7. Services Period

a. The Services Period for the Services commences on the date stated in this order. If no date is specified, then the "Cloud Services Start Date" for each Service will be the date that you are issued access that enables you to activate your Services.

B. Additional Order Terms

1. Expansion

For avoidance of doubt, the additional quantities of Cloud Services that are ordered hereunder are subject to the terms of the initial order between You and Oracle for such Cloud Services. If the billing frequency has changed between the initial order and this order, the billing frequency specified in this order shall take precedence.

2. Terms

The following terms, as used in this order or the Agreement and whether or not capitalized, shall have the same meaning as the applicable defined term: "Agreement" and "Master Agreement"; "Customer", "Client" "Company" and "You"; "Program Documentation" and "Documentation"; "Ordering Document", "Services Order", "order" and "Order Form"; "Services Term" and "Services Period"; "Your Data", "Client Data", "Company Data" and "Your Content".

3. Service Specifications and Order Terms

"Service Specifications" means the following documents, as applicable to the Services under Your order: (a) the Oracle Cloud Hosting and Delivery Policies, the Program Documentation, the Oracle service descriptions, and the Oracle Corporate Security Practices; (b) Oracle's privacy policies; and (c) any other Oracle documents that are referenced in or incorporated into Your order. The following do not apply to any non-cloud Oracle Services acquired under Your order, such as professional services: the Oracle Cloud Hosting and Delivery Policies and Program Documentation. The following do not apply to any Oracle-provided Software: the Oracle Cloud Hosting and Delivery Policies.

During the Services Period, we may update the Services and Service Specifications to reflect changes in, among other things, laws, regulations, rules, technology, industry practices, patterns of system use, and availability of third party content. Oracle updates to the Services or Service Specifications will not materially reduce the level of performance, functionality, security or availability of the Services during the Services Period of Your order.

All Services listed on this order are provided by Oracle under, and subject to, the terms of this order, including the Agreement and all Oracle documents referenced in this order. As applicable, Oracle processes a customer's order after receipt of a purchase order, a valid credit card or payment via Paypal. Any terms and conditions on Your purchase order are void and have no legal effect. For Cloud Services, You may not reduce the quantity of Services purchased hereunder (e.g., user or record counts, storage, etc.), in whole or in part, during the Services Period set forth above. Once placed, Your order is non-cancelable and the sums paid nonrefundable, except as otherwise provided herein or in the Agreement.

4. Non-Appropriation

In the event funds are not appropriated for a new fiscal year period, You may terminate this order immediately without penalty or expense; provided, however, that: (a) for each of the 12-month terms of the order, You must provide a purchase order, and (b) Your issuance of each 12-month purchase order shall signify to Oracle that all funds for the given 12-month term have been fully appropriated and encumbered. Notwithstanding the foregoing, You agree to pay for all Services performed by Oracle prior to Oracle's receipt of Your notice of non-appropriation.

5. Order of Precedence

This order, including any subject matter addressed in the Service Specifications, shall supersede any inconsistent term, similar subject matter or scope of service delivery in the Agreement referenced above in Section A.1; however, unless expressly stated otherwise in this order, the terms of the Data Processing Agreement shall take precedence over any inconsistent terms in this order, the Agreement or other Service Specifications. This order will control over the terms contained in any purchase order.
