Upon the motion of Commissioner Wyatt, seconded by Commissioner Hadley, it is ordered by the Court that the petition of Pauline Goddard and R. L. Castleman be granted.

The petition reads as follows:

THE STATE OF TEXAS,)

COUNTY OF JOHNSON.)

TO THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

Now comes Pauline Castleman Goddard, nee Pauline Castleman, who resides in Parker County, State of Texas, and would show unto the Court, as follows:

1.

That she is the sole owner in fee simple of the following real estate located in Cleburne, Johnson County, Texas:

S. E. Part of Lot No. 18, in Block No. 47, According to the Official Map of the City of Cleburne, Texas;

2.

That said real estate has been assessed for State and County taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years 1930 to 1939 inclusive, and the same was assessed for taxes for the year 1940. The assessment of said property for taxes for each and all years was and is void and invalid for the following reasons, to-wit:

(1) Because said property was rendered for taxation for each and all of said years by some person whos was not the owner thereof.

(2) Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation and amount far in excess of the value thereof.

(3) Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value of land of a like nature and quality adjacent to said land and in the same section of town, and said renditions and assessments were far in excess of the correct and true amount for which the same should have been rendered and assessed for taxes, and the renditions and assessments thereof were arbitrary, and the values placed thereon for each of said years, were protested by petitioner and/or her agent.

3.

Petitioner would show the court that said property was not duly and legally assessed for taxes for any of the years for which the same is shown to be delinquent, nor for the year 1940, and the amount of taxes assessed against the same and the assessments thereof are invalid and void and said property has not been legally rendered or assessed for taxes for any of said years.

Wherefore, petitioner prays the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court, and that a list of such property be made and the said property be re-assessed for for taxes for each and all of said years as required and provided for in Article 7346, et.seq. Revised Civil Statutes of Texas, and for general and special relief.

Mrs. Pauline Goddard, Petitioner

In case of such termination, Second Party, shall be entitled to receive and retain all compensation due up to the date of said termination.

X.

Before any commissioners are paid out under the terms of this contract, Second Party shall furnish a good and sufficient bond, payable to the county judge and to his successors in office, in the sum of 5,000 Dollars, (not to be less than \$5,000 accordingly as the Commissioners' Court deems just and proper) to be executed by a solvent surety company, or if executed by private parties, the bond shall be signed by at least three good and sufficient sureties owing unincumbered real estate subject to execution, of value equal to the amount of bond and conditioned upon the specific performance of the terms hereof, including the making of reports, provided for in Sections XI and XVI of this contract, and further conditioned that he shall forthwith pay over to the tax collector, or other persons justly entitled thereto, any money or commissions paid him by mistake, through error, or otherwise to which he is not entitled under the terms of this contract. Said bond shall be approved in open Commissioners' Court signed by the County Judge, filed and recorded in the County Clerk's office, and a certified copy of same furnished the State Comptroller.

XI.

At the end of each month, or as soon thereafter as the tax collector shall have made up his report showing collections made for such month, said Second Party shall have access to said report and shall by comparison of the same with his own files or record of service copies of which he has filed with the tax collector, make up in triplicate a report of collections out of which he is entitled to commission under the terms of this contract. Second Party shall also have access to the collector's receipts for such collections and shall, in his reports to be made on forms furnished by the Comptroller, show each year and

the taxes collected therefor on a separate line. Also, where collections are made after suit has been filed and commission allowed at a greater or different rate under the terms of this contract, Second Party being guided by the file docket of the clerk of the Court, shall prepare and attach to his reports to be filed with the tax collector a list showing number of suit and date filed. After the report has been signed and sworn to be Second Party, two copies of the same shall be delivered to the Tax Collector, one to be attached to and sent with the Collector's monthly report to the Comptroller, the other filed in the collector's office, and the third copy to be retained by the Second Party.

XII.

Each month, after having received copies of the contractor's report as provided for in the preceding section, and checked the list of taxes shown therein with his own report and with copies of communications filed with him, as provided for in Section XIII of this contract, and after having verified the correctness of commissions claimed, the county tax collector is hereby authorized, ordered and directed to deduct the above specified per cent of said taxes, penalty and interest, or such amount as can be allowed under the penalty and interest restriction, to which Second Party is entitled, and to pay the same to him, unless otherwise herein directed and to take his receipt as provided for on Form 107, Contractor's Report, which when received in the Comptroller's office will be the Comptroller's authority to allow the said tax collector credit for the amount so paid; provided, that the tax collector before complying with the provisions of this section shall first satisfy himself that the bond required of Second Party under the provisions of Section X of this contract has been approved and placed on record in the office of the County Clerk; and it is here further provided, that should any question arise regarding commission claimed the tax collector shall withhold the payment of such commission or an amount equal thereto, placing the same in escrow, and apply to the State and County, accordingly as they may be effected for information and direction, as to the proper amount of commission due to be allowed under the terms of this contract.

Note: Should the Commissioners' Court and the contracting party elect that the commissions withheld be placed in an escrow fund and paid to Second Party otherwise than as provided in Section XII of this contract, another section setting forth the method of payment to the contracting party should be added to and inserted in this contract preceding the last page prepared for the signatures of the contracting parties.

XIII

In order that the tax collector may be able to verify and attest the correctness of commissions claimed by Second Party, as evidence of service and to entitle him to the commissions provided for in this contract, Second Party shall file with the tax collector prior to time of payment, copies of such communications, tax notices or abstracts which shall be preserved by the tax collector in some systematical order as will make them easily accessible for the purpose of verification or for such other value as the same may have in case it becomes necessary for the County and State to buy in such properties at tax sales, said copy or copies shall also contain information or reference as will enable the tax collector to readily locate the tax as it appears on his delinquent forms and/or delinquent records.

XIV.

It is further agreed and understood that this contract is for personal services and is not transferable or assignable without the written consent and approval of First Party. It is also agreed that the Commissioners' Court of said County shall furnish suitable space in or near the courthouse as convenient to the records of said county as may be for

for the purpose of carrying out this contract.

XV.

It shall be the duty of the Commissioners' Court and of all other officials of said county to cooperate with and render such reasonable assistance to said Second Party as the circumstances may require, said assistance, however, is not to include the actual performance of the work herein designated to be performed by Second Party; and it being the duty of the County Attorney or of the District Attorney (where there is no county attorney) to actively assist Second Party in the filing and pushing to a speedy conclusion all suits for the collection of delinquent taxes, it is hereby provided that where the county or district attorney (where there is no county attorney) shall fail or refuse to file and prosecute such suits in good faith, the attorney prosecuting suits under this contract is hereby fully empowered and authorized to proceed with such suits without the joinder and assistance of said county or district attorney.

XVI.

At the terminating date of this contract December 31, 1942 (and before receiving any commissions thereafter out of the taxes which may be collected during the six months period allowed in which to carry to final judgment suits filed prior to the said terminating date) Second Party, from his reports and the records of unpaid delinquent taxes available to him, shall prepare and file with the Commissioners' Court and the State Comptroller a report showing the amount of taxes applicable to the terms of this contract, and the amount collected and the amount uncollected. The said report, form to be furnished by the State Comptroller, shall be made as will show separately collections from the delinquent tax record, collections from the insolvent list, and collections from procedure under the provisions of Articles 7346, 7347, and 7348, Revised Statutes of 1925, or any other statutory provisions having reference to property escaping taxation, which Second Party was instrumental in collecting and which amounts when summed up should equal the total collections shown by his monthly reports. Said reports shall further show separately the uncollected taxes for which suit has been filed and carried to final judgment, the uncollected taxes for which suit has been filed and not carried to final judgment, and the uncollected taxes for which no suit has been filed, which amounts when summed up should represent the total uncollected delinquent taxes of Johnson County, as of December 31st, 1942, the terminating date fixed in this contract, and the same shall be made as herein provided irrespective of whether or not suits have been filed and are pending on said date, or a new contract entered into.

In consideration of the terms and compensation herein stated, the Second Party hereby accepts said employment and undertakes the performance of said contract as above written.

RESOLUTION OF THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS PROVIDING FOR THE:
REVOLVING FUND FOR THE OPERATION OF THE FOOD STAMP PLAN UNDER JOHNSON COUNTY'S CONTRACT

WITH THE SURPLUS MARKETING ADMINISTRATION OF THE UNITED STATES

Whereas, the Statutes of the State of Texas provide that the Commissioner's Court of a County may provide for the support of the needy and indigent of the County, and;

Whereas, there are now a large number of the residents of Johnson County, who are needy, unemployed and indigent and who must have public assistance in order to obtain the necessities of life, and;

Whereas, it appears to the Commissioners' Court of Johnson County that the needs of the needy and unemployed and indigent of the County can thus be provided for by co-operation with the Welfare Agencies of the State and the United States Government and the Commissioners' Court of Johnson County has entered into a contract with the Surplus Marketing Administration of the United States, whereby the indigent, needy and unemployed of Johnson County can participate in the Food Stamp Plan of the Surplus Marketing Administration of the United States, provided Johnson County will set up a revolving fund of \$7500.00 to provide for the purchase of said Stamps, and;

Whereas, said "revolving fund" will not be actually expended but the sum of \$7500.00 in money or its equivalent in Stamps will always remain in said fund; and when the operation of said Stamp Plan in Johnson County has terminated the said amount of \$7500.00 will remain in the "revolving fund" belonging to the County, and ;

Whereas, it is considered by The Commissioners' Court of Johnson County, Texas, that it is for the best interest of all of the citizens of Johnson County that the said "revolving fund" be created out of the General Fund of the County.

THEREFORE BE IT RESOLVED BY THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

That there is hereby created a fund as the "Food Stamp Revolving Fund of Johnson County", which said fund shall remain in the depository of Johnson County, and there is hereby set aside in the "revolving fund" the sum of \$7500.00 out of the General Fund of Johnson County, which said sum of \$7500.00 shall be used only for the purpose of operating the Food Stamp Plan in Johnson County in the purchase of Food Stamps to be issued by the Food Stamp Authorities of Johnson County, and as said Stamps are issued and sold the proceeds thereof shall be re-deposited in said "revolving fund".

Said "revolving fund" shall be drawn upon only by the issuing officer of the Johnson County Food Stamp Issuing Office, who shall be bonded to Johnson County in an amount not less than \$7500.00; and said revolving fund shall not be used for any purpose except the purchase of Food Stamps under the contract with the Surplus Marketing Administration of the United States and when said contract is terminated said fund shall return to and become a part of the General Fund of Johnson County, Texas.

Because of the fact that said expenditures could not by reasonable and diligent thought and attention have been included in the original budget for this fiscal year and the fact that said expenditures are of a grave public necessity and to meet unusual and unforeseen conditions creates an emergency, and it is further resolved that the budget be and the same is hereby amended to provide for the above set out expenditures.

Upon the motion of Commissioner Elliott, seconded by Commissioner Wyatt, it was ordered by the Court enter into a contract with J.O.Carmichael of Austin on the Bond consumption, on the basis stated in agreement as follows:

THE STATE OF TEXAS Y
 Y
 COUNTY OF JOHNSON Y

THIS AGREEMENT, made and entered into on this 1st day of May, 1941, by and between J.O.Carmichael of Austin, Texas, and the Commissioners' Court of Johnson County, Texas.

WITNESSETH:

There is a possibility that Johnson County is not enjoying the maximum participation and benefit to which it may be entitled under the present Bond Assumption Law. However before it can be determined whether such a possibility does exist, it is necessary that a comprehensive survey and thorough check be made of all expenditures from bond funds on State Highways within Johnson County.

It is recognized that to properly survey all the original expenditures from bond funds and to properly assemble and compile such data and proofs that may be necessary to present and favorable findings to the Board of County & District Road Indebtedness for final consideration and approval requires the services of one thoroughly experienced in such matters.

Therefore, Johnson County has employed and does hereby employ J.O.Carmichael for the purpose of making such survey of bond funds expenditures for highway purposes, and to assemble such information and other evidence of proof necessary to properly present and substantiate any claim for increased State participation or cash refund to which Johnson County may be entitled.

J.O.Carmichael agrees to do all of the necessary things outlined above, furnishing a skilled and experienced accountant to assist him if it is deemed necessary, to make the survey and to properly perform any other services as may be required in an effort to secure such participation and cash refunds, and to pay all expenses incurred in connection therewith.

For and in consideration of the services to be rendered hereunder, Johnson County, agrees to pay to J.O.Carmichael, a sum equal to $12\frac{1}{2}\%$ of the first \$25,000.00, and 5 % of all additional net savings to the county due to increased participation and/or cash refunds to the County from the Board of County & District Road Indebtedness, exclusive of funds or credits due Johnson County, from the Lateral Road Account. Such sums shall be due and payable when additional increase in participation has been officially approved by the Board of County & District Road Indebtedness, and cash refunds, if any, received by Johnson County. In the event that no cash refunds are made and/or no increased participation is obtained then Johnson County is not indebted to J.O.Carmichael for services or expenses incurred and this contract is null and void and of no further force and effect. It is further agreed that the commission that might be due hereunder can not exceed the cash refund received from the Board of County & District Road Indebtedness.

THE STATE OF TEXAS Y
 Y
COUNTY OF JOHNSON Y

TO THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

Now comes N. P. Glass, who resides in Johnson County, Texas, and would show unto the Court as follows:

1.

That C.O. Glass is the sole owner in fee simple of that real estate in Cleburne, Johnson County, Texas, known and described as the S. E. $\frac{1}{2}$ of Lot 1, and the N. E. part of Lot 1, in Block No. 79, according to the official map of the City of Cleburne, Texas.

2.

That said real estate has been assessed for State and County Taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years 1931 to 1940 inclusive. The assessment of said land for taxes for each and all years was and is void and invalid for the following reasons, to-wit:

- (1) Because said real estate was not rendered for taxation by the true owner thereof and was not assessed at its fair value by the proper officer, as required by Art. 8, section 11, of the Constitution of Texas.
- (2) Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation and amount far in excess of the value thereof.
- (3) Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value of land of a like nature and quality adjacent to said land and in the same community, and said renditions and assessments were far in excess of the correct and true amount for which the same should have been rendered and assessed for taxes, and the renditions and assessments thereof were arbitrary, and discriminatory and have resulted and will result in the taking of said property without due process of law.

Petitioner would show the court that the said property was not duly and legally rendered and was not duly and legally assessed for taxes for any of the years for which the same is shown to be delinquent, nor for the year 1940, and the amount of taxes assessed against the same and the assessments thereof are invalid and void and said property has not been legally rendered or assessed for taxes for any of said years.

Wherefore, petitioner prays the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court, and that a list of such property be made and the said property be reassessed for taxes for each and all of said years as required and provided for in Article 7346, et. seq. Revised Civil Statutes of Texas, and for generand and special relief.

IN RE.: TAXES)
W 1/3 of Lot 5, Block 243)
City of Cleburne, Texas)

To the Commissioners' Court of Johnson County, Texas;

Now Comes Mrs. Madue N. Palmer, who resides in Johnson County, Texas, and would respectfully show unto the Court, as follows;

1.

That she is the sole owner in fee simple of the real estate in Johnson County, Texas, known and described as the West 1/3 of Lot No. 5, in Block No. 243, according to the official map of the City of Cleburne, Texas.

2.

That said real estate has been assessed for State and County Taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years 1931 to 1940, inclusive. The assessment of said property for taxes for each and all years was and is void and invalid for the following reasons, to-wit:

(1) Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation far in excess of the value thereof.

(2) Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value of real estate of a like nature and quality adjacent to said property and in the same portion of the city, and said renditions and assessments were far in excess of the correct and true amount for which the same should have been rendered and assessed for taxes, and the renditions and assessments thereof were arbitrary and discriminatory and have resulted and will result in the taking of said property without due process of law.

Petitioner would show the court that said property was not duly and legally rendered and was not duly and legally assessed for taxes for any of the years for which the same is shown to be delinquent, nor for the year 1940, and the amount of taxes assessed against the same and the assessments thereof are invalid and void and said property has not been legally rendered or assessed for taxes for any of said years.

WHEREFORE, petitioner prays the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court and that a list of such property be made and the said property be re-assessed for taxes for each and all of said years as required and provided for in Art. 7346, et. seq. UPON the motion of Commissioner Elliott, seconded by Commissioner Wyatt, it was ordered by the Court that the petition of A. J. Moore in regard to the valuation on 31.6 acres of land, M. D. Dickey Survey, for the taxes of 1935 through 1940 be accepted and that the Tax Assessor be authorized to re-assess the valuation to \$10. an acre. The petition and orders read as follows:

THE STATE OF TEXAS	Y	IN THE COMMISSIONERS COURT
COUNTY OF JOHNSON	Y	OF JOHNSON COUNTY, TEXAS
TO THE HONORABLE COMMISSIONERS COURT OF JOHNSON COUNTY, TEXAS:		

Now comes A. J. Moore, who resides in Tarrant County, Texas, and petitions this Honorable Court to authorize the reassessment of taxes against certain property located in Johnson County, Texas, and being described on the tax rolls as Abstract Number 195, 31 6/10 acres out of the M. D. Dickey Survey and for grounds which show to the Court the following:

This property was purchased by your petitioner, A. J. Moore, in July of 1941, for an amount of \$200.00 cash with the agreement to pay reasonable assessments for back taxes. During the years 1935 through 1940 the property has been owned by the Brattleboro Trust Company, a foreign Corporation, and taxes have remained unpaid during such years. In each of these years such property was valued at \$510.00 and taxes assessed by the Johnson County Tax Assessor in such amount. Your petitioner would show that during none of such years was there any legal rendition of the property for taxes for taxes as is provided for by the laws of the State of Texas, and it is shown that such rendition as was attempted was of no force and effect, and was void in all respects. It is further shown to the Court that the attempted assessment of taxes during each of such years was likewise void and that such attempted as-

assessment was for an amount greatly in excess of the amount assessed against adjoining property in this neighborhood and in this Survey and that such assessment is of no legal force and effect and such property should be re-assessed for taxes and new taxes assessed against such property.

It is further shown to the Court that such property is unimproved, uncultivated and has a very low market value, and your petitioner would show that such property should not be assessed for taxes on a value of more than Ten Dollars (\$10.00) an acre for the years 1935 through 1940.

It is further shown to the Court that the assessment prepared for the year 1941 is likewise improper and excessive, and due to the fact that such assessment has been prepared in connection with other property as is shown on the Tax Assessor's rolls the same should now be re-assessed, and your petitioner would show to the Court that such property should be valued for assessment at an amount not to exceed \$200.00.

WHEREFORE, your petitioner prays that this Honorable Court order the Tax Assessor to re-assess taxes for the years 1935 through 1940 on a value not to exceed Ten Dollars (\$10.00) an acre, and that taxes for the year 1941 be assessed on a value of \$200.00 for such tract of land.

Dickey Survey in Johnson County, Texas, and the Court being of the opinion that such petitioner is entitled to the relief prayed for and that the assessment for the years 1935 through 1940 is void as alleged in such petition, the Tax Assessor is hereby ordered to re-assess taxes on such property for those years on a value of Ten Dollars per acre.

TO THE COMMISSIONERS' COURT OF JOHNSON COUNTY, TEXAS:

Now, comes, Sam Reed, by and through, Helen Reed, who resides in Johnson County, Texas, and would respectfully represent and show unto the court, as follows:

1.

That Sam Reed is the sole owner in fee simple of that real estate in Johnson County, Texas, known and described as Lot No. 1 and S $\frac{1}{2}$ of Lot No. 2, of Block No. 12 in the town of Venus, Texas

2.

That said real estate has been assessed for State and County Taxes and the taxes thereon appear by the tax rolls of Johnson County, Texas, to be delinquent for the years 1929 to 1940 inclusive; The assessment of said land for taxes for each and all years was and is void and invalid for the following reasons, tewit:

(1) Because that said real estate was not assessed at its fair value by the proper officers, as required by Art. 8, Sec. 11, of the Constitution of Texas;

(2) Because the rendition and the assessment of said property for taxes for each and all of said years was for a valuation and amount far in excess of the value thereof.

(3) Because the rendition and assessment of said property for taxes for each and all of said years was for an amount far in excess of the true and correct value of said real estate and far in excess of the value and land of a like nature and quality adjacent of said land and in the same community, and said renditions and assessments were far in excess of the correct and true amount for which the same should have been rendered and assessed for taxes, and the rendition and assessments thereof were arbitrary.

Wherefore, petitioner prays the court that the rendition and assessment of said property for taxes for each and all of said years shall be adjudged invalid, void and of no effect, and shall be cancelled by judgment and order of this court, and that a list of such property be made and the said property be re-assessed for taxes for each and all of said years as required and provided for in Article 7346, et seq., Revised Civil Statutes of Texas, and for general and special relief.
