Provider is AT&T									
HSIA-E is a "BEST effort" service and does not include any service guarantees or SLAs.									
TEX-AN 2021 Contract rates will prevail over quotes provided by AT&T.									
Pricing does not include any Municipal/Regulatory charges									
Services assume AT&T Texas facilities exist and no special construction will be required. If special construction is required and it results in a higher rate for the specific service, then DIR and /or the Customer, as appropriate, will have the option to accept the new rate or withdraw the request for that specific service.									
Addresses with suite number will have service installed at main telco entrance/room. Customer is required to have service brought into their individual suite to complete installation									
AT&T HSIA- E and its associated components term is equivalent 12 month minimum term period per line without exception. Termination Liability will apply if the service is disconnected prior to the end of the 12 month term. Termination Liability will be determined based on the number of months remaining in the term times 50% of the applicable monthly rates.									
 AT&T Texan 2021- CTSA-002 effective 04/2022
