Inventory/Fixed Asset Policy and Procedures Manual After three successive inventories in which a missing item is not located, the responsible elected/appointed official or department head shall provide a memo to the Purchasing Agent and the Commissioners' Court outlining the circumstances surrounding the missing item. The items highlighted in blue have been missing for three consecutive years and will be presented to Commissioners' Court recommending removal from Johnson County fixed asset inventory.

With the Value Threshold being increased to $2500 the assets listed as Removed are no longer on the annual Inventory but kept up with by each Department internally.
