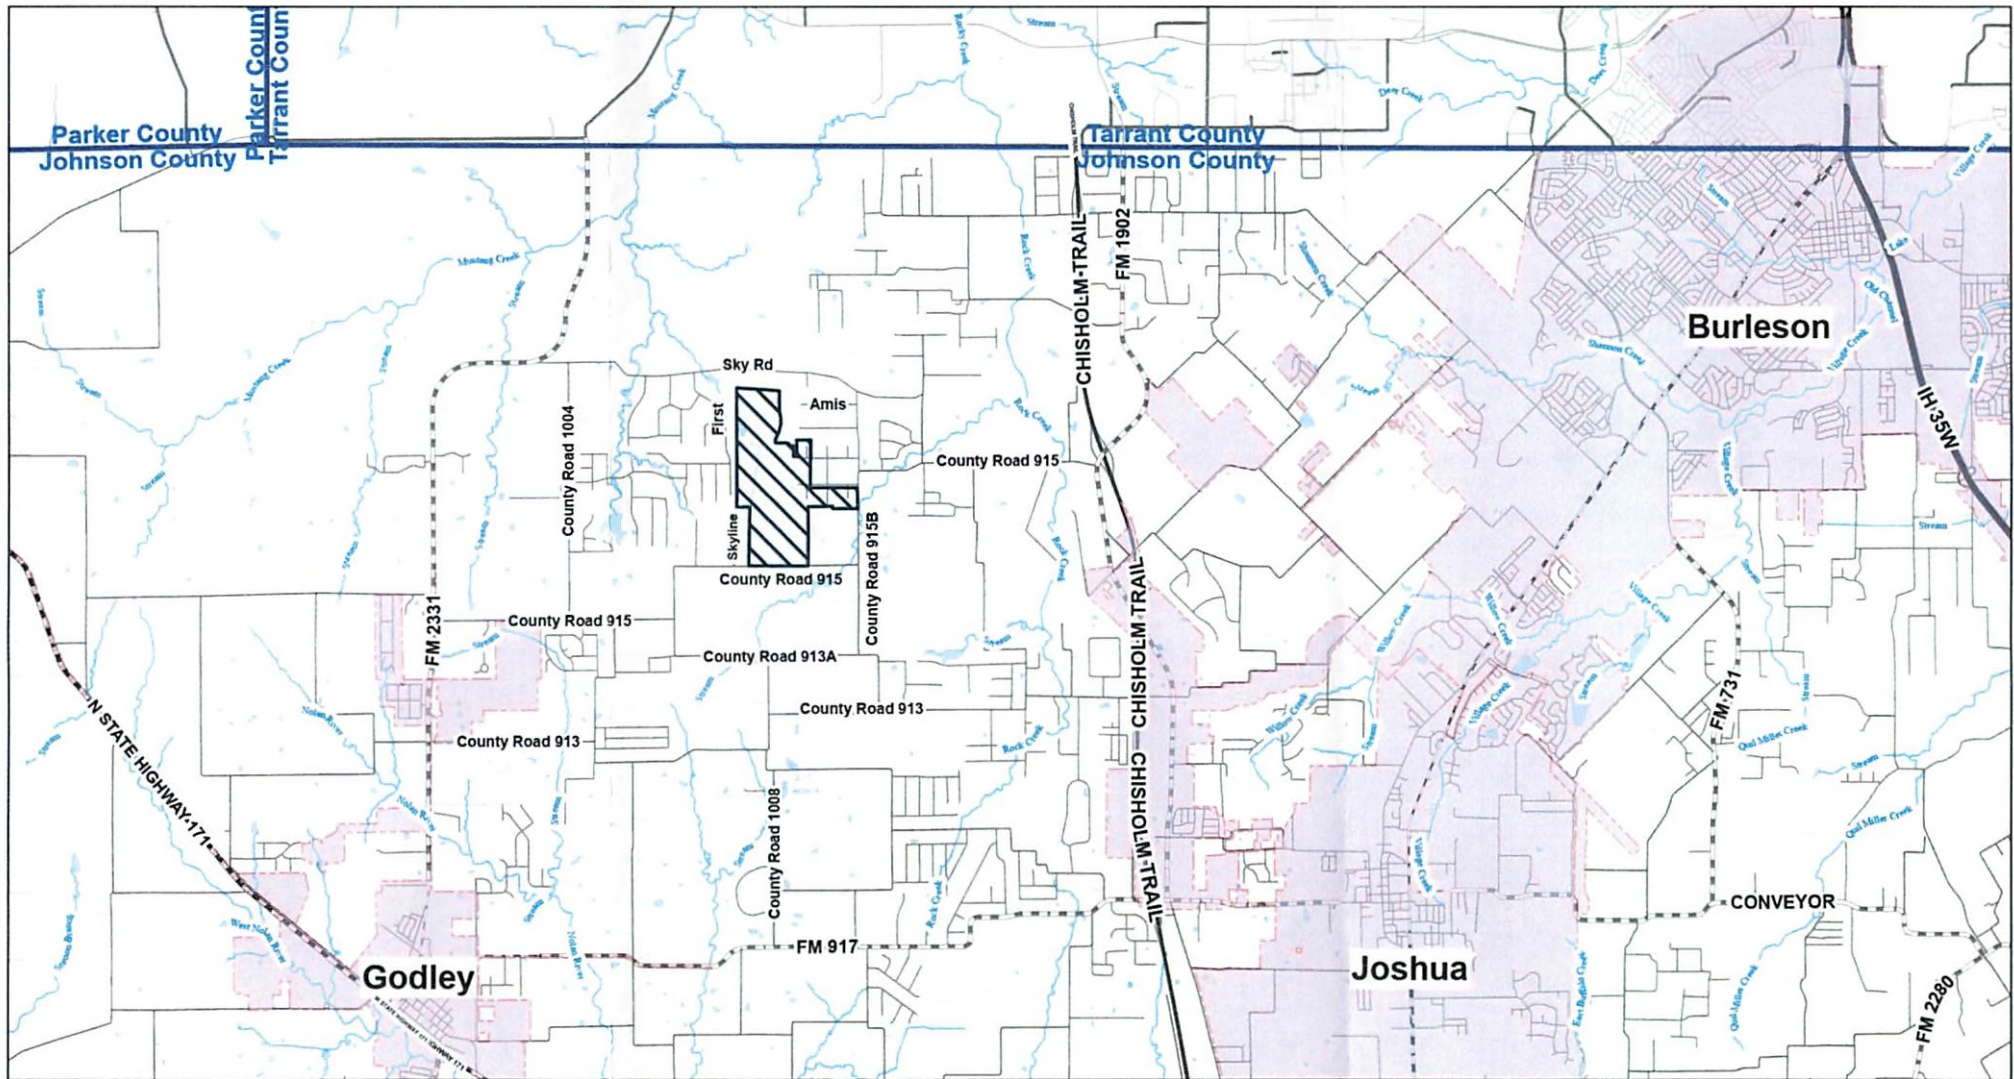

A landowner that opts out from the requested area releases the applicant's obligation to provide retail water or sewer utility service to the removed land for any reason.

Persons who wish to request this option should file the required documents with the:

Public Utility Commission of Texas
Central Records
1701 N. Congress, P. O. Box 13326

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
