Good morning, Mr. Bailey,

I talked with Commissioner White and he said we would put this on Commissioner's Court and if approved we will put the No Thru Trucks Sign up on our end since you stated that the city would put one up on their end. It will be on Commissioner's Court on September 14, 2026. I will let you know, Sir what the outcome is and when we can get the sign up.
Thank you so much,

Good afternoon, Mr. Bailey,

It won't do us any good to put these signs up if he City of Burleson doesn't put them on their end.
I talked with the road supervisor, and he said getting it enforced will be difficult.
Thank you, Sir,

Ms. Rudzavice

The City has received some concerns about truck traffic on the county road at Forgotten Ln

Can the county install no trucks signs on both ends?

There are some narrow turns and sections and a median with trees

Hey Martin.

It was brought to my attention that some residents on Forgotten Ln have had some issues with your trucks going down forgotten and getting stuck. There is an area that is impassible for big trucks and then they struggle to turn around causing other issues. If possible, can you look into this and maybe educate the drivers to not go that way. If you have any questions let me know and I will see what I can find out.

Thanks,
